Silent Cry Within the Church Connie C. Smithson, 2023-03-24 Domestic Violence is prominent among families in many churches However more times than not when victims finally break their silence and confide in their Pastors or someone in leadership they are being given the advice to remain in an abusive relationship because to divorce would not be pleasing to God Silent Cry within the Church is geared toward violence among Christian couples as well as the children in the home who witness the violence This book was written to not only shed light on Domestic Violence in Christian homes but to show the correlation between child abuse and those who become perpetrators of Domestic Violence later in life Contained within the pages of Silent Cry within the Church are the true testimonies of what victims of Domestic Violence have experienced in the church after bravely speaking out In addition Connie shares her family s story of what happens when the victim does not speak out and the church chooses to ignore the signs of abuse Enclosed is also a wealth of knowledge surrounding Domestic Violence including resources for getting help the NC Domestic Violence Laws and a section offering words of encouragement for victims and survivors of Domestic Violence Whether a victim perpetrator or child the answer to violence within the home is the same for all Jesus Christ He alone is our deliverer and healer of the broken heart *Love, Violence, and the Cross* Gregory Anderson Love, 2010-08-01 Does God use violence to redeem us What is the relationship between divine love and violence in regard to the saving significance of the cross of Christ In Love Violence and the Cross Gregory Love dialogues with two responses to this question while presenting a third alternative in which Jesus s death is simultaneously a crime and an element of God s saving actions Through familiar stories in history literature and film Love presents five constructive

models that cumulatively affirm God's saving act in the person and work of Christ while letting go the myth of redemptive violence. They affirm redemption but one with a different shape. Instead of exacting the absolute punishment God redeems by making good God's promise to humanity to secure human life. Love argues that God is nonviolent while retaining the core idea presented in the New Testament: witnesses that reconciliation occurs in the work of Christ and that the cross plays a role in that divine work.

The Silent Cry Dorothee Sölle, 2001 Today a kind of democratized mysticism of those without much religious background flourishes. This mystical experience is not drawn so much from the tradition as out of contemporary experiences. In that sense each of us is a mystic and Soelle's work seeks to give theological depth, clarity, and direction. This work conveys Soelle's deep religious knowledge and wisdom with her passion for social justice.

Erotic Faith Mari Kim, 2022-03-24 The thought of contemporary North American theologian and ethicist Wendy Farley is an unflinching clarion call to justice and compassion. Farley invites us to discover ways of embodying the deep compassion capable of resisting pernicious distortions and traumatizing injustices that harm and dehumanize us all. This volume of essays embodies her invitation to awaken as beloved community. And when we are overwhelmed by the magnitude of struggle and despair, Farley reminds us that the powerful longing for hope at times against all evidence refuses to give up on seeking justice and wholeness. Compassionate justice, radical hospitality, creative liberation, and deep listening emerge as more than ethical values for Farley; they are expressions of erotic faith, a praxis of faithfulness born of divine desire. These writings explore transformative perspectives and practices that have the capacity to help us recover and author our identity.

Gibson,2021-12-21 Our world is bathed in ongoing biological political cultural climate and spiritual crises that seem endless If anything these disruptions appear to be spiraling into ever larger threat fronts that challenge our survival as a species Carl Gustav Jung renowned Swiss psychiatrist avowed in his archetypal psychology that there is a portal of transforming possibility if we have the courage to enter that doorway That threshold entering demands that we embrace our individual and collective sufferings and then seek the path of meaning and destiny that is always resident deeply at the core of such trauma This book narrates how this destiny is found and lived forward for both each individual life and for our varied human cultures It affirms and gives examples of the deep soul dimension of life that lies under the often chaotic surface the liminal realm of animate and guiding dream vision myth and spirituality where the gods meet us so that we all can find our mutual way Home This liminal world is navigated through the metaphoric and literalness of pilgrimage performance and political processes in our personal and cultural lives What might be your path of destiny
