small and determined children set out to follow the star they see twinkling through their bedroom window A journey that leads them from their back door to Bethlehem and a stable where a new baby is born Alicia and Little Star , *Twinkle, Twinkle, Little Star* , 1960 Littlestar: A Science Fiction Comedy of Interstellar War and Virtual Gods , Twinkle Twinkle Little Star Pat-a-Cake, 2017-05-04

Twinkle Twinkle Little Star combines lively pictures with a classic nursery rhyme that's easy for parents and carers to recognise and recite Young children will adore singing along The spotting game at the end is a great incentive to go through the pages once again until each tiny thing is found Nursery Rhymes are important stepping stones to language development The rhymes usually tell a story too with a beginning a middle and an end This teaches children that events happen in sequence and they begin to follow along Nursery rhymes are also full of repetition making them easy to remember and often become some of a child's first sentences Also available The Wheels on the Bus Hey Diddle Diddle Old MacDonald had a Farm The Sad Little Star Alessandra Cesana, Onésimo Colavidas, 2017-01-05 SYNOPSIS This is the story of a small star that feels sad because it doesn't stand out among all the other stars that light up the night sky Why can't I be as important as the Pole Star the Little Star wonders as she shines less and less brightly with each passing night Seeing the Little Star so sad the Moon tries to cheer her up Yet it is not her who finally gets the Little Star to start feeling better How will the Little Star ever manage to shine so brightly again Who will finally take notice of her This tender and original story which will move both parents and children is Alessandra Cesana's debut as a children's author This little tale shows us the importance of feeling good about oneself for our emotional wellbeing The Little Star cannot aspire to become one of the larger more remarkable stars in the sky and so she must simply accept herself as she is While progress and growth are important accepting ourselves as we are is important for our emotional wellbeing too We have to accept both the good things about ourselves and the flaws as well especially if we are lucky enough to have someone who loves us the way we are

Cindy and the Little Star Dr Dragon, 2015-11-18 Once upon a time five proud sisters and their brother lived together The sisters didn't play with their little brother So he ran away hoping to make friends and meet little children in a great big city But he couldn't find any Feeling sorry a passing cloud offered to be his friend Cheering up at once he jumped reaching out to the cloud The cloud carried him on its back Blown away by a strong wind they soon reached the countryside Sudden

cold changed the cloud into tiny drifting snow flakes Feeling happy he drifted down slowly with them as everything was soon covered under a thick blanket of snow Down below in a farm cooperative he found a lonely fir tree in a pot placed near a large house owned by a rich farmer A warm mellow light woke up fairies in the meadow and many other tiny creatures sleeping in the orchard The light also woke up little Cindy a child fast asleep in her bedroom inside the farmers house Thinking that an UFO had landed she went out to investigate Out in the meadow by the orchard that night Cindy made the most astonishing discovery ever This event turned into a most unusual Christmas **A Year of Themes** Sarah
