Kennedy on Negotiation Gavin Kennedy, 2017-03-02 Negotiation is a vital skill for every manager As a result there are almost as many patented techniques for negotiation as there are managers each proclaiming to be the definitive route to success The authors behind these techniques keep their work very much to themselves Their fundamentally different approaches to negotiation remain in

isolation from each other as if their authors were too polite to contradict others in the field In most cases when you are developing your negotiation skills this leaves you with a stark choice pick a single technique and ignore the rest Until now Kennedy on Negotiation is an authoritative and comprehensive guide to negotiation skills training and practice Dr Kennedy uses the well established Four Phases model as the structure around which he critiques constructively the numerous competing theories and models Gavin Kennedy s book is everything you would expect from one of the most respected writers on negotiation It is a readable and reliable guide to all that is best in the various contributions to negotiation training from authors such as John Nash Walton and McKersie Atkinson Nierenberg Rubin and Brown Gottschalk Karass Fisher and Ury and many more including Gavin Kennedy himself
