Water's End Ron D. Drain,2000-08-16 An imaginative string of speculative fiction started to unravel with the publication of Water s Way From there it looped and wound its way around and through Chain Speed and Kindred Spirits And now the stage is set for Water s End A fitting conclusion filled with enough unexpected twists turns and fast paced action to keep even the most avid reader of suspense fiction entertained for hours For you see Jack Anderson had never allowed a case any case to totally preoccupy him Even those very few that had managed to avoid the Precinct s Closed Case File over the years had never completely engulfed his life for any significant length of time The Bad Guys would always come and go The city s citizenry would always resume their daily lives once the media headlines softened and died away And Maplewoods and Jack Anderson would always find their own delicate balance between human cruelty and blindfolded justice But there was one One case and one faceless maniac which had stuck to Anderson like glue So tight that it opened the door to Anderson s early retirement So strong its pull that it continued to gnaw at him long after he should have found a way to pry it loose And when Jerry Lee returned the vice like bond of dread and hate pushed Anderson another step closer to the edge Water s End the journey continues
