DEFENDING THE ALLIANCE The search for two missing lieutenants leads Admiral Geary and the crew of Dauntless on a far flung chase ultimately ending at the one spot in space from which all humans have been banned the moon Europa Any ship that lands there must stay or be destroyed leaving Geary to face the most profound moral dilemma of his life As strains on the Alliance grow Geary is ordered to take a small force to the border of Syndic space But what he finds there is a danger much greater than anyone expected a shrewd and powerful enemy that could finally force the Alliance to its knees Praise for Jack Campbell s The Lost Fleet series Once again the visceral action comes fast and furious Well up to the high standards established by this intriguing series Kirkus Reviews One of the best military science fiction series on the market Monsters and Critics Steadfast Jack Campbell (Naval officer), 2014 New York Times bestselling author Jack Campbell s action packed Lost Fleet series has propelled readers from deep space to the very edge of their seats Now Admiral John Black Jack Geary embarks on a thrilling new adventure to defend the Alliance and safeguard the future Geary and the crew of the Dauntless have managed to safely escort important alien representatives to Earth But before they can make tracks for home two of Geary s key lieutenants vanish The search for his missing men leads Geary on a far flung chase ultimately ending at the one spot in space from which all humans have been banned the moon Europa Any ship that lands there must stay or be destroyed leaving Geary to face the most profound moral dilemma of his life To make matters worse strains on the Alliance are growing as the Syndics continue to meddle Geary is ordered to take a small force to the border of Syndic space But what he finds there is a danger much greater than anyone expected a mysterious threat that could finally force the Alliance to its knees As Geary spearheads a desperate battle to protect the Alliance against a shrewd and powerful enemy he s left with just

one question Who are they **The Lost Fleet: Outlands - Implacable** Jack Campbell,2023-07-24 Admiral John Black Jack Geary fears the greatest threat to humanity may be itself in this gripping continuation of the New York Times bestselling series As far from explored space as any human has ever been Geary and the Alliance fleet are on their own protecting a diplomatic mission in territory belonging to an alien species with still unknown motives His already complex and dangerous mission is further imperiled by deadly challenges from other human factions seeking to harm or exploit the aliens When another alien species whose technology is far more advanced than humanity's arrives the stakes are raised to the highest possible level Only the most serious danger comes from an unexpected source When presented with orders to carry out actions he believes not only are mistaken but would be contrary to the ideals of the Alliance Geary has to finally decide whether he must invoke the power that his long revered name holds all the while knowing that this might endanger his entire fleet tear apart the Alliance and destroy everything he has fought for *Beyond the Frontier - Leviathan* Jack Campbell,2015-05-05 Two Syndicate World star systems have fallen prey to a mysterious fleet of warships controlled entirely by artificial intelligence Geary knows that the warships were developed by his government to ensure security but malfunctioned If the Syndics learn the truth the war with the Alliance will resume with a vengeance Now Geary must track the AI ships to their secret base in the Unity Alternate star system and end the conflict at any cost **The Lost Fleet: Corsair (complete collection)** Jack Campbell,2018-03-21 Jack Campbell's Lost Fleet universe comes to comics The century long war between two space empires the Alliance and the Syndics has ended but Captain Michael Geary nephew of the legendary Alliance Commander John Black Jack Geary believed MIA is still a prisoner Together with former enemy Destina Aragon desperate to escape to reach of a tyrannical government can he help her rebellion succeed live up to the legend coloring his family name or will he die trying Grievances must be put aside as a daring intergalactic jail break becomes a battle for survival against the odds in this gripping new comic series written by New York Times best selling military science fiction author Jack Campbell based on his novel series Bringing his celebrated book series to life in amazing visual fashion Jack Campbell delivers a sci fi masterpiece Pastrami Nation Fast paced with fast dialogue and visceral action Sci fi Pulse Titan Comics has found itself a novel franchise that can be turned into comics in what appears to be a seamless transition Reading with a Flight Ring Science Fiction and the Dismal Science Gary Westfahl,Gregory Benford,Howard V. Hendrix,2019-12-10 Despite the growing importance of economics in our lives literary scholars have long been reluctant to consider economic issues as they examine key texts This volume seeks to fill one of these conspicuous gaps in the critical literature by focusing on various connections between science fiction and economics with some attention to related fields such as politics and government Its seventeen contributors include five award winning scholars five science fiction writers and a widely published economist Three topics are covered what noted science fiction writers like Robert A Heinlein Frank Herbert and Kim Stanley Robinson have had to say about our economic and political future how the competitive and ever

changing publishing marketplace has affected the growth and development of science fiction from the nineteenth century to today and how the scholars who examine science fiction have themselves been influenced by the economics of academia Although the essays focus primarily on American science fiction the traditions of Russian and Chinese science fiction are also examined A comprehensive bibliography of works related to science fiction and economics will assist other readers and critics who are interested in this subject

