The Knowing Faith Just Walk It Out Knowing:

It'S All in the Knowing Bishop J. A. Tolbert 1st.,2013-01-28 It has been recorded by some astute observer of life that Knowledge is power If that is the truth then ignorance is impotence Nowhere is this reality of greater consequence than in the arena of the classic battle between good and evil right and wrong holiness and unholiness No one can live what one has never known nor can one know what one has never heard This book Its all in the Knowing puts to rest every excuse that the Child of the King has for living beneath the privileges of the sons of God Read this book Study this book Examine it with your Bible in your hand and you will see that your prayer life will be revolutionized You will rejoice because your expectations of God will be those that will cause Him to smile at His sons who are living as His sons If you allow this book to become a Knowing in your heart a Revelation in your spirit you will walk as a son of God among men Its all in the Knowing Bishop J A Tolbert 1st

Letters from a Friend Roy Harvey,2008-04 Statements like The church is full of hypocrites and Sin is fun often block the path to true contentment and peace in God Roy tackles some of the tough rationalizations that people have for abandoning the Christian faith that they were taught In an equally honest treatment he also calls the church to task for its failure to nurture and train disciples The Letters segment of this book is a collection of letters that Roy wrote to actual college age young adults answering their questions and defying common excuses for not accepting Christianity The Meat and Potatoes section is a thorough practical method for developing and maintaining the daily disciplines of the Christian faith Mr Harvey demystifies the concepts of prayer life and Bible study and gives wisdom and direction on how to be plugged into a church Whether you are plagued by doubts questions and excuses or just don t seem to be growing in your faith let Letters from a Friend inspire you to get off the sidelines get back in the game and renew your passion to walk out your faith one day at a time

Without Faith Keith McClean,2024-08-26 Frank Tartt a New York newspaper reporter and a devout Catholic loses his faith after the tragic accidental death of his daughter Once his faith is gone he feels that if there is no

judgement day in the next life he should spend the rest of his days hunting down those who abuse their power for personal gain without thought to the collateral damage inflicted on the innocent and vulnerable Disregarding the laws of God or man Tartt focuses his fury into acts of his own sense of justice and decides what price others will pay New York Police Lieutenant Sean Horgan also tragically loses a child his son in a violent exchange with the son of a wealthy man who was in a position to buy his own son s freedom Still Horgan continues to keep his strong faith and work within the confines of the law but never forgets the injustice done to his son and his family As investigations into high profile individuals are seemingly inexplicably squashed from above these two inherently good men cross paths This is a gritty story where we feel the inner turmoil and desperation of these men and the people they investigate as they peel back layers of corruption and uncover dark secrets All the while readers witness Tartt s downward spiral as he deals with the moral consequences of the path he has taken The Faith to Walk on Water Lindsey Bethel,2013-04 Sand between my toes the salt air wrapping around me like a warm summer blanket the crashing of waves and the meeting of sky and water The beach is where I see the handiwork of God As a young child it was there that I wished that I could walk on the water as Jesus and Peter had in Matthew 14 It was there that I learned of faith the faith that requires you to not only step out of the boat but also to focus on Jesus and learn to walk toward Him daily It is not enough to just get out of our comfort zones but now we need to learn to grow and walk toward Him constantly The Faith to Walk on Water takes a look at why standing still in our faith is no longer an option how doubt and fear are overcome by Jesus He does not watch from a distance but He is always there holding out His hand for us to take hold So what are you waiting for Take that step and walk on the water Walking a Faith Filled Life Pastor Charles Brooks,2011-11-09 Learn the principals of faith and walk into your Destiny with authority **Miracles** David Wiggins,2022-02-13 Many of us have encountered people who were so heavenly minded they were of no earthly good Within the pages of this book the reader will discover the amazing link between the deity of Jesus and His humanity as it has never before been revealed It is frequently overlooked that there were other things occurring while a miracle was taking place Though those things are not recorded it was necessary for it to take place and there are facts that can be safely assumed There are also things that can be pondered that bear no great impact on the event or actuality of the miracle but they make the event more real as we meditate on them Consider just the miracle of the man born blind from birth How much clay did Jesus make Did He tell the man what He was putting on his eyes Who led the man to the pool to wash away that mud What was the first thing that he saw Consider that the mud on his eyes did not lead to a very painful corneal abrasion There came the time that I was so moved to write that it could no longer be ignored It was not and has not been done in an effort to gain personal fame or recognition To deny the prodding and inspiration of God in writing this book is to rob Him of the praise He richly deserves I quickly learned that the work could not be done in my own power I was shown things that are not taught yet those insights cannot be disputed While there is some personal speculation there is much more that cannot be accepted as

anything but reality that has been ignored As more than one person has observed this work contains a fresh insight and facts that fly in the face of tradition aEURoeIt is my pleasure to recommend this exciting book Miracles The Lord has graced David with a common sense discernment that justifiably challenges the traditional speculations of denominational thought Armed with just the Bible he will lead you down paths of insight that will transform your preconceived notions of biblical truth Keep a pencil handy as you enjoy this insightful book Rev Dr John L Blair Pastor aEUR Coventry Baptist Church Ft Wayne Indiana aEURoeThis well written composition regarding miracles by David Wiggins is a fresh new look at the miracles reported in the Gospels As you read you will be transported to the scene people and circumstances surrounding each miracle This powerful intriguing work should be read and treasured by every bible scholar world wide aEUR Dr Stanford Kruse PhD Founder and Vice President Jacksonville Baptist Theological Seminary Jacksonville Florida Everyone should read this book Rev Ray Graves
