Belete,Warren A. Shipton,2011-09-19 One of the most fascinating periods of history must certainly be around the time of Daniel the prophets time sixth and fifth centuries B C It was then that many of the philosophies that were to exert a telling influence on Western thought and Christianity arose This is the period when Buddha Confucius Lao Tzu Zoroaster and Pythagoras developed their ideas In this book we consider the coded messages written by Daniel and later by the apostle John preserved in the Bible History offers outstanding confirmation of the accuracy of their predictions We indicate how past and developing world events fit into the fabric of prophecy **Stakeholders** Andrew L. Friedman,Samantha Miles,2006-04-13 The research on social discourse in societies firms and organizations written by researchers working in fields such as Management Corporate Governance Accounting and Finance Strategy Sociology and Politics often make reference to the term stakeholder Yet the concept of the stakeholder is unclear and research around it often muddled This book provides an analysis classification and critique of the various strands of theory about stakeholders The authors place these theories both in the context of their philosophical underpinnings and their practical and policy implications Practical examples based on new data are used to examine a diverse range of stakeholders and the relationships stakeholders have with their organizations This is the first book on stakeholder theory to propose a critical analysis both at the macro and micro level that is framed and guided by theory Written to provide both order and clarity to research into the concept of the stakeholder the book is also written as an introduction for students It includes chapter introductions useful tables and figures short vignettes on key concepts and issues and discussion questions *India-Korea Connections in the Indo-Pacific* Jagannath Panda,Choong Yong Ahn,2025-02-18 India Korea Connections in the Indo Pacific presents multidimensional aspects of the Special Strategic Relationship between the Republic of Korea ROK and India ranging from security diplomacy trade and FDI and people to people exchanges It analyses the India Korea partnership and its strategic implications and potential in the Indo Pacific Bringing together experts from both India and the ROK this book situates the partnership in the context of the current

geopolitical landscape in the Indo Pacific particularly the increasingly intensifying US China rivalry and the post pandemic and geo economic fragmentation caused by the Russian invasion of Ukraine In this context the chapters explore how the ROK and India as middle powers can strengthen the bilateral relationship between India and ROK and then work together within a host of existing minilateral and multilateral architectures in the Indo Pacific for a rule based international order embracing security and diplomacy supply chain resilience and cross border FDI and trade cooperation as evident in Quad IPEF RCEP CPTPP DEPA This book is a unique collaboration between experts across various domains from both countries and it presents a new take on the India ROK bilateral relationship as a middle power axis in the Indo Pacific Presenting action oriented policy recommendations for ROK and India to pursue an upgradation of the existing ROK India Special Strategic Partnership this book will be of interest to researchers in the fields of Asian Indo Pacific studies international relations and political science looking to understand the India Korea partnership and its strategic implications and potential in the Indo Pacific and policy analysts and professionals working in think tanks and research institutions focused on foreign and security dynamics in the Indo Pacific
