*Can't Stop Walking* Murphy V. S. Anderson, 2021-04-07 Can't Stop Walking Every Walk Must First Begin with a Step Purpose and Direction is a stunning and incisive nonfictional narrative which critiques some of the cultural traditional and societal issues which impacted and challenged the lives of many Liberians especially the youth who suffered blood and died in their ignorance during the Liberian Civil War This is a book uniquely written to bring the readers mentally closer to some information and experiences that may seem unrealistic but true inconceivable or trivia but factual The book reveals the tireless and unwavering efforts made by two friends bound together in one faith and purpose with a desire to change the mindset of youths who were actively involved in a civil war It discusses how these two friends nonviolently challenged the culture tradition and societal elites of a small town by engaging the youth and elders through the Trinity Plan and helped transform a struggling church threatened by dogmas and traditional practices

**Hidden Gospels** Philip Jenkins, 2002-12-05 This incisive critique thoroughly and convincingly debunks the claims that recently discovered texts such as the Gospel of Thomas the Gospel of Mary and even the Dead Sea Scrolls undermine the historical validity of the New Testament Jenkins places the recent controversies surrounding the hidden gospels in a broad historical context and argues that far from being revolutionary such attempts to find an alternative Christianity date back at least to the Enlightenment By employing the appropriate scholarly and historical methodologies he demonstrates that the texts purported to represent pristine Christianity were in fact composed long after the canonical gospels found in the Bible Produced by obscure heretical movements these texts have attracted much media attention chiefly because they seem to support radical feminist and post modern positions in the modern church Indeed Jenkins shows how best selling books on the hidden gospels have been taken up by an uncritical drama hungry media as the basis for a social movement that could have

powerful effects on the faith and practice of contemporary Christianity      **Transforming Self and Community** Len Sperry, 2002 Offers a holistic approach to spiritual direction and pastoral counseling      **Integral Life Practice** Ken Wilber, Terry Patten, Adam Leonard, Marco Morelli, 2008-09-09 How to put Ken Wilber's Integral Theory which synthesizes the teachings of the world's great wisdom traditions into practice in all aspects of everyday life so you can reach your full human potential A masterpiece guide of grounded intelligent self transforming wisdom integrating the insights of all the great traditions of truth Caroline Myss author of Anatomy of the Spirit Over the last thirty five years Ken Wilber has developed an Integral theory of everything that makes sense of how all the world's knowledge systems East and West ancient modern and postmodern fit together and can elevate our awareness Drawing on science psychology human development spirituality religion and dozens of other fields Integral Theory is a revolutionary framework for understanding ourselves and the world we live in Now there is a way to not just think Integrally but to embody an Integral worldview in your everyday life Integral Life Practice is not just a new approach to self development and higher awareness but a way of making sense of and making best use of the existing treasure trove of insights methods and practices for cultivating a more enlightened life It offers a uniquely adaptive approach to awakened living that's suitable for everyone people with busy careers and families college students retirees even hardcore athletes and yogis It's geared for devout and irreverent people of any religion or no religion This highly flexible system will help you develop your physical health spiritual awareness emotional balance mental clarity relational joy and energy level within a framework that integrates all aspects of your life Combining original exercises vivid examples cutting edge theory and illustrative graphics Integral Life Practice is the ultimate handbook for realizing freedom and fullness in the 21st century      **Who Is My God? *The New American Spirituality* Elizabeth Lesser, 1999 Elizabeth Lesser offers up a rich cornucopia of lessons for the soul in The New American Spirituality a warm and fascinating account of a modern pilgrimage Daniel Goleman Ph D author of Emotional Intelligence In the crowded field of books dealing with spirituality psychology and religion what has been missing is a comprehensive authoritative guide to the many choices facing spiritual seekers today The New American Spirituality fills that need This encouraging empowering user s manual for the soul teaches you how to chart a unique and personal path through the diverse landscapes of the American spiritual quest In 1977 Lesser cofounded the Omega Institute now America s largest adult education center focusing on wellness and spirituality Working with many of the eminent thinkers and practitioners of our times in the fields of religion psychology mysticism science and healing Lesser found that the hunger for

