and more Fit to Burst will help us to be moms who parent with the story in mind rather than the snapshot who know how to give much and to require much from their children in the everyday mayhem and who understand the importance of biscuits A note from Rachel I don't pull punches or hold back in this book because I am writing to myself as much as to you If something in this book strikes a little close to home for you know that it struck in my home first I am not writing about other people's problems although I know many of them are common I write about what I know and what I know is the challenges the joys and the work involved in raising little people
