Digitalisation of Global Business Services Albert Plugge,Shahrokh Nikou,2024-02-26 The concept of Global Business Services GBS is well recognised and researched by both scholars and practitioners However the complexity of applying GBS has been the subject of various critiques due to its effect on firms business processes service portfolio and provisioning of in house as well as outsourced services Although GBS results have been much criticised this book argues that the rise of digitalisation reopens the question of implementing GBS successfully The findings of this novel research which is based on a multi method approach provide insights in relevant GBS factors and how these factors affect a GBS implementation strategy Further analysis show how digitalisation including platforms and AI enable GBS organisations to decrease implementation issues Research outcomes illustrate that firms which apply an enterprise ecosystem approach are better able to exchange GBS information The willingness and ability of firms to intensify the collaboration at managerial and subject matter level will help to overcome GBS implementation challenges This book puts forward the case that the rise of digitalisation enables GBS organisations to provide benefits and ensure that the GBS business model still matters It will be of great interest to scholars and students of digital business and innovation **Catalog of Copyright Entries. Third Series** Library of Congress.

Schlegelmilch,András Bauer,Josep Franch,Jan Niklas Meise,2012-03-09 This case book offers a non traditional issue centered perspective to European marketing Focusing on some of the key challenges faced by managers charged with developing pan European marketing strategies marketing problems are placed into the context of these challenges and capture the multiple facets and implications for European marketing in an integrative manner *Export and Import Price Index Manual: Theory and*

*Practice* OECD,International Labour Office,International Monetary Fund,Statistical Office of the European Communities,United Nations,The World Bank,2010-04-06 A joint production by six international organizations this manual explores the conceptual and theoretical issues that national statistical offices should consider in the daily compilation of export and import price indices Intended for use by both *The Journal of Finance* ,1980 Publishes across all the major

fields of financial research The most widely cited academic journal on finance and one of the most widely cited journals in economics as well **The European Union, Emerging Global Business and Human Rights** Aleydis Nissen,2022-11-17 Emerging and developing states are home to powerful corporations capable of deploying economic activities on a global scale through the rapid pace of technological change and globalisation But such corporations have to date been largely overlooked

in the field of business and human rights Treatment of such corporations has typically been in the context of supply chain studies as subsidiaries of corporations from economically developed Western states This book takes a radically different approach It aims to investigate the conditions under which the European Union and its Member States regulate and remedy human rights violations by corporations from emerging and developing states Stemming from the hypothesis that the EU intends to play a central role Aleydis Nissen explores how the EU and its Member States attempt to ensure that EU based businesses are not undercut by emerging competition drawing on global examples to illustrate this developing phenomenon
