Press, 2017-11-11 Salman Khan has appeared in some of the biggest blockbusters in Hindi film history But his career has been blighted by allegations of involvement in crimes of poaching domestic violence and culpable homicide In the last decade the star has tried to reform his image If he has succeeded to some extent Anna MM Vetticad reports it has been not just through his own efforts but also the willingness of his fans and many around him to accept or justify even his most disturbing behaviour Also in this issue How Malayalam cinema's only female superstar got back to work The cinematic myth making of Louis Mountbatten Why Indian films box office figures do not add up Nepali politics sees a major reconfiguration in time for a watershed election Unsafe abortions through the ages Old Delhi's subversive love letter manuals *Making Waves* J. Schencking, 2005-01-18 This book explores the political emergence of the Imperial Japanese Navy between 1868 and 1922 It fundamentally challenges the popular notion that the navy was a silent apolitical service Politics particularly budgetary politics became the primary domestic focus if not the overriding preoccupation of Japan's admirals in the prewar period This study convincingly demonstrates that as the Japanese polity broadened after 1890 navy leaders expanded their political activities to secure appropriations commensurate with the creation of a world class blue water fleet The navy's sophisticated political efforts included lobbying oligarchs coercing cabinet ministers forging alliances with political parties occupying overseas territories conducting well orchestrated naval pageants and launching spirited propaganda campaigns These efforts succeeded by 1921 naval expenditures equaled nearly 32 percent of the country's total budget making Japan the world's third largest maritime power The navy as this book details made waves at sea and on shore and in doing so significantly altered the state society politics and empire in prewar Japan [The British National Film Catalogue](#), 1983 [Screening the Fleet](#) Jonathan Rayner, 2025-02-04 In *Screening the Fleet* Prof Jonathan Rayner explores the representation of the modern Royal Navy on British television over a fifty year period from 1973 to 2023 Contextualising his subject with significant aspects of earlier naval representation in recruiting documentary and public information films from the 1940s to the 1960s Rayner then brings his focus forward to 1973 2023 The 1970s were a significant decade for naval representation on television and saw the broadcast of two definitive series the BBC's drama series *Warship* and the acclaimed documentary

series *Sailor* These landmark series set the benchmark for naval representation in both realist and in fictional portrayals They also set precedents for audience perceptions and these have affected the production and the reception of the series on the Royal Navy that have followed Rayner's work investigates how advances in technology allow programme makers to use new techniques in the spheres of naval drama and documentary More recent series also need to balance the required conventions for any portrayal of the navy on television with the revelatory or iconoclastic approaches now expected by modern audiences In focussing on the changing portrayal of the Royal Navy on television however Rayner also surfaces how the Navy itself has evolved in the post World War II world The series analysed in *Screening the Fleet* also evidence the changing nature and increasing diversity of the naval community as a reflection of changing notions of Britishness Offering the first study of its type this volume highlights evolving and emerging trends in factual and fact based television programmes through their portrayal of a highly popular patriotic and persistent subject over a fifty year period It debates developments in television and documentary approaches using the representation of the Royal Navy and its changing position in perceptions of British identity
