The Sexy Vegan Cookbook Brian L. Patton, 2012-03-07 Are you craving a way to eat killer food without killing yourself animals or the planet Is your brain bloated from watching cooking shows that present recipes you re never ever going to make Have you been searching for a way to prove to your friends that vegan food can be just as delicious hearty and satisfying as the meaty meals they re accustomed to Then this is the book for you Of his journey from watching food porn on his parents couch to cooking in Hollywood kitchens to becoming vegan author Brian Patton writes My roommate said he didn t know what made me a bigger loser that I was painstakingly preserving episodes of 30 Minute Meals or that I was trying to conceal their existence by labeling them Star Trek Once I discovered that I could not only survive but thrive without taking the life of another being I was sold I was a vegan For good And that s how an ordinary dude became the Sexy Vegan and started creating extraordinary food with a decidedly real meal appeal On every page Brian proves that seriously good food needn t be too serious

New American Vegan Vincent J. Guihan, 2011-09-06 All across North America people are looking to make better choices but also eat healthier more environmentally friendly and most of all great tasting food *New American Vegan* breaks from a steady stream of cookbooks inspired by fusion and California cuisines that put catchy titles and esoteric ingredients first in their efforts to cater to a cosmopolitan taste Instead Vincent goes back to his midwestern roots to play a humble but important role in the reinvention of American cuisine while bringing the table back to the center of American life Weaving together small town values personal stories and 120 great recipes *New American Vegan* delivers authentically American food that simply has to be tasted to be believed Recipes range from very basic to the modestly complicated but always with an eye on creating something that is both beautiful and delicious while keeping it simple Clear instructions provide step by steps but also help new cooks find their feet in the kitchen with a whole chapter devoted just to terms tools and techniques With an eye towards improvisation the book provides a detailed basic recipe that s good as is but also provides additional notes that explain how to take each recipe further increase flavor add drama to the presentation or add a little extra flourish for new cooks and seasoned kitchen veterans alike
