**Management Communication** James S. O'Rourke, 2010 Strategic communication methods that support the development of ethical and effective managers at all levels of business For professors who know students need effective communication skills to be successful in the business world this text provides a strategic yet practical view of managerial communication In this fourth edition three dozen case studies are provided to help students see how their new skills would work in a real setting A new chapter has also been added on Persuasion examining the science behind influencing decision making in others Management Communication in Transition Communication and Strategy Communication Ethics Speaking Writing Persuasion Technology Listening and Feedback Nonverbal Communication Intercultural and International Communication Conflict Management Business Meetings Meeting the Media Effective communication can make or break an individual career or an entire business By developing powerful techniques to get their message across students can learn to turn ideas into action and success

*Strategic Organizational Communication for Efficiency and Performance: A Managerial Perspective with Case Insights from the Banking Sector* Evelyn Owie, 2025-05-31 Communication is the cornerstone of effective organizational functioning influencing daily operations and long term strategic outcomes This study was conceived to better understand the role communication plays in enhancing organizational efficiency particularly in manager employee interactions Driven by the growing need for seamless information flow in today s dynamic work environments this research used a quantitative approach We collected data from 75

respondents across different organizational roles using structured questionnaires The responses were analyzed with SPSS generating frequency tables and conducting multiple regression analysis to test the study's hypothesis The results confirmed a significant and positive relationship between communication and organizational efficiency This underscores the importance of cultivating strong communication channels It also emphasizes that managers need to provide timely and constructive feedback and organizations must eliminate barriers to the smooth exchange of information By aligning with existing literature and offering practical recommendations this research contributes to the broader discussion on organizational performance It highlights communication not merely as a support mechanism but as a strategic asset that organizations must actively manage and optimize This work reflects a commitment to bridging theory with practice It's intended to be a useful resource for both scholars and practitioners interested in enhancing organizational effectiveness through improved communication

**Strategic Communication for Organizations** Sara LaBelle, Jennifer H. Waldeck, 2020-02-11 Strategic Communication for Organizations elucidates the emerging research on strategic communication particularly as it operates in a variety of organizational settings This book appropriate for both students and practitioners emphasizes how theory and research from the field of communication studies can be used to support and advance organizations of all types across a variety of business sectors Grounded in scholarship and organizational cases this textbook focuses on message design provides introductory yet comprehensive coverage of how strategy and message design enable effective organizational and corporate communication explores how theory and research can be synthesized to inform modern communication based campaigns Strategic Communication for Organizations will help readers discuss how to develop implement and evaluate messages that are consistent with an organization's needs mission and vision effectively reaching and influencing internal and external audiences

Strategic Communication James Mahoney, 2023-06-20 Strategic Communication deals with the principles behind strategic communication planning It covers the professional practice steps involved in researching planning writing evaluating and implementing a communication strategy This book links strategic communication campaign planning to medium and long term business activity and to how organisations deal with issues This thoroughly revised third edition includes New international cases and professional exercises that will enable students to work through the cases and apply theory to real life situations New discussion questions on important aspects of campaign planning Chapter exercises that encourage students to think more broadly about communication strategy and work through the particular aspects of a strategy In Theory panels that highlight key theories and demonstrate important links between theory and practice Accessible and comprehensive this is an essential text for students of professional communication and professionals transitioning into the field of Strategic Communication

**Arguments and Arguing** Thomas A. Hollihan, Kevin T. Baaske, 2015-11-17 The latest edition of Arguments and Arguing contains the same balance of theory and practice breadth of coverage current and relevant examples and accessible writing style that made previous editions so popular in hundreds of

classrooms The authors draw from classic and recent argumentation theory and research contextualized with well chosen examples to showcase a narrative style of argumentation and the values and attitudes of audiences Readers learn how to employ both formal and informal argumentative strategies in an array of communication forums from interpersonal interactions to academic debate to politics to business A newly added chapter on visual argumentation and a striking color photo insert demonstrate the value and power of visual elements in the construction of arguments The ability to argue is necessary if people are to solve problems resolve conflicts and evaluate alternative courses of action While many are taught that arguing is counterproductive and arguments should be avoided Hollihan and Baaske illustrate that arguing is an essential and fundamental human activity Learning the art of effective argumentation entails a grasp of not only the strategies and principles of analysis and logical reasoning but also the importance of arguing in a positive and socially constructive fashion *Business Communication* H. Dan O'Hair, James S. O'Rourke, Mary John O'Hair, 2001 The Annotated Instructor's Edition guides you through each chapter with teaching tips discussion opportunities homework ideas and lecture possibilities The excellent annotations will be refreshing for experienced professors and invaluable for new ones
