Cambridge Astronomy Guide William Liller,Ben Mayer,1990-08-23 The Cambridge Astronomy Guide is intended for lovers of astronomy who wish to do more than just look at the night sky or marvel at glossy pictures of it It tells you how to get outside and actually practise astronomy even if you own nothing more than a simple camera Astronomy more than any other science offers amateurs the opportunity to make meaningful and lasting contributions to the field This Guide explains in simple non mathematical terms how you can take stunning star photographs and then put them to use making valuable contributions to the science of astronomy Ben Mayer s odd numbered chapters provide a fascinating account told with much humour of how one raw amateur got started and quickly progressed to become one of the world s best known and in many ways most successful amateur astronomers Bill Liller s even numbered chapters provide a more extensive commentary on much of what Ben writes plus some additional material which gives the professional point of view

The Right Sensory Mix Diana Derval,2022-04-08 Many companies fail to acknowledge and analyze disparities observed among customers and simply put them down to culture or emotion New neuroendocrinological research proves that people are rational They just have a different biological perception of the same stimulus Their

preferences behavior and decisions are strongly influenced by the hundreds of millions of sensors monitoring their body and brain People with more taste buds are for example sensitive to bitterness and are more likely to drink their coffee with sugar or milk or to drink tea This book helps product managers marketers and corporate decision makers understand and predict customers behavior and preferences It provides the tools to design the right sensory mix color shape depth taste smell texture and sound for each product and fine tune their positioning and range for every local market Using cases from different sectors the author shows that this approach delivers planet and people friendly innovations which have a higher chance of success in the market InfoWorld ,1989-03-06 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects *Van Nostrand Reinhold Manual of Professional Photography* Philip Gotlop,1974 Real Estate Field Manual Barbara Nash-Price,2001
