Magruder's American Government Guided Reading and Review Workbook Student Edition 2003c William A. McClenaghan, 2002-05-15 High School Hailed as a stellar educational resource for nearly a century Magruder's American Government is updated annually to meet the changing needs of today's high school students and teachers The program's engaging narrative is enhanced with numerous primary sources political cartoons charts graphs and photos making the structure and principals of government accessible and motivating to students of all abilities **Congressional Record** United States. Congress, 1995 *UN Convention against Transnational Organized Crime* Andreas Schloenhardt, Francesco Calderoni, Joseph Lelliott, Bettina Weißer, 2023-06-14 This book offers a comprehensive article by article legal commentary on the United Nations Convention Against Transnational Organized Crime and its Protocols on trafficking in persons smuggling of migrants and trafficking in firearms and ammunition The Convention often referred to by the acronym UNTOC was approved by the UN General Assembly on 15 November 2000 and made available for governments to sign at a high level conference in Palermo the heartland of the Italian Mafia on 12-15 December 2000 For this reason UNTOC is sometimes also referred to as the Palermo Convention The Convention entered into force on 29 September 2003 The purpose of UNTOC is to promote cooperation to prevent and combat transnational organized crime more effectively UNTOC seeks to promote consistency among national legal systems and set standards for domestic laws so that States parties can effectively combat transnational organized crime UNTOC is supplemented by three protocols the Protocol against the Smuggling of Migrants by Land Air and Sea the Protocol to Prevent Suppress and Punish Trafficking in Persons especially Women and Children and the Protocol against the Illicit Manufacturing of and Trafficking in Firearms their Parts and Components and Ammunition Article by article this book presents the text of each provision of the Convention and the Protocols followed by a systematic analysis of their background and negotiating history their interpretation by the Conference of the Parties and its working groups in judicial decisions by domestic and international courts in the academic literature and in official material published by international organisations chief among them the United Nations Office on Drugs and Crime UNODC the guardian of UNTOC and the Protocols The authors offer critical scholarly commentary The book serves as a compendium for those using researching or studying provisions under UNTOC and the Protocols and as a handbook for those charged with implementing and enforcing them The Portfolio Organizer Carol Rolheiser, Barbara Bower, 2000-06-15 The Portfolio Organizer stands out as a superb contribution to the vital field of accountability for learning This book is distinguished by the presence and integration of a conceptual framework and a superb array of practical examples Nearly every key issue is anticipated and addressed in this accessible and clear treatment of a complex topic The reason that this book is so good is that the authors have been immersed in pioneering work on portfolios for a decade They have developed their ideas through work with their own students and through a wide range of research and evaluation projects including new initiatives involving elementary

and secondary school students initial preparation of teachers and continuous professional development of teachers and administrators They have learned by grappling with the complex issues of introducing evaluation that simultaneously serves improvement and accountability goals The result is a great practical book that can help educators develop their understanding and use of portfolios as a route to reform This book provides educators with a flexible framework to guide decision making for effective and efficient use of portfolios in classrooms and schools It is designed to assist classroom teachers administrators staff developers and university professors in identifying organizing and acting upon the many challenges and possibilities inherent in portfolio implementation Specifically The Portfolio Organizer targets the major categories of decision making and assists teachers in making decisions about effective portfolio implementation in classrooms In addition the book addresses professional portfolios and can be used by educators to develop and maintain their own portfolios Note This product listing is for the Adobe Acrobat PDF version of the book

The Performance of Law Randy Gordon, 2022-08-19 This book considers how law is always enacted or performed in ways that can be analyzed in relation to fiction theatre and other dramatic forms Of necessity lawyers and judges need to devise techniques to make rules respond situationally The performance of law supplements or it extends the reach of the law as written And in this respect the act of lawyering is in many ways an instantiation of acts often associated with for example literature and the plastic and performing arts Combining legal theory and legal practice this book maintains that the modes of enquiry found in and applied to novels paintings and plays can help us understand how things like legal arguments and trials work or don t As such and through the

examination of a wide range of both historical and fictional legal cases the book pursues an interdisciplinary analysis of how law is performed and moreover how legal performances can be accomplished ethically This book will appeal to scholars and students in sociolegal studies legal theory and jurisprudence as well as those teaching and training in legal practice
