The Last Chronicle Of Barset Chronicles Of Barsetshire Book 6:

The Last Chronicle of Barset, Chronicles of Barsetshire Book 6 Anthony Trollope, 2015-02-21 I can never bring myself to believe it John said Mary Walker the pretty daughter of Mr George Walker attorney of Silverbridge Walker and Winthrop was the name of the firm and they were respectable people who did all the solicitors business that had to be done in that part of Barsetshire on behalf of the Crown were employed on the local business of the Duke of Omnium who is great in those parts and altogether held their heads up high as provincial lawyers often do They the Walkers lived in a great brick house in the middle of the town gave dinners to which the county gentlemen not unfrequently condescended to come and in a mild way led the fashion in Silverbridge I can never bring myself to believe it John said Miss Walker You ll have to bring yourself to believe it said John without taking his eyes from his book A clergyman and such a clergyman too I don t see that that has anything to do with it And as he now spoke John did take his eyes off his book Why should not a clergyman turn thief as well as anybody else You girls always seem to forget that clergymen are only men after all Their conduct is likely to be better than that of other men I think I deny it utterly said John Walker I ll undertake to say that at this moment there are more clergymen in debt in Barsetshire than there are either lawyers or doctors This man has always been in debt Since he has been in the county I don t think he has ever been able to show his face in the High Street of Silverbridge John that is saying more than you have a right to say said Mrs Walker Why mother this very cheque was given to a butcher who had threatened a few days before to post bills all about the county giving an account of the debt that was due to him if the money was not paid at once More shame for Mr Fletcher said Mary He has made a fortune as butcher in Silverbridge What has that to do with it Of course a man likes to have his money He had written three times to the bishop and he had sent a man over to Hoggstock to get his little bill settled six days running You see he got it at last Of course a tradesman must look for his money Mamma do you think that Mr Crawley stole the cheque Mary as she asked the question came and stood over her mother looking at her with anxious eyes I would rather give no opinion my dear But you must think something when everybody is talking about it mamma Of course my mother thinks he did said John going back to his book It is impossible that she should think otherwise That is not fair John said Mrs Walker and I won t have you fabricate thoughts for me or put the expression of them into my mouth The whole affair is very painful and as your father is engaged in the inquiry I think that the less said about the matter in this house the better I am sure that that would be your father s feeling Of course I should say nothing about it before him said Mary I know that papa does not wish to have it talked about But how is one to help thinking about such a thing It would be so terrible for all of us who belong to the Church I do not see that at all said John Mr Crawley is not more than any other man just because he s a clergyman I hate all that kind of clap trap There are a lot of people here in Silverbridge who think the matter shouldn t be followed up just because the man is in a position which makes the crime more criminal in him than it would be in another But I feel sure that Mr Crawley has committed no crime at all said Mary My dear said Mrs Walker I have

just said that I would rather you would not talk about it Papa will be in directly

It is the final book of a series of six often referred to collectively as the *Chronicles of Barsetshire*. The *Last Chronicle of Barset* concerns an indigent but learned clergyman, the Reverend Josiah Crawley, the perpetual curate of Hogglegstock, who stands accused of stealing a cheque. The novel is notable for the non-resolution of a plot continued from the previous novel in the series, *The Small House at Allington*, involving Lily Dale and Johnny Eames. Its main storyline features the courtship of the Rev Mr Crawley's daughter, Grace, and Major Henry Grantly, son of the wealthy Archdeacon Grantly. The Archdeacon, although allowing that Grace is a lady, doesn't think her of high enough rank or wealth for his widowed son; his position is strengthened by the Reverend Mr Crawley's apparent crime. Almost broken by poverty and trouble, the Reverend Mr Crawley hardly knows himself if he is guilty or not. Fortunately, the mystery is resolved just as Major Grantly's determination and Grace Crawley's own merit force the Archdeacon to overcome his prejudice against her as a daughter-in-law. As with Lucy Robarts in *Framley Parsonage*, the objecting parent finally invites the young lady into the family; this new connection also inspires the Dean and Archdeacon to find a new, more prosperous post for Grace's impoverished father. *The Barsetshire Chronicles - All 6 Books in One Edition* Anthony Trollope, 2023-11-29.