A Just Determination Jack Campbell, 2024-08-05 In the first book of his JAG in Space series New York Times bestselling author Jack Campbell combines lived experience with spaceborne adventure in a U S Navy courtroom drama about honor duty and the sins that follow humanity even to the stars When Ensign Paul Sinclair comes aboard the USS Michaelson for his very first tour he is surprised to be named ship's legal officer Four weeks of training isn't much to help him advise on legal issues involving a crew of 200 But serving on a spacegoing warship requires he learn fast even surrounded by strangers and juggling expectations from an absentee superior daunting commanders and a reckless captain When the Michaelson comes into catastrophic contact with another vessel Paul must answer his captain on what the law permits in the dark of space even if it leads to trouble But when a court martial convenes shortly afterward only he can decide if justice demands he risk his career too

In Our Stars Jack Campbell, 2025-01-07 Lieutenant Selene Genji has one last chance to save the Earth from destruction in this pulse pounding science fiction adventure from the author of the New York Times bestselling Lost Fleet series Earth 2180 Genetically engineered with partly alien DNA Lieutenant Selene Genji is different from ordinary humans And they hate her for it Still she's spent her life trying to overcome society's prejudice by serving in the Unified Fleet while Earth's international order collapses into war Genji is stationed on a ship in orbit when humanity's factional extremism on the planet reaches a boiling point and she witnesses the utter annihilation of Earth When the massive forces unleashed by Earth's death warp space and time to hurl her forty years into the past Genji is given a chance to try to change the future and save Earth starting with the alien first contact only she knows will soon occur Earth 2140 Lieutenant Kayl Owen's ship is on a routine patrol when a piece of spacecraft wreckage appears out of nowhere To his shock there is a survivor on board Selene Genji Once her strange heritage is discovered though it becomes clear that Genji is a problem Earth Guard command wants to dispose of quietly After learning the horrifying truth Owen helps her escape and joins her mission Together they have a chance to change the fate of an Earth doomed to die in 2180 But altering history could put Genji's very existence in danger and Owen wonders if a world without her is one worth saving

Burden of Proof Jack Campbell, 2023-10-02 New York Times bestselling author Jack Campbell continues his JAG in Space series as a young Legal Officer seeks justice as others try to corrupt it Newly commissioned Lieutenant Junior Grade Paul Sinclair is acclimating himself both to his duties aboard USS Michaelson and to his growing relationship with fellow sailor Jen Shen Both situations require serious consideration But when a fiery explosion rips through the Forward Engineering section Sinclair doesn't think he acts leading his people into the fire And though he and his people survive others do not The brass

want answers Unfortunately Paul suspects the blame for the disaster lands on a fast rising officer whose incompetence is covered up by high ranking connections Worse still Shen s fiercely protective father a captain of his own ship exonerates the accused in the initial investigation Now Sinclair must walk a razor s edge between seeing justice done and watching his entire life go down in flames Absorbing and credible Outstanding suspense realism and characterization First rate military SF Booklist A rock solid courtroom drama Campbell builds the story s suspense expertly This one will keep you turning the pages with the proverbial bated breath SF Reviews

Rule of Evidence Jack Campbell,2024-08-05 New York Times bestselling author Jack Campbell continues his thrilling courtroom drama series exploring law ethics and justice in the U S Navy s spacegoing fleet With international relations tense Lieutenant Junior Grade Paul Sinclair knows why his ship is ordered into joint maneuvers to show off the might of the United States Navy s Space Force But executing precise movements of enormous battle cruisers in close quarters at unthinkable speeds is nerve wracking work even when all goes according to plan Then a sudden massive failure leaves innocent people dead When Paul s beloved Lt Jen Shen is accused of intentionally causing the incident Paul is soon back in the court martial courtroom with more on the line than he d ever imagined Jen can t prove a negative The JAG lawyer Paul most respects is prosecuting the case And when everyone even Jen doubts there s a way out Paul will have to somehow find and expose the truth on his own

Campbell,2024-01-23 Jack Campbell s New York Times bestselling The Lost Fleet sci fi adventure series has transported legions of fans out of this world and into the heat of battle Now readers will discover how it all began not only for John Black Jack Geary and his descendant Commander Michael Geary but for those who fought and sacrificed so much alongside them Spanning from before the Alliance Syndicate war to the devastating initial conflagration that would lead to decades of unrelenting conflict and beyond into full blown war from the Geary s own epic heroics to where their surviving compatriots found their own fates this volume reveals the triumphs tragedies and life altering events that made these warriors living legends in their universe Packed with high stakes military action and drama as well as humor and humanity this volume explores the foundations of The Lost Fleet series as well as past exploits of its most popular characters and also includes the novelization of the Lost Fleet graphic novel Corsair which was praised as a Tom Clancy thriller in space Publishers Weekly Praise for The Lost Fleet novels Some of the best military science fiction on the shelves today SF Site If there s ever a space war the Lost Fleet series could well be the military s manual Audible The whole series is worth a read Fast paced adventure SFRevu **The Hidden Masters of Marandur** Jack Campbell,2015-06-10 When Master Mechanic Mari and Mage Alain

