 died to trap the dark Devourer in a time freeze on Earth Earth has begun to thaw and now Sarah and Ben's grown children
 must find their destined consorts to help them defeat the Devourer once and for all Korrien Moontouched is the Heir of Light
 As if the pressures of helping his mother and Queen lead their growing clan weren't enough he and his twin sister have
 grown up knowing they are the keys to the Devourer's final defeat to concluding the Battle for Earth which has been frozen
 in time since before he was born along with the rest of Earth Yet nineteen years after the battle Earth's time thaw begins
 throwing Rien into the Seven Realms efforts to secretly protect humanity from their common enemy The thaw also offers
 Rien his sole opportunity to find his consort because Rien has to marry a pure human of Ice But so far the only young woman

to have escaped the time freeze of Earth is nothing like what the logical perfectionist prince had so carefully planned for himself As feisty and unpredictable as she is pretty and petite Sierra Knight encapsulates everything Rien finds aggravating and irresistible Serona Sunfilled is the Heir of Flame Even so the bright and bubbling young woman has only three goals in life One keep her oh so serious twin brother sane Two make her beloved papa and King proud And three find the mate the Tree of Flame promised her and live happily ever after Yet things aren't quite that simple When the Tree of Flame sends Rona to an unknown world in search of her consort the dragon who awaits her is nothing like she had expected and belongs to the rarest of Powers one that can only be born from the dying embers of calamity Suddenly nothing is as perfect as the sunny princess believed it would be Though Drevior is as tantalizingly handsome as he is scarred he returns with her carrying secrets and sorrows and he brings a dire warning of an entirely new threat to the Seven Realms which he will risk everything even his life to deliver For there are other dark powers besides the Devourer and as the Devourer weakens and its defeat approaches one of them turns its thirst on the Seven Realms If the Realms and Earth are to survive the coming days both Rien and Rona will have to claim their birthright and at last unite all four Powers of Life Flame Ice Light and Ember in one
