of failures What disaster occurred to them that caused the forgetting of all this knowledge We know that comets captured by the sun's gravity break up into boulder streams that periodically intersect the Earth's orbit Plato and the rabbis told us that repeating cosmic disasters have erased most of our history leaving us only myth and Genesis This book weaves the modern scientific evidence from Greenland ice cores Mediterranean bathymetry NASA archaeology and human genetics with the linguistic insights of the Hebrew of Genesis 1:11 into a compelling narrative that we are only the second most advanced civilization on planet Earth For now

In the Realm of Neither / Poems Daniel Abdal-Hayy Moore, 2008 IN THE REALM OF NEITHER I had a dream just before waking of a shelf filled with books and I was reading the titles when a spotlight hit the spine of one book that also seemed to protrude from the others and be coming out of the shelf toward me On it were the words In the Realm of Neither that remained vivid and unforgettable upon waking poem If all the wood in the world were to sing and every rose gave a political speech and every cloud took pity on its neighbor and every stone composed an epic poem about being a stone and each of us saw God direct with our own eyes in naked vision as clearly as we see ourselves stooping to drink from a lake

The Battle of Beginnings Del Ratzsch, 2010-02-28 Voted one of Christianity Today's 1997 Books of the Year Creation versus evolution The debate is growing louder and hotter whether in lecture halls or in between the pages of bestselling books But neither side seems to be winning Why In *The Battle of Beginnings* Del Ratzsch examines the history of the debate and critiques the entrenched positions that he argues merely impede progress toward the truth Dissatisfied with both creationist fallacies and materialist misconstruals he seeks to lay the groundwork for more fruitful dialogue In considerable detail Ratzsch looks at the history and development of Darwin's theory and common creationist misunderstandings of evolution He then moves on to examine the history and development of creationist theory and pervasive evolutionist misunderstandings of it He also discusses the nature of science and common creationist and evolutionist abuses as a prelude to showing why both sides have remained critical of theistic evolution Above all Ratzsch argues that until philosophical confusion logical missteps and various other snarls have been untangled little real progress can be made in sorting out competing theories of life and its origin With this book he challenges and equips all of us to think more clearly

Cooked Oranges / Poems Daniel Abdal-Hayy Moore, 2007-09-01 Poetic inspiration continues to be a mystery to me but I am its deep advocate and hold to its irrational and shady acreage like a greedy real estate developer gazing out over the possibilities a ramshackle hut here a barn there a castle with a lake yonder Is it angels djinn my black cat curled at the bottom of my bed while I'm hot in composition mode My unconscious God Consciousness my fervent prayer **Like**

When You Wave at a Train / Poems Daniel Abdal-Hayy Moore, 2008 This may be my most personal book as I wrote this collection of poems as an attempt to definitively and honestly connect in a deep way with Farid my teenage stepson Ah since you're not my natural son you can be my supernatural son No actual genes of mine swim in your blood your flesh doesn't resemble mine though since I've been your dad from the time you were two we now have a definite family resemblance

Recovering Consolation Greg Maillet, 2024-09-19 Although Tolkien's letters call Samwise Gamgee the chief hero of The Lord of the Rings Sam is easily underestimated by both readers and critics Recovering Consolation focuses attention on Sam's point of view throughout the long journey that is the novel This book responds to Frodo's famous words at the Stairs of Cirith Ungol imagining a child speaking to a parent I want to hear more about Sam dad why didn't they put in more of his talk dad That's what I like it makes me laugh And Frodo wouldn't have got far without Sam would he dad Listening to Sam not only makes us laugh but also shows him to be like Tolkien himself a master of mythopoesis as the novel's narrator puts it Sam had more on his mind than gardening Yet the concrete act of gardening another passion that Sam shares with Tolkien should help us to understand how consolation is recovered as is well explained in Tolkien's great essay On Fairy Stories Both there and in The Lord of the Rings Tolkien offers a theological aesthetic that has much to teach us Although we may not realize it while laughing along with Sam this humble servant hobbit is key to this aesthetic
