**hooks' Spiritual Vision** Nadra Nittle, 2023-11-07 When Black feminist and scholar bell hooks died in 2021 she was widely remembered for writing more than three dozen books across genres including memoir, poetry, theory and criticism. However, it was her book *Ain't I a Woman* in which hooks examines how Black American women have historically faced gender, class and racial oppression that catapulted her to prominence as a leading feminist thinker. Nadra Nittle makes it clear that hooks identified not only as a feminist but also as a Buddhist Christian. In *bell hooks' Spiritual Vision*, Nittle recounts how hooks kept her spiritual practice private for years, fearing there was no room to discuss her faith in the feminist movement or in the academy. Ultimately, hooks decided to talk and write about her faith to give hope to students curious about her source of strength in a society she deemed an imperialist, white supremacist, capitalist patriarchy. Nittle traces the influences of the Rev. Martin Luther King Jr. and Buddhist monk Thich Nhat Hanh as hooks developed a spiritual practice centered on love as a force for social change. Although hooks opened up about her spiritual philosophy in the last decades of her life, Nittle argues that hooks's contributions to religious discourse are largely unheralded. *bell hooks' Spiritual Vision* reflects her identity as a feminist and a believer who knit together her political and spiritual practices. This book offers readers a window into spirituality's role in hooks' writing on her life, love, feminism and society. It speaks both to hooks's longtime followers and to newcomers to her writing. Regardless of their starting points, readers will get to know bell hooks for all she was: Buddhist, Christian and feminist. **Vision** Jacque Stoddard, 2005-08 Clairvoyant Helen Staples has helped out the police before. When she received visions of a kidnapped boy, she worked intimately with the authorities to help find him. But months after locating the kidnapped child, other more gruesome images of murder suddenly appear. A serial killer is on the loose and Helen knows

she must do everything she can to stop him Detective Martin Hamlin is thrilled when Helen returns to the police station and offers her services as a profiler Frustrated by his inability to catch the killer Martin is desperate for Helen s help But the passionate kiss they shared months ago still hovers at the edge of his mind When Martin moves into Helen s house to protect her neither can deny the intensity of their feelings The situation becomes dire when the killer discovers that Helen is helping the police Now Helen is a target and Martin must protect her at all costs Can they catch the killer before he strikes again or will Helen be his next victim

**Night Vision** Mariana Alessandri,2024-07-30 A philosopher s personal meditation on how painful emotions can reveal truths about what it means to be truly human Under the light of ancient Western philosophies our darker moods like grief anguish and depression can seem irrational When viewed through the lens of modern psychology they can even look like mental disorders The self help industry determined to sell us the promise of a brighter future can sometimes leave us feeling ashamed that we are not more grateful happy or optimistic Night Vision invites us to consider a different approach to life one in which we stop feeling bad about feeling bad In this powerful and disarmingly intimate book Existentialist philosopher Mariana Alessandri draws on the stories of a diverse group of nineteenth and twentieth century philosophers and writers to help us see that our suffering is a sign not that we are broken but that we are tender perceptive and intelligent Thinkers such as Audre Lorde Mar a Lugones Miguel de Unamuno C S Lewis Gloria Anzald a and S ren Kierkegaard sat in their anger sadness and anxiety until their eyes adjusted to the dark Alessandri explains how readers can cultivate night vision and discover new sides to their painful moods such as wit and humor closeness and warmth and connection and clarity Night Vision shows how when we learn to embrace the dark we begin to see these moods and ourselves as honorable dignified and unmistakably human

Vision, Rhetoric, and Social Action in the Composition Classroom Kristie S. Fleckenstein,2009-11-16 In this innovative volume Kristie S Fleckenstein explores how the intersection of vision rhetoric and writing pedagogy in the classroom can help students become compassionate citizens who participate in the world as they become more critically aware of the world Fleckenstein argues that all social action behavior designed to increase human dignity value and quality of life depends on a person s repertoire of visual and rhetorical habits To develop this repertoire in students the author advocates the incorporation of visual habits or ways of seeing into a language based pedagogical approach in the writing classroom According to Fleckenstein interweaving the visual and rhetorical in composition pedagogy enables students to more readily perceive the need for change while arming them with the abilities and desire to enact it The author addresses social action from the perspective of three visual habits spectacle which fosters disengagement animation or fusing body with meaning and antinomy which invites the invention of new realities Fleckenstein then examines the ways in which particular visual habits interact with rhetorical habits and with classroom methods resulting in the emergence of various forms of social action To enhance the understanding of the concepts she discusses the author represents the intertwining relationships of vision rhetoric and writing pedagogy graphically as what

she calls symbiotic knots In tracing the modes of social action privileged by a visual habit and a teacher s pedagogical choices Fleckenstein attends particularly to the experiences of students who have been traditionally barred from participation in the public sphere because of gender race or class The book culminates in a call for visually and rhetorically robust writing pedagogies In *Vision Rhetoric and Social Action in the Composition Classroom* Fleckenstein combines classic methods of rhetorical teaching with fresh perspectives to provide a unique guide for initiating important improvements in teaching social action The result is a remarkable volume that empowers teachers to best inspire students to take part in their world at that most crucial moment when they are discovering it
