The New Partridge Dictionary of Slang and Unconventional English Tom Dalzell, Terry Victor, 2015-06-26 Booklist Top of the List Reference Source The heir and successor to Eric Partridge's brilliant magnum opus *The Dictionary of Slang and Unconventional English*, this two-volume *New Partridge Dictionary of Slang and Unconventional English* is the definitive record of post WWII slang. Containing over 60,000 entries, this new edition of the authoritative work on slang details the slang and unconventional English of the English speaking world since 1945 and through the first decade of the new millennium with the same thorough, intense and lively scholarship that characterized Partridge's own work. Unique, exciting and at times hilariously shocking, key features include unprecedented coverage of World English with equal prominence given to American and British English; slang and entries included from Australia, New Zealand, Canada, India, South Africa, Ireland and the Caribbean; emphasis on post World War II slang and unconventional English; published sources given for each entry, often including an early or significant example of the term's use in print; hundreds of thousands of citations from popular literature, newspapers, magazines, movies and songs illustrating usage of the headwords; dating information for each headword in the tradition of Partridge; commentary on the term's origins and meaning. New to this edition: A new preface noting slang trends of the last five years; Over 1,000 new entries from the US, UK and Australia; New terms from the language of social networking. Many entries now revised to include new dating, new citations from written sources and new glosses. *The New Partridge Dictionary of Slang and Unconventional English* is a spectacular resource infused with humour and learning; it's rude, it's delightful and it's a prize for anyone with a love of language.

A Copious and Critical Latin-English Dictionary, 1866 *A Latin-English and English-Latin Dictionary* Charles Anthon, 1865 *Harpers Weekly*, 1865 A Dave Robicheaux Ebook Boxed Set James Lee Burke, 2012-05-01 Catch up on Dave Robicheaux's latest adventures. This boxed set includes the three most recent novels featuring fan favorite Detective Dave Robicheaux: *The Tin Roof Blowdown*, *Swan Peak* and *The Glass Rainbow*, plus an excerpt from the next Robicheaux novel, *Creole Belle*, publishing July 2012. Robicheaux's creator, New York Times bestselling author James Lee Burke, is a rare winner of two Edgar Awards and in 2009 was named a Grand Master by the Mystery Writers of America. *The Tin Roof Blowdown*: In the waning days of summer 2005, a storm of unfathomable force peels the face off southern Louisiana. This is the gruesome reality of Iberia Parish. Sheriff's Detective Dave Robicheaux discovers, as he is deployed to New Orleans, Hurricane Katrina has left the commercial district and residential neighborhoods awash with bodies as well as looters and predators of every stripe. The power grid destroyed, New Orleans is reduced to the level of a medieval society. There is no law, no order, no sanctuary for the infirm, the helpless and the innocent. In the midst of an apocalyptic nightmare.

Robicheaux must find two serial rapists a morphine addicted priest and a vigilante who may be more dangerous than the criminals looting the city Swan Peak Swan Peak finds Detective Robicheaux far from his New Iberia roots fleeing with his wife and his old buddy Clete Purcel from the harsh gritty landscape of post Katrina Louisiana to a ranch in rural Montana The serenity of the untouched wilderness is soon shattered when two college students are brutally murdered in the hills behind the ranch and Clete and Dave are quickly ensnared in a dangerous mystery with a twisted cast of characters including a vicious oil tycoon a sexually deviant minister an escaped con and former country music star and a vigilante Texas gunbull out for blood All the while Clete can't shake the feeling that he's being haunted by a ghost from his past Sally Dio the mob boss he sabotaged and killed years ago The Glass Rainbow Detective Dave Robicheaux and his partner Clete Purcel are on the trail of a killer responsible for the deaths of seven young women a trail that always seems to lead back to the notorious pimp Herman Stanga whom they both despise But the case takes a nasty turn when Stanga turns up dead after a fierce beating by Purcel in front of numerous witnesses Adding to Robicheaux's troubles is his daughter Alafair's romantic involvement with the scion of a once prominent Louisiana family whom Robicheaux suspects is involved in some very shady business To protect his daughter and clear his best friend's name Robicheaux will need every ounce of guts wit and investigative chops he can muster Creole Belle excerpt Creole Belle begins with Dave Robicheaux in a recovery unit in New Orleans not quite sure what is real and what may be the effects of the painkillers he's been taking While there he receives a nighttime visit from a Creole girl named Tee Jolie Melton who leaves him an iPod with the country blues song Creole Belle on it Then she disappears Obsessed with the song and the memory of Tee Jolie Dave goes in search of her sister Blue who later turns up inside a block of ice floating in the Gulf Meanwhile an oil well blowout on the Gulf threatens the cherished environs of the bayous In the face of public indifference to both the blowout and Blue Melton's murder Dave and Clete must find their own way to bring those responsible to justice

What the Flock! Sally Urwin, 2024-09-24 From high heels to welly boots one woman's misadventures in becoming a farmer raising a family and making a living from the land Sally Urwin was living in a tiny flat in the city with a high pressure job She was depressed surviving off rescue remedies and wine and longing for a different life when she met and married farmer Steve Returned to the rolling hills of Northumberland a place she'd adored as a child Sally imagined herself wafting around High House Farm in floral dresses followed by a bevy of rosy cheeked children The reality is quite different Sally is usually wearing a jumper covered in sheep poo and bellowing at Mavis the collie to stop chasing Gladys the grumpy pony and her kids are moaning about being dragged outside while she is caring for a ewe who has ingested a poisonous plant after wandering into the neighbour's field But despite the chaos of juggling motherhood with running a farm financial hardship and dealing with poorly animals the exhilarating freedom of rural life has helped Sally to heal her own body and mind Lambing season might be backbreaking but the utter joy in cradling a new born lamb is worth all the sweat and tears With a mix of grit humour and the love of family Sally shows us that it's never too late to live the life
