## **Nephi S Broken Bow:**

**Nephi's Broken Bow** Craig M Allen,2024-01-20 This is an examination of chapter 16 of 1 Nephi one of the pivotal chapters in the Book of Mormon This book examines both 1 the author of this ancient chapter of scripture the prophet Nephi and 2 the content of the chapter including the curious story about Nephi s broken bow Through a variety of connections to likely Hebrew words and concepts and to the events that transpired throughout the life of Nephi its author this book adds color to the events described by Nephi and examines potential motivations Nephi might have had in recording the specific material that he did This book suggests that Nephi had a subtle sense of humor and that he employed word play as a reflection of both his level of education and of that sense of humor The audience for this book would typically be members of the Church of Jesus Christ of Latter Day Saints or those that are familiar with its teachings and the doctrine of Jesus Christ Because this book provides a very basic introduction to the Hebrew language in some of its analysis and discussion the book s audience might be slightly more advanced with slightly broader interests than the typical introductory level reader

Discovering Lehi: New Evidence of Lehi and Nephi in Arabia Lynn M. Hilton,Hope A. Hilton,2023-02-02 This fascinating Mormon odyssey was first commissioned by The Ensign But no mention was ever made in that work of the Lihyan Arabic transliteration for The People of Lehi civilization and the remarkable possibilities found in its Arabian ruins In addition to the Hilton s original research they have discovered volumes of new evidence and new possibilities The findings in this book may just be the sign saying I Lehi was here It is possible that Lehi and Nephi were actually great missionaries that they converted thousands as hinted at in D C 33 8 10 This new evidence suggests that Arabian converts of Nephi and Levi grew in number and influence and prospered as all civilizations of The Book of Mormon were promised over a period of 1000 years until they actually ruled Arabia for an additional 300 years This work may be the most remarkable evidence currently available that Levi and Nephi actually existed and may be the only research to date to actually pinpoint Book of Mormon locations with any degree of accuracy It is astounding that the city Nephi referred to as Nahum actually exists today as a city of ancient origins It conforms to the Book of Mormon description of the burial place of Ishmael and the point where they changed their direction of travel from south southeast to nearly eastward toward Bountiful Here within our very grasp may be the first physical and historical evidence that Lehi and Nephi lived breathed struggled and taught the gospel as marvelous and influential prophets of The Book of Mormon

**Second Witness: Analytical and Contextual Commentary on the Book of Mormon** Brant A. Gardner,2007-09-01 Stop looking for the Book of Mormon in Mesoamerica and start looking for Mesoamerica in the Book of Mormon Second Witness a new six volume series from Greg Kofford Books takes a detailed verse by verse look at the Book of Mormon It marshals the best of modern scholarship and new insights into a consistent picture of the Book of Mormon as a historical document Taking a faithful but scholarly approach to the text and reading it through the insights of linguistics anthropology and ethnohistory the commentary approaches the text from a variety of perspectives how

it was created how it relates to history and culture and what religious insights it provides The commentary accepts the best modern scholarship which focuses on a particular region of Mesoamerica as the most plausible location for the Book of Mormon s setting For the first time that location its peoples cultures and historical trends are used as the backdrop for reading the text The historical background is not presented as proof but rather as an explanatory context The commentary does not forget Mormon s purpose in writing It discusses the doctrinal and theological aspects of the text and highlights the way in which Mormon created it to meet his goal of convincing the Jew and Gentile that Jesus is the Christ the Eternal God
