As a student of Vedic Astrology one of the challenges that I faced was to study classical texts We have so much data and

every text has some exceptional content Most of the translators did not get a chance to validate the principles mentioned in the texts and due to this the accuracy of translation was reduced Over the period I also felt that novice students of Astrology could progress faster if they get validated knowledge This is also good for the development of Vedic Astrology Therefore I decided to publish my notes from various classical texts as a manual This book consists of my notes from Brihat Parashari Hora BrihatJatak Brihat Samhita Jataka Bharanam Faladeepika Saravali Bhavartha Ratnakar Muhurta Chintamani and Vishwakarmaprakash It is a good reference book for a novice student of Vedic Astrology **Vedic Astrology** Ronnie Gale Dreyer,1997-05-01 Vedic or Jyotish astrology has its roots in Indian and Hindu culture making it markedly different from its Western counterparts The author of this book explains how it can be used and how it shouldn't be used in this introduction Complete instructions easy to understand Charts Glossary Bibliography Index Ashtakavarga Secrets Saket Shah,2025-04-07 When I first encountered Ashtakavarga I was both intrigued and overwhelmed The grids of numbers bindus SAV totals vedhas they felt mechanical almost disconnected from the sacred pulse of Jyotish I had grown to revere But over time as I listened deeper I realized that these numbers whispered ancient truths They weren't just mathematical they were karmic echoes This book is the result of years spent meditating on those whispers I didn't want to write another technical manual I wanted to offer a living transmission something that feels as ancient as it is practical as precise as it is poetic My hope is that Ashtakavarga Decoded doesn't just inform you but transforms the way you look at charts karma and the journey of the soul To the seekers students mystics and teachers who feel drawn to this hidden key you are the guardians of Jyotish Keep the flame alive May your readings be more than predictions May they be revelations With reverence Saket Shah