a spiritual life can be satisfied by a rich blend of the world's wisdom traditions In *The New American Spirituality* she synthesizes the lessons she has learned from different belief systems and intertwines them with illuminating stories from her life as a seeker teacher daughter wife and mother She answers pertinent questions how do you determine what is right for you from the many strains of the modern spiritual search how do you assess a teacher or practice how can you gauge your progress while warning of the tendency to miss out on real growth by merely dabbling in the latest fads Recounting her own trials and errors and offering meditative exercises as well as references to some of the world's great spiritual teachers Lesser provides directions through the four landscapes of the spiritual journey the mind developing awareness learning meditation easing stress and anxiety the heart finding what one really loves dealing with grief and loss becoming fully alive the body returning the body to the spiritual fold healing coping with aging and the fear of death the soul naming God for ourselves exploring other realms of consciousness trusting the mysterious nature of the universe developing compassion and forgiveness Warm accessible and wise *The New American Spirituality* is a cross disciplinary sourcebook for the millions of Americans who whether or not they participate in an organized religion wish to incorporate a more meaningful joyful and individualized spirituality into their daily lives     *Adventures in Spirituality* Robert P. Vande Kappelle, 2020-02-17 Contrary to popular culture the goal of life is not happiness but meaning Those who seek happiness by trying to avoid or finesse conflict suffering doubt and change will find life increasingly superficial Feeling good is a flawed measure of life but living meaningfully is transformative for then one is living a developmental rather than a regressive agenda The ego does whatever it can to make itself comfortable whereas spirituality is about wholeness *Adventures in Spirituality* represents the culmination of Dr Vande Kappelle's forty year teaching career incorporating in one volume his views on topics as varied as theology Christology biblical interpretation spirituality ethics world religions religion and science faith and reason and church history Reared in Costa Rica the son of missionary parents Dr Vande Kappelle describes his journey from belief to faith as a transition from precritical to postcritical understanding from evangelical Christianity to what he calls alternative orthodoxy Narrating the shift from first to second half of life experience he introduces readers to core principles that shaped his values thinking and way of life Useful for individual or group study *Adventures in Spirituality* encourages readers to take risks with their lives and faith affirming that this is how one grows spiritually     ***Broken Open*** Elizabeth Lesser, 2010-01-26 And the time came when the risk to remain tight in a bud was more painful than the risk it took to blossom Ana's Nin Elizabeth Lesser shows how it is possible to deal with fearful change or a painful loss and be reborn like the Phoenix to a more vibrant and enlightened self In *Broken Open* she shares penetrating tales from her own life the lives of those she has taught and counselled and the lives of friends and family tales that explore the big challenges of death illness and divorce as well as the daily roller coaster rides of relationships parenting and work Woven into these stories are quotations from great poets and philosophers And following them is a toolbox of valuable aids including meditation psychological enquiry and

