Seeing Christ In Proverbs Conduct And Daily Life:

A Woman of Salt Doris Willis, 2018-05-29 In the world of Jesus's disciples salt was very valuable. So the disciples understood the reference when Jesus told them that they were the salt of the earth. When Jesus spoke those words to his disciples he wasn't just saying that they were good people. He was speaking about the foundation that they shared in Him and the expectations He had for their lives as His followers. Jesus was declaring the vision for their ministry: how they were to live, serve, and lead in faithfulness. He was speaking about the attitude, character, and conduct that believers in Jesus Christ must exhibit if they are to be witnesses for the kingdom of God. *A Woman of Salt* is an in-depth Bible study for women that presents a timely discussion of challenges women face in living a disciplined and godly lifestyle in today's culture of self-fulfillment. The study focuses on character traits that Christian women must nurture in their lives to remain distinguished from the world as kingdom women. It engages women to go deeper into the Word to understand the importance of a salty lifestyle to their influence in the home, in the community, in the marketplace, and in the church.

Does It Really Say That in the Bible? Katie Hoyt McNabb, 2014-07-30 What if there was a book that dealt with humanity's most pressing questions? What is the meaning of life? Is there a God, and what does the Deity think about us? The good news is that there is such a book; the bad news is that it's the Bible. How is that bad news? The Bible is just not that easy to read. Yet what if you had help? *Does It Really Say That in the Bible* will teach you how to explore the Bible and find out for yourself what it says.

D. Michael J. Akers,Akers,2009-03 God exists as God the Father God the Son and God the Spirit We are God s people who relate to God in each of these manifestations Thirteen key topics have been selected that cover basic Biblical doctrine on these four descriptors of whom God is and who we are as His children Each of the fifty two Biblical topics contain sufficient Scriptural references to enable the reader to fill an entire week looking up each Scripture and learn more deeply about what it is being taught from God s Word Each study contains questions for discussion somewhere in the text or as a separate list and concludes with at least one memorable quote May each person spending time with this material be blessed by what the Holy Spirit does through these words of learning May you not only learn a great deal but also apply what you have learned in serving the Lord by serving others **Love Life and Reality** Frances McIntyre,2003-03-24 Oh I don t know it s just a book about growing up QUEER I really hate that word but there you have it This book only scratches the surface of what it is like to grow up in a bigoted society but I believe gets my point across It also conveys what it s like to be taught by nuns who seemed to be crazed because of sexual starvation What it is like to be raised by a grandmother who should have been a nun she would have fit in so well It s about a father she rarely saw and who always popped up in the wrong places and with the wrong person It is about young queer love and young queers I believe though it will appeal to straight people as well They will hopefully see that love is love no matter what form it takes That people are just people and emotions are all the same That pain and rejection hurt just as much and love and relationships mean just as much to those that are homosexual and lesbian as they do to heterosexuals Hopefully they will come to understand that God made two types of people gay and straight and he loves us equally Also this book is written to reach out to straight men that feel intimidated by lesbians and
