Prayers For Bobby:

Prayers for Bobby Leroy Aarons, 2009-08-25 Bobby Griffith was an all American boy and he was gay Faced with an irresolvable conflict for both his family and his religion taught him that being gay was wrong Bobby chose to take his own life Prayers for Bobby nominated for a 1996 Lambda Literary Award is the story of the emotional journey that led Bobby to this tragic conclusion But it is also the story of Bobby s mother a fearful churchgoer who first prayed that her son would be healed then anguished over his suicide and ultimately transformed herself into a national crusader for gay and lesbian youth As told through Bobby s poignant journal entries and his mother s reminiscences Prayers for Bobby is at once a moving personal story a true profile in courage and a call to arms to parents everywhere **Prayers for Bobby** James Martin, 2020

[videorecording]. , On Green Diamonds Tom Tatum, 2014-04-29 Life is about experiencing the thrill of victories and the agony of defeats which is something Gabe Fireball Nelson understood well A professional baseball pitcher coach in Atlanta for twenty three years he grew weary of being in the spotlight and facing constant media attention Gabe retired from baseball and sought a life of anonymity He wanted to live in an area where he wouldn t be easily recognized and the little town of Jackson South Carolina appeared to be the perfect choice While Gabe and his wife were adjusting to their new life Tyler Watkins was facing hurdles of his own At age six Tyler s father passed away and he withdrew into a shell Two years

later things hadn't improved and his mother was concerned about his emotional development. She decided to move to Jackson and hoped the change would help end Tyler's grieving. After meeting Tyler, Gabe felt he possessed something that might help his young friend: a passion for baseball. While mentoring Tyler in baseball and life, Gabe realized he had been missing something he loved dearly: interacting with the fans. What follows is a heartwarming story about a growing relationship as Gabe's passion becomes Tyler's, and a dream of playing on green diamonds is born. This enlightening sports story is appropriate for all ages and genders.

Humanity and Human Sexuality: The Origin and Nature of Sexual Preference Kevin Franklin, 2024-03-28 In *Humanity and Human Sexuality: The Origin and Nature of Sexual Preference*, Dr. Kevin Franklin embarks on an extraordinary exploration of the human being of mind and their potential. Delving deep into themes of confusion and disorder, he unveils how a trickster mind can hinder an individual's true potential for life and freedom. Drawing from his own profound experiences of childhood psychosis, which once seemed to destine him for a life overshadowed by schizophrenia and the threat of early suicide, Dr. Franklin defies expectations. This book ventures beyond traditional boundaries to examine the metaphysical aspects of psychological order, offering a unique perspective on the often misunderstood concepts of societal and psychological disorders. Dr. Franklin's insights extend into a scientific demonstration of the innate origins and nature of both heterosexual and homosexual preferences. *Humanity and Human Sexuality: The Origin and Nature of Sexual Preference* illuminates various fields: Philosophy, Religion, History, Science, Society, and Psychology, offering a revolutionary viewpoint on these disciplines. It challenges long-held beliefs and misconceptions, particularly in the realms of sexual identity, the gender and transgender discussion, and the complex relationship between religion and science. Structured in two parts, the book first deconstructs the mythology of sexual identity before reconstructing a comprehensive understanding of human sexuality. It seeks to resolve some of humanity's most pressing issues: the lack of human compassion, the intricacies of gender identity, and the historical tensions between religious beliefs and scientific understanding. This book is an essential read for anyone seeking a deeper understanding of the origins and nature of sexual preference and identity, and the broader implications for society.