took down the Dark Mechanics and Dark Mages at Dorcastle they thought they d covered their involvement well enough to divert their Guilds suspicions The assassins sent after them by their Guilds which had trained them from childhood indicate otherwise Armed with the knowledge that their respective Guilds are now trying to kill them and knowing their strengths are greater together they reunite Rumor has it the key to saving their world from the Guilds iron fisted rule is in the dead city of Marandur But before they can even attempt to traverse the empty wastelands and avoid the imperial guards surrounding Marandur they ll have to survive the Guilds agents who are determined to capture them at any cost and by any means necessary **The Last Full Measure** Jack Campbell,2018-03-13 From the New York Times bestselling author of the epic

Lost Fleet series comes a story of a nightmarish America that could have been and the Civil War that would set her free once more America 1863 the dream of the Founding Fathers has become a nightmare The ideals of freedom and individualism have fallen to tyranny corruption and greed Wealthy industrialists of the North and slave holding plantation owners of the South now hold power through the might of the military and puppet politicians and all who defy them are declared traitors to the United States of America Condemned for daring to speak against the government Prof Joshua Chamberlain is on his way to a penal plantation when his prison train is captured by the Army of the New Republic a growing force of courageous soldiers who wish to restore the United States to its original righteous path Joining a company of heroes with names such as Hancock Longstreet and Armistead Chamberlain finds himself joining the fight for freedom But to win that freedom and keep it the rebellion needs a leader who is not a soldier but a living symbol of the cause with the wisdom and fortitude to lead

America back into the light Chamberlain knows exactly where to find such a leader A man who is currently being held in the most secure and dangerous prison in the country where his treasonous ideals cannot be heard A man whose refusal to bow to those who proudly claim slavery as a way of life has already made him a legend A man they must rescue at all costs A man called Lincoln

The Dragons of Dorcastle Jack Campbell, 2015-04-03 Dematr is a world ruled by the diametrically opposed Mage and Mechanic Guilds For centuries the two Great Guilds have been bitter rivals But now a Storm approaches one that could sweep away everything that humans have built Only one person has any chance of uniting enough of the world behind to stop the Storm Mari is a brilliant young Mechanic just out of the Guild Halls where she has spent most of her life learning how to run the steam locomotives and other devices of her Guild Alain is the youngest Mage ever to learn how to change the world he sees with the power of his mind Each has been taught that the works of the other's Guild are frauds But when their caravan is destroyed they must join forces Their union could save the world from the approaching Storm but it could also upend the Great Guilds who will stop at nothing to preserve their power Mari and Alain will have to choose between protecting their lives and their Guilds or risking everything to protect Dematr from the coming Storm

Blood of Dragons Jack Campbell, 2017-12-15 Twenty years after the war that overthrew the Great Guilds the Empire is vowing to avenge the massive defeat of the Imperial legions at Dorcastle Aiding the Imperials are renegade Mechanics and Mages still loyal to the old Guilds or employed by the Empire But before they can launch an all out war the Imperials must eliminate a major threat Kira daughter of Master Mechanic Mari and Master of Mages Alain Kidnapped and imprisoned Kira has to escape and avoid recapture as the full might of the Empire is aimed at her Her only hope lies in the skills she has mastered her indomitable spirit and the unfailing aid of Jason her boyfriend from the distant world of Urth With the Imperial legions closing in and thousands of lives riding on her efforts Kira has to use every weapon available to her including special abilities she has kept secret until now abilities that may prove to be as dangerous as the enemy forces Mari and Alain must come to Kira's aid and work to create an alliance against the Empire If they fail a deadlier new war will erupt with every soldier carrying a rifle instead of a sword or crossbow and the Peace of the Daughter will end in a bloodbath A fun and action packed adventure Steampunk and fantasy are probably two of my most favorite genres so it's always fun to read a book that mashes them together in interesting ways

The Arched Doorway *Destiny of Dragons* Jack Campbell, 2018-05-22 In the thrilling conclusion to the Legacy of Dragons trilogy ancient weapons of mass destruction lie hidden under the city of Pacta Servanda Remnants of the Great Guilds and rebellious factions of the Empire want to seize those weapons to allow them to regain control of the world of Dematr Only Jason brought by the first ship from Earth since the colony failed might be able to disarm the threat But he also might know how to employ those weapons making him a danger for all sides Standing between those threats is Kira of Dematr But Kira who inexplicably has been able to manifest Mage powers as well as technical skills finds herself being consumed by the mental conflicts between those powers and skills As rogue Mechanics Mages and mercenaries

attack with every weapon at their disposal Kira suffers more blackouts and begins to lose her mind The fate of her world rests on whether she can stay alive and find answers in time to problems that no one else has ever confronted
