Writing Power in Anglo-Saxon England Catherine A. M. Clarke, 2012 Explores how power is shaped and negotiated in later Anglo Saxon texts focusing on how hierarchical vertical structures are presented alongside patterns of reciprocity and economies of mutual obligation especially within the context of secular spiritual literal or symbolic patronage relationships

Wisdom Revealed Robert P. Vande Kappelle, 2014-12-17 Humans seeking to understand the nature of reality have learned to discern life's patterns and to respond to life's vicissitudes by acting wisely doing what brings happiness and success The Bible is a record of that journey It

represents the inspired attempt to become wise at the deepest level living harmoniously with one's community the earth and the Creator Through their inspirational teachings the sages of the biblical wisdom tradition offer time honored advice about some of life's most difficult concerns including the problem of pain the suffering of the innocent the nature of evil the justice of God and the pervasiveness of death Wisdom Revealed a survey of biblical wisdom literature offers perspective on topics that arise as one follows the text always with an eye on the big picture namely daily living Those who read this literature will be exposed to a set of core values necessary for vital citizenship and effective leadership at all levels of life They will also obtain time honored advice about how to deal with life's uncertainties in a holistic and pragmatic manner focusing on what it means to be human in the presence of God

Didactic Poetry of Greece, Rome and Beyond Lilah Grace Canevaro, Donncha O'Rourke, 2019-12-01 Here a team of established scholars offers new perspectives on poetic texts of wisdom learning and teaching related to the great line of Greek and Latin poems descended from Hesiod In previous scholarship a drive to classify Greek and Latin didactic poetry has engaged with the near total absence in ancient literary criticism of explicit discussion of didactic as a discrete genre The present volume approaches didactic poetry from different perspectives the diachronic mapping the development of didactic through changing social and political landscapes from Homer and Hesiod to Neo Latin didactic and the comparative setting the Graeco Roman tradition against a wider backdrop including ancient near eastern and contemporary African traditions The issues raised include knowledge in its relation to power the cognitive strategies of the didactic text ethics and poetics the interplay of obscurity and clarity playfulness and solemnity the authority of the teacher

Pedagogy, Prayer and Praise Catherine Petrany, 2015-10-20 The presence of didactic wisdom like passages in the Book of Psalms presents a puzzle because it suggests a non liturgical origin and pedagogical aim distinct from the more dominant psalmic language of lament and praise Catherine Petrany argues for a literary and theological approach to the question of wisdom's role in the psalms that accounts for its meaningful integration with these other kinds of discourse The unique contextualization of wisdom motifs in the psalms creates a pedagogical platform unique to the book one related to but distinct from the pedagogies of the biblical wisdom corpus Human wisdom speech in the psalms points beyond the classroom to the congregation and asks its hearers to become speakers that is to enter into conversation with the divine

Poets, Patrons, and Printers Cynthia J. Brown, 2019-03-15 Cynthia J Brown explains why the advent of print in the late medieval

period brought about changes in relationships among poets patrons and printers which led to a new conception of authorship Examining such paratextual elements of manuscripts as title pages colophons and illustrations as well as such literary strategies as experimentation with narrative voice Brown traces authors attempts to underscore their narrative presence in their works and to displace patrons from their role as sponsors and protectors of the book Her accounts of the struggles of poets including Jean Lemaire Jean Bouchet Jean Molinet and Pierre Gringore over the design printing and sale of their books demonstrate how authors secured the status of literary proprietor during the transition from the culture of script and courtly patronage to that of print capitalism
