Wartime Entertainment Anton Rippon, Nicola Rippon, 2025-03-31 It might have ended 80 years ago but we still have a warm nostalgic relationship with the Second World War due in no small part to the love we have for the entertainment from those turbulent times Singers like Vera Lynn the Forces Sweetheart Gracie Fields Anne Shelton and the Andrews Sisters bandleader Glenn Miller whose fate is still a mystery films like *Gone With The Wind* *Casablanca* *Mrs Miniver* *In Which We Serve* *Goodbye Mr Chips* and morale boosting radio programs like *ITMA Music While You Work* and *Hi Gang* all helped Britain to stay calm and carry on as it sheltered from the bombs worked long hours in munitions factories and prayed that its menfolk fighting on land sea and in the air to bring about victory would one day return home safely *Wartime Entertainment How Britain Kept Smiling Through the Second World War* relives the wartime years looking at the songs and the singers at the role that the BBC Auntie played not only in entertaining the nation but also in keeping it informed at how West End theater survived the Blitz and at the bands that played both the big dance venues and the village halls to raise spirits and for a few hours at least lighten the mood of those dark and dangerous days The book considers the work of the Crown Film Unit that made short information and documentary films as well as longer drama documentaries and even a few straight drama productions for the public in Britain and abroad and at ENSA the Entertainments National Service Association that provided entertainment for British armed forces personnel both at home and abroad *The New Republic* Herbert David Croly, 1980

Food in the Movies, 2d ed. Steve Zimmerman, 2010-07-28 Although food has been part of motion pictures since the silent era for the most part it has been treated with about as much respect as movie extras it s always been there on the screen but seldom noticed For the most part filmmakers have settled on three basic ways to treat food as a prop in which the food is usually obscured from sight or ignored by the actors as a transition device to compress time and help advance the plot as a symbol or metaphor or in some other meaningful way to make a dramatic point or to reveal an aspect of an actor s character mood or thought process This hugely expanded and revised edition details 400 food scenes in addition to the 400 films reviewed for the first edition and an introduction tracing the technical artistic and cultural forces that contributed to the emergence of food films as a new genre originated by such films as Tampopo Babette s Feast and more recently by films like Mostly Martha No Reservations and Ratatouille A filmography is included as an appendix Betty Crocker's 101 Delicious Bisquick Creations Betty Crocker, 1933 **The Ladies' Home Journal** ,1980-07 *The Country Gentleman* ,1870 **The Cultivator & Country Gentleman** ,1870 Better Homes and Gardens ,1974 **The Washingtonian** ,1984-10 *England and Scotland on Twenty-Five Dollars a Day, 1984-85* Darwin Porter, 1983-12 **Housecraft** ,1981 **Restaurant Business** ,1996-05 **The Spectator** ,1963 A weekly review of politics literature theology and art
