Walking in the Garden with God Lydia B. Miller,2023-04-23 Our Walk with the Lord begins when we take our first step in faith by believing that Jesus is who he says he is Thereafter day after day we willingly take up our cross and attempt to follow in his footsteps finding out all too soon that The Way is not easy Some will not understand our belief in the invisible God They will consider us fools and secretly despise us for claiming to see what they cannot While they may be blind to his presence we see God everywhere and in everything Ours is a life long spiritual journey which tests our strength courage faith and convictions While it may seem that we are walking alone we are not The Lord is always with us Look around my friends there are other Believers each walking at their own pace some far

ahead while others trail behind Occasionally someone comes along who falls into step and walks the long road with us Know that they have been intentionally sent by God to pick us up when we stumble and fall get lost or become discouraged We need their uplifting prayers encouragement and testimonies of faith to remind us never to give up hope This book is about my walk with The Lord However I believe the sentiments expressed are not mine alone but universal to Christians everywhere It is my hope that the words God has given me will also minister to you as you walk your walk
