Beyond The Greene Givon Wayne, 2014-07-10 A group of college students join their beloved professor on an environmental expedition They travel to a remote area in

Northern California that has been experiencing unprecedented growth rates While they are searching for the answers that could save the environment they stumble upon creatures harbouring an ancient plot to regain their control of the world

And Then Shall the End Come... John Bisagno,2007-08 Nothing authenticates the Christian faith as does the fulfillment of clearly stated prophecy And Then Shall the End Come is a concise chronological guide to understanding topically and sequentially what is happening today and what will happen tomorrow

Visions of Global Environmental Justice Alexander Huezo,2025 Focusing on the lived experiences of Afro Colombians processing and resisting violence against their ecological communities Visions of Global Environmental Justice employs accounts of the supernatural narratively and analytically to frame a contemporary struggle for environmental justice The book applies Achille Mbembé's theorization of necropolitics to the environmental racism of the US War on Drugs in Colombia specifically the aerial eradication of coca in the comunidades negras of the Pacific Coast Through critical examination and deconstruction of transnational mythmaking and local oral tradition Visions of Global Environmental Justice illustrates that non humans rendered expendable by US driven drug necropolitics are indispensable to both the conceptualization and the realization of environmental justice globally Far from being a study singularly focused on the symptoms of environmental issues this book creatively guides us toward a broader conceptualization of environmental racism and justice across geographic scales and non human agencies

Sealed in Blood Margaret L. Carter,2021-06-30 Science fiction conventions attract some strange people but Sherri Hudson never expected to spend a con weekend helping a sexy man in a cape steal photos of a winged alien When the photographer is murdered and Nigel Jamison reveals to Sherri that the alien is actually his sister the situation gets intriguingly complicated Unwillingly swept up in Nigel's quest to rescue his sister Sherri can't help being fascinated with him By the time she finds out he's a vampire the fascination has become mutual and too strong to resist

Stages of Evil Robert Lima,2005-12-23 The evil that men do has been chronicled for thousands of years on the European stage and perhaps nowhere else is human fear of our own evil more detailed than in its personifications in theater Early writers used theater to communicate human experiences and to display reverence for the gods governing daily life Playwrights from Euripides onward sought inspiration from this interplay between the worldly and the occult using human belief in the divine to govern characters' actions within a dramatic arena The constant adherence to the supernatural despite changing religious ideologies over the centuries testifies to a deep and continuing belief in the ability of a higher power to interfere in human life Stages of Evil is the first book to examine the representation and relationship of evil and the occult from the prehistoric origins of drama through to the present day Drawing on examples of magic astronomy demonology possession exorcism fairies vampires witchcraft hauntings and voodoo author Robert Lima explores how theater shaped American and European perceptions of the occult and how the dramatic works studied here reflect society back upon itself at different points in history From representations of Dionysian rites in ancient Greece to the Mouth of Hell in the Middle Ages to the mystical

cabalistic life of the Hasidic Jews to the witchcraft and magic of the Elizabethan and Jacobean stage Lima traces the recurrence of supernatural motifs in pivotal plays and performance works of the Western tradition Considering numerous myths and cultural artifacts such as the wild man he describes the evolution and continual representation of supernatural archetypes on the modern stage He also discusses the sociohistorical implications of Christian and pagan representations of evil and the theatrical creativity that occultism has engendered Delving into his own theatrical literary folkloric and travel experiences to enhance his observations Lima assays the complex world of occultism and examines diverse works of Western theater and drama A unique and comprehensive bibliography of European and American plays concludes the study and facilitates further research into the realm of the social and literary impact of the occult *Man and Brother Book 1: Man* Jessica Alter,2019-09-11 Volume II of the Cryptid series *Man and Brother* follows crypto biologist Kalyani Sharma on her race to preserve endangered cryptid species while negotiating the perils of a newly awakened world Protecting and preserving cryptid species is the life s work of crypto biologist Kalyani Sharma Things get complicated in the forests of the Pacific Northwest after she s discovered by a legend When the tables turn who will protect her *The Routledge Companion to Comics* Frank Bramlett,Roy Cook,Aaron Meskin,2016-08-05 This cutting edge handbook brings together an international roster of scholars to examine many facets of comics and graphic novels Contributor essays provide authoritative up to date overviewsof the major topics and questions within comic studies offering readers a truly global approach to understanding the field Essays examine the history of the temporal geographical and formal development of comics including topics like art comics manga comix and the comics code issues such as authorship ethics adaptation and translating comics connections between comics and other artistic media drawing caricature film as well as the linkages between comics and other academic fields like linguistics and philosophy new perspectives on comics genres from funny animal comics to war comics to romance comics and beyond *The Routledge Companion to Comics* expertly organizes representative work from a range of disciplines including media and cultural studies literature philosophy and linguistics More than an introduction to the study of comics this book will serve as a crucial reference for anyone interested in pursuing research in the area guiding students scholars and comics fans alike ***Invaders from the North*** John Bell,2006-11-11 Short listed for the 2007 CBA Libris Awards for Book Design of the Year What do Superman Prince Valiant Cerebus the Aardvark and Spawn have in common Their creators Joe Shuster Harold Foster Dave Sim and Todd McFarlane are Canadians And while many of the cutting edge talents of contemporary comix and graphic novels are also from Canada artists such as Chester Brown Seth Dave Cooper and Julie Doucet far too few Canadians realize their country had a remarkable involvement with the funnies long before *Invaders from the North* profiles past and present comic geniuses sheds light on unjustly neglected chapters in Canadas pop history and demonstrates how this nation has vaulted to the forefront of international comic art successfully challenging the long established boundaries between high and low culture Generously illustrated with black and white and colour comic covers
