George Colby Hoffman, 2013-06 My story begins in my home state of Maryland where I was the youngest of three children From my earliest memories I was the victim of severe abuse at the hands of my birth father which I endured throughout my adolescent years During this time I was visited by two angels who have accompanied me my entire life They told me that I would suffer many things and be hated by all men but if I kept my faith in God I would have a special place in heaven Once my mother left my birth father she moved us to her mother's house in Washington D C Then my mother married my second father who was from Germany We moved back to Maryland but he had a serious drinking problem and he committed suicide

She then married our third father and we moved to Florida where he too became abusive When our grandmother died we moved back to Maryland My third stepfather continually beat me It became so bad I had to live in the woods in the winter and eat out of trash cans After I got a job my mother took most of my paycheck for her husband s drinking and gambling money This story of extreme child abuse promises to take you on a journey through the eyes of a child as the victim to the young adult as the survivor My sole purpose and motivation is to help child abuse victims and help those more fortunate to understand the victims First time author George Colby Hoffman now lives in Florida His next book is titled From Exercise to Competitive Bodybuilding for the over 50 Publisher s website <http://sbpra.com> GeorgeColbyHoffman **The British Drama**,1832 **Rope of Sand** C F Dunn,2014-04-18 An addictive mix of suspense romance and the supernatural Janey Fraser Guilty A triumph of storytelling Eric Delve To Boldly Go In the third installment of The Secret of the Journal series Christmas approaches and the relationship between British historian Emma D Eresby and American surgeon Matthew Lynes deepens as she readies herself to meet his family in rural Maine But tensions are simmering beneath the surface What does sinister Maggie have against her and what might she be prepared to do to keep Matthew and Emma apart Emma has discovered Matthew s origins but that is only the beginning in order to prepare for the future she must also understand his past **THE SKY IS FULL OF RINGSIDE SEATS** Peter Hewes,2007-11-20 this book of poetry is about life on earth how it got here what it s like and stuff like that it s not for everybody judging from my sales it might not be for anybody **Cumberland's British Theatre** George Daniel,John Cumberland,1828 **Cumberland's British Theatre**,1828 *The British drama* British drama,1804 **Gods no More Book Two** Odette C.
