Department of State News Letter United States. Department of State, 1967 **The Story of America : Beginnings to 1877: Volume 1** John Arthur Garraty, 1992 The Story of America tells our story because it is important in itself It is a great epic and the unique tale of how hundreds of millions of people took possession of a vast continent often at the expense of the original inhabitants The Story of America contains many original documents and lengthy excerpts from primary and secondary sources These include eyewitness accounts poems song lyrics diary entries and excerpts from a variety of other sources *History and Economic Life* Georg Christ, Philipp R. Rössner, 2020-02-27 History and Economic Life offers students

a wide ranging introduction to both quantitative and qualitative approaches to interpreting economic history sources from the Middle Ages to the Twentieth Century Having identified an ever widening gap between the use of qualitative sources by cultural historians and quantitative sources by economic historians the book aims to bridge the divide by making economic history sources more accessible to students and the wider public and highlighting the need for a complementary rather than exclusive approach Divided into two parts the book begins by equipping students with a toolbox to approach economic history sources considering the range of sources that might be of use and introducing different ways of approaching them The second part consists of case studies that examine how economic historians use such sources helping readers to gain a sense of context and understanding of how these sources can be used The book thereby sheds light on important debates both within and beyond the field and highlights the benefits gained when combining qualitative and quantitative approaches to source analysis Introducing sources often avoided in culturally minded history or statistically minded economic history courses respectively and advocating a combined quantitative and qualitative approach it is an essential resource for students undertaking source analysis within the field
