The Longest Way Home Andrew McCarthy, 2013-06-04 The author a travel writer and actor delivers a memoir about how travel helped him become the man he wanted to be helping him overcome life long fears and confront his resistance to commitment From time immemorial travel has been a pursuit of passion from adventurers of old seeking gold or new lands to today s spiritual and pleasure seekers who follow in the footsteps of Elizabeth Gilbert Some see travel as a form of light hearted escapism while others believe it has the power to open your mind forcing you to confront your demons and discover your true self The author belongs to this second category of traveler His memoir follows his excursions to Patagonia the Amazon Costa Rica Baltimore Vienna Kilimanjaro Dublin and beyond He uses his wanderlust to examine his motives and desires and explore his ambivalence about commitment He ponders his personal life his acting career and his impulse to leave home all building toward one of the most significant moments of his life his wedding day His message about the transformative power of travel is universal and his exploration of the nature and passion of relationships both fleeting and enduring strikes a chord with every man and woman who has ever wondered at the vicissitudes of the human heart The Longest Way Home W D Mayberry, 2022-02-12 In 1989 I had a road accident while I was coming home on leave to Canberra This accident changed my life forever It has impacted me in many ways both physically and mentally I guess it could be called therapy to write a book about it I am not sure It was quite painful dredging up all those memories of the trauma I went through Anyway a long time in the pipeline I have now finished this latest eBook called *The Longest Way Home* **A long way home** Nigel Hansen. The Long Road Home David J. Toynton, 2024-05-24 This narrative unfolds the life of Ernst a young German soldier during World War II caught at the crossroads of duty and family loyalty stretched between Germany and England At nineteen Ernst navigates the tumult of his own moral dilemmas against the backdrop of a war-torn landscape accompanied by an officer who has vowed to see him safely home As we journey through the pages we're drawn into the visceral experiences of war-torn Germany Nightly as Ernst and his comrades traverse the roads under the cover of darkness the ominous hum of bombers overhead is palpable each man acutely aware that their loved ones are in the crosshairs In the daybreak's light the crimson hue of their burning cities stains the horizon a constant reminder of the devastation being wrought upon their homeland The story doesn't shy away from the shared fear and terror that grips both German and American soldiers delving into the harrowing plight of US troops captured and held as prisoners of war Despite the hospital's eerie quiet indicating few casualties are being brought in the war's end in 1945 doesn't immediately herald peace for Ernst and his comrades It's not until four years later that they

can finally part ways Returning to a country he can call home Ernst confronts the suspicion and distrust from those around him It is during this turbulent time that he meets a young woman who helps to heal the bitterness of war Together they embark on a life filled with hope leaving the shadows of the past behind as they step into a shared future **The Long Way Home** Lydia Laube,1994 Lydia Laube returns to Saudi Arabia collects her pay and decides to take the long way home through Egypt Sudan Kenya and India Our Good Little Woman is as eccentric as ever blithely she trots along sunshade held aloft while behind her ships sink hotels explode and wars erupt **The Long Way Home** Kate Shayler,2001 Australia's own Frank McCourt Sally Loane ABC Radio This is an important story that has long been neglected We are familiar with stories of the stolen generation and the British child migrants but there is a third group about whom very little has been written their white Australian contemporaries who as a result of family breakdown court orders or abandonment were institutionalised as children Kate Shayler pseudonym grew up a homes kid in the fifties and sixties Her memoir is more than just an account of her experience as an institutionalised white kid it's a heartbreaking story of what happens to a child in the absence of emotional support and affection Far from being a litany of despair Kate manages to weave into her journey of self discovery a sense of community camaraderie and humour of a childhood of sorts a family that she was forced to create for herself **The Long Way Home** The Story of a Homes Kid will strike a chord with anyone who has ever suffered discrimination insecurity or the pain of separation from family It's a timely and profound reminder that every child deserves to be cherished and valued
