My Journey Daphne Forbes,2013-12-31 Daphne was the tenth of fourteen children born into a loving Christian family in 1940s Jamaica Although a delicate child she was happy and had lots of fun with her siblings in their idyllic rural home She was ambitious and dreamed of becoming a doctor and eventually to have a happy fulfilled family life of her own Things started to go wrong when she became ill at the age of fourteen She later became an unwed mother to the disappointment of her family and church She could no longer stay at home as her situation and desires had changed This forced her to leave Jamaica and move to England in the winter of 1961 where she married her sons father Married life was far from what she expected The reality of life in England was hard for her to adjust to She encountered racism at work and illness in the family In 1964 with the help and encouragement of her brother she was introduced to the New Testament Church of God where she received the Lord Jesus Christ into her life Daphne decided to return to Jamaica later in life but that decision was not without its challenges She had changed and so had Jamaica She shares some interesting amazing and challenging experiences and dreams from her journey through life Go home to thy friends and tell them what great things the Lord hath done for thee Mark 5 19 **Phoenix** Omar Richards,2016-08-13 A multitude of poems that relays my views on many aspects of life Meant to make readers feel the words and rethink life as a whole Story of My Life George Sand,1991-07-03 **Truth and Fiction Relating to My Life; The Autobiography** Johann Wolfgang von Goethe,2023-09-11 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision **MYDEEPESTTHOUGHTS: THE METOMORPHESIS** Derrick E Carey,2023-04-24 *Congressional Record* United States. live up to our expectations we end up with an Expectation Hangover This particular brand of disappointment is profoundly uncomfortable and can cost us valuable time and energy if not treated and leveraged effectively Christine Hassler has broken down the complex and overwhelming experience of recovering from disappointment into a step by step treatment plan This book reveals the formula for how to process Expectation Hangovers on the emotional mental physical and spiritual levels to immediately ease suffering Instead of wallowing in regret self recrimination or anger we can see these experiences as catalysts for profound transformation and doorways that open to possibility Often it is only when life throws us a curveball or several that we look in a different direction and make room for the kinds of unexpected things that lead more directly to a life we love By the time you finish this book you ll understand why your Expectation Hangover happened and have your own treatment plan a clear course of action to pursue your goals while preventing future disappointment *Prized Possession*
