Seductions Exposed The Spiritual Dynamics Of Relationships:

Seductions Exposed Gary L. Greenwald, 2003-05-01 If you've ever ended a relationship you knew wasn't God's will for your life but you can't seem to stop thinking about that person. If your behavior is being influenced in a negative way by people you come into contact with. If you're cursing yourself through forbidden statues, jewelry, and practices. It's time for you to break free from the ties on your soul. Dr. Gary Greenwald will explain how the transference of spirits and soul ties can create dominion over your life. Learn how to defeat the deceiving spirits that control many of the things you come into contact with every day. You can be delivered into a life ruled only by the Holy Spirit. **Charisma and Christian Life**, 1991-07

Crushed Ice Dr. Latangela L. Crossfield, 2025-03-17 Imagine growing up in a small Southern town surrounded by sugarcane fields, snakes, alligator-infested canals, and palm trees. Imagine growing up in a city where most people struggle financially, where the nearest grocery store is five miles away, where there is no hospital, where there is only one traffic light, and where most people know one another. Can you imagine growing up in a family that has many secrets that could either destroy family ties or create bonds that could last a lifetime? Welcome to Latangela Coleman Crossfield's family secrets: incest, murder, and lies. It was once easy for Latangela to conclude that she was the culprit of her demise. After all, her mother often told her that she would not amount to a hill of beans, that she was nothing, and that she would never be anything. She sometimes believes these perceptions yet struggles to conceive them as reality. Latangela toils with succumbing to the harshness of her circumstances. Perhaps it could be that she was once a great pretender, pretending as if being raped, molested, and physically and verbally abused by a neighbor, her uncle, her babysitter, and her mother, had in no way influenced the choices that she made. Latangela sometimes jolts and cringes as she recalls experiencing uninvited fondling, kisses, rape, electric cord beatings, abortion, the murder of her stepfather, homelessness, and so much more. Indeed, the recollection of these former days brings tears to her eyes yet joy to her heart as she discovers that she is not to blame for these atrocities. Unforgiveness is her psychological prison cell. It is in this cell that Latangela allows herself to succumb to the pain and agony of her past. Latangela's life changes when she has a supernatural encounter with Jesus Christ. She realizes that forgiveness is the key to victory. She learns to forgive her predators and herself for the poor choices that led to homelessness and unhealthy relationships. In doing so, the emotional prison cell that once held her captive ceases to exist. Through prayer and supplication, God gives her the wisdom, knowledge, and grace to separate agape love for her mother and her abusers from their indiscretions. Latangela's life experiences do not prevent her from becoming an educator, an author, a minister, a media personality, an actress, and a serial entrepreneur. She plans to one day travel the globe to share how she was crushed but not defeated. 0 **Angels** George J. Marshall, 2015-08-13 In the 1990s alone, more than 400 works on angels were published, adding to an already burgeoning genre. Throughout the centuries, angels have been featured in, among others, theological works, on scripture studies, in comparative religions, works on art, architecture, and music, philological studies, philosophical

sociological anthropological archeological and psychological works and even a psychoanalytical study of the implications that our understanding of angels has for our understanding of sexual differences This bibliography lists 4 355 works alphabetically by author Each entry contains a source for the reference often a Library of Congress call number followed by the name of a university that holds the work More than 750 of the entries are annotated Extensive indexes to names subjects and centuries provide further utility

Pentecostal Insight in a Segregated US City Frederick Klaitis, Michael Richbart, LaShekia Chatman, 2022-06-16 In *Pentecostal Insight in a Segregated U S City* Frederick Klaitis compares how members of one majority white and two African American churches in Buffalo New York receive knowledge from God about their own and others life circumstances In the Pentecostal Christian faith believers say that they acquire divinely inspired insights by developing a relationship with God But what makes these insights appear necessary This book offers a novel approach to this question arguing that the inspirations believers receive from God lead them to take critical stances on what they regard as ordinary understandings of space time care and personal value Using a shared Pentecostal language believers occupying different positions within racial class and gender formations reflect in divergent ways on God s designs In the process they engage critically with late liberal imaginaries of eventfulness and vitality to envision possibilities of life in a highly unequal society This text incorporates commentaries on Klaitis ethnography by LaShekia Chatman and Michael Richbart junior scholars who have also studied and been part of Pentecostal communities in Buffalo
