IT across the police service as a whole is not fit for purpose and the Home Office must make revolutionising police IT a top priority vii the review of pay and conditions is having an inevitable impact on morale in the police service but it is possible to do more to mitigate this viii The Committee commends the work of Jan Berry the former Reducing Bureaucracy in Policing Advocate in emphasising that reducing bureaucracy in the police service is not simply about reducing paperwork but addressing the causes of that paperwork     **Parliamentary Debates** ,1883     *South Africa Survey* ,2008
