The Self as Other in Minority American Life Writing Nelly Mok, Claudine Raynaud, 2019-03-22 Hinting at Rimbaud's provocative dictum that I is an other this anthology discusses a wide ranging array of twentieth century and contemporary minority American modes of life writing prompted by the following questions Who else hides behind this I that the author narrator character contractually claims to be What generic aesthetic political and socio cultural issues are at stake in a conception of the self as other The essays analyze autobiographical works from major Native American writers John Milton Oskison and Louise Erdrich an African American music hall artist Josephine Baker and writers John Edgar Wideman and Ta Nehisi Coates Caribbean American writers Jamaica Kincaid and Edwidge Danticat and Asian American writers Ruth Ozeki Cathy Park Hong Theresa Hak Kyung Cha and Loung Ung They shed light on autobiography as a collaborative writing and reading practice rather than as a self oriented genre probing the relational dimension of life writing Building on the feminist theorization of relationality and the political and aesthetic power of relational bonds they put forward the necessarily intersubjective dynamics of minority American self conceptions which originate in the writers experiences of otherness The articles highlight that the relational ethnic self characteristically inhabits the liminal spaces where modes of life writing overlap and can thrive in dialogical intertextual readings They foreground the subversive cathartic and memorializing potential of minority American modes of other writing whose ontological dimension is manifest in the writers quest for a sense of repossession and agency beyond communal boundaries Contributing to the up to date critical discussion on relationality not as a genre but rather as a reading and a storytelling practice they examine the ways it participates in a global transcultural approach to ethno racial issues in the United States

Narrative Chance Gerald Robert Vizenor, 1993 Hovedsageligt om de moderne amerikanske indianske forfattere N Scott Momaday Leslie Marmon Silko D Arcy McNickle Louise Erdrich og Gerald Vizenor

Leslie Marmon Silko's Storyteller Catherine Rainwater, 2016-09-15 As American Indian writers frequently remind their readers storytellers wield formidable power to affect the earth and its inhabitants This power is the same medicine power that inheres in tribal expression such as chants prayers and ceremonial rituals Leslie Marmon Silko critics point out modifies literary genres to create the most effective medicine power When Silko's Storyteller first appeared in 1981 critics were

baffled by this complex text Today it is a canonical work in the study of American Indian literature The essays collected in this book addressing both the original edition of *Storyteller* and the 2012 revision use the growth in understanding of Native American literature in general and of Silko's work in particular to unpack this fascinating work and its critical reception over the years
