make the mistake of assuming the quality of the questions is the same in all NCLEX exam review books because only Silvestri includes the kinds of questions that consistently test the clinical judgment skills necessary to pass today's NCLEX exam. Even better, all answers include detailed rationales to help you learn from your answer choices and test-taking strategies with tips on how to best approach each question. Written by the most trusted name in NCLEX review, this is THE book of choice for NCLEX preparation. But don't just take our word for it; read any customer review or ask your classmates to see why there's nothing else like it. Over 5,200 practice questions in the text and online offer ample testing practice. 75-question comprehensive exam covers all content areas in the book in the same percentages that they are covered on the actual NCLEX RN test plan. Inclusion of all alternate item format questions covers multiple response, prioritizing, ordered response, fill in the blank, figure illustration, hot spot, chart exhibit, video, and audio questions to give students practice with mastering prioritizing, decision making, and critical thinking skills. Presents introductory chapters on preparation guidance for the NCLEX RN nonacademic preparation test, taking strategies, the CAT format, and the NCLEX RN from a new graduate's experience. UNIQUE Audio review summaries on pharmacology, fluids and electrolytes, and acid-base balance are found on the Evolve companion site. Expanded coverage of delegation, prioritization, and triage/disaster management in the practice questions reflect the areas of increased emphasis on the NCLEX exam. UNIQUE A detailed test-taking strategy and rationale is included for each question, offering clues for analyzing and uncovering the correct answer option. UNIQUE Priority concepts call out, highlight specific concepts related to nursing practice. Concepts have been updated to reflect the latest Giddens Concepts for Nursing Practice text. UNIQUE More Priority Nursing Action boxes communicate new and pertinent content. Question categories by cognitive level, client needs area, integrated process, and content area give you completely customizable exams or study sessions when using the companion Evolve site. UNIQUE Pyramid Alert boxes spotlight important nursing concepts and procedures and include tips and shortcuts for remembering key information. Mnemonics included where appropriate throughout the text.