spiritual practice The result is a book that runs the gamut of the human experience and in a style that is genuine funny often heartbreaking but always inspiring she shows us how we too can allow the pain of adversity to break us open instead of breaking us down making us bitter or closing our hearts *Living Graciously on Planet Earth* Robert P. Vande Kappelle, 2016-05-18 Humans are happiest when they live virtuously Building on the premise that the purpose of life is happiness conducive to the equitable flourishing of all humanity *Living Graciously on Planet Earth* argues that the appropriate way to regard our abilities and moral opportunities is as gifts for the common good to be used for the glory of God guided by the biblical principles of stewardship and community Utilizing a biblical approach and a Trinitarian perspective while maintaining an appreciative eye to the contributions of the world's living religions Dr Vande Kappelle argues for a hierarchy of values necessary for gracious living in the twenty first century Ancient wisdom claims there are seven primary virtues four natural prudence justice fortitude and temperance and three supernatural faith hope and love As the natural virtues help us grow morally the supernatural virtues are designed for transformation Using insights from the Enneagram as well as from diverse scholars such as Karen Armstrong Marcus Borg James Fowler Matthew Fox C S Lewis Robin W Lovin and Huston Smith *Living Graciously* examines the seven virtues in biblical social and cosmic context This book's uplifting message delivers the perfect antidote to the current social malaise characterized by arrogance suspicion negligence and consumption In addition this book addresses difficult questions such as Do we live in a moral universe Is there a benevolent deity watching over us Is there a purpose to life on earth and Is there a summum bonum a greatest good The answers in this insightful presentation will challenge your thinking and energize your living Useful for individual or group use each chapter contains aids to learning including a a thesis statement indicating the central idea of the chapter b a list of key biblical passages c a chapter summary and d questions for discussion and reflection **Beyond the Indigo Children** P. M. H. Atwater, 2005-09-29 Connects the arrival of a new type of children with the fulfillment of the Fifth World of the Mayan Calendar and other great prophecies Provides detailed information about the world changes that will take place before and after December 21 2012 Explores the seven root races representing the genetic gene pool of the human family and the phenomenon of soaring intelligence Explains the grand sweep of human evolution and the worldwide ascension of energy now occurring which will take humanity to the next level of development According to prophecy the fifth sun or fifth world of the Mayan calendar moves into a higher octave of vibration or ascension on December 21 2012 This date represents a gateway of planetary development that will open humanity to new ways of living and new worlds of opportunity Ancient traditions have foretold that our successful passage through this gateway depends on the fifth root race new stock in the human gene pool destined to help us through the exciting and massive changes ahead In *Beyond the Indigo Children* P M H Atwater illuminates the characteristics of the fifth root race the capstone being the extraordinary new children those brilliant and irreverent kids born since 1982 She explores the relationship of the new children to the prophecies in the Mayan

calendar and other traditions providing extensive background information about the seven root races the sixth and seventh of which haven't yet appeared and the great shifting of consciousness already underway She reveals the connection of the seven root races to the seven chakras and how the fifth chakra the chakra of willpower will be opened for humankind as the new children grow to maturity She also discusses the phenomenon of soaring intelligence and undeveloped potential and provides concrete guidance and tools for those who seek to understand and help the new children achieve their full potential Beyond the Indigo Children is the first major study of today's children and their place in our rapidly changing world that combines objective research with mystical revelation and prophecy      *Recovery—The Sacred Art* Rabbi Rami

**Challenges of Pastoral Leadership** Ronald Rojas,John Alvarez,2012-08-07 Its too easy to learn and apply business

leadership models to the pastoral sector But is it the best alternative to form Church leaders What are we missing when we use business models in ministry This book is about creating more sensitivity on how some of these secularly learned models can inadvertently limit pastoral effectiveness and suggests an hourglass approach to leadership capable of fostering a set of principles more harmonious with ministry intent In many ways this book is a guide for cultivating and developing a more authentic sense of leadership in ministry one that emerges from within the scholarly sources of the leadership field but at the same time is rooted in the principle leadership is a spiritual practice This book is a must have for clergy religious women and men and anyone engaged with forming ministry leaders or performing leadership roles in diocesan parish life or Church ministry

**Self-Help Books** Sandra K. Dolby, 2010-10-01 Understanding instead of lamenting the popularity of self help books Based on a reading of more than three hundred self help books Sandra K Dolby examines this remarkably popular genre to define self help in a way that's compelling to academics and lay readers alike Self Help Books also offers an interpretation of why these books are so popular arguing that they continue the well established American penchant for self education they articulate problems of daily life and their supposed solutions and that they present their content in a form and style that is accessible rather than arcane Using tools associated with folklore studies Dolby then examines how the genre makes use of stories aphorisms and a worldview that is at once traditional and contemporary The overarching premise of the study is that self help books much like fairy tales take traditional materials especially stories and ideas and recast them into extended essays that people happily read think about try to apply and then set aside when a new embodiment of the genre comes along
