The Persian Boy A Novel Of Alexander The Great:

The Persian Boy Mary Renault, 2003 A narrative of the life of Alexander the Great from the age of twenty six until his death seven years later *The Novels of Alexander the Great* Mary Renault, 2013-09-10 A New York Times bestselling trilogy about the ancient Greek kingdom of Macedon and its leader from an author hailed by Hilary Mantel as a shining light *Fire from Heaven* is a gripping account of the formative years of Alexander's life The story tells of his complex relationship with his parents of his two great bonds to his horse Oxhead and to his dearest friend and eventual lover Hephaistion and of the army he commands when he is barely an adult Coming of age during the battles for southern Greece Alexander the Great first takes someone's life at age twelve and swiftly eliminates his rivals as soon as he comes to power emerging in this novel as a captivating and complex figure The iconic *Persian Boy* centers on the Macedon king as seen through the eyes of his lover and most faithful attendant the eunuch Bagoas When Bagoas is very young his father is murdered and he is sold as a slave to King Darius of Persia Then when Alexander conquers the land he is given Bagoas as a gift and the boy is besotted This passion comes at a time when much is at stake Alexander has two wives conflicts are ablaze and plots on his life abound The result is a riveting account of a great conqueror's years of triumph and ultimately heartbreak In *Funeral Games* a bloody struggle for power rages after the death of Alexander leaving an empire that extends from the Adriatic Sea to the Indus River The power players include Ptolemy two father son teams and a cadre of influential women not least of whom is Eurydike whose plan is to marry Alexander's disabled brother Arridaios Brimming with outsize personalities brazen plots and a sweeping sense of history *Funeral Games* brings to vivid life the world of Alexander the Great and the seismic tumult in the wake of his death This ebook features an illustrated biography of Mary Renault including rare images of the author Mary Renault is a shining light to both historical novelists and their readers She does not pretend the past is like the present or that the people of ancient Greece were just like us She shows us their strangeness discerning sure footed challenging our values piquing our curiosity she leads us through an alien landscape that moves and delights us Hilary Mantel *The Persian Boy* Mary Renault, 2014-08-07 One of the greatest historical novels ever written SARAH WATERS I love to find queer representation in historical fiction Renault's eye for intimacy is amazing DOUGLAS STUART Fierce complex and eloquent MADELINE MILLER Mary Renault is a shining light HILARY MANTEL A groundbreaking queer classic and powerful reimagining of the last years of Alexander the Great told through the eyes of his lover I thought There goes my lord whom I was born to follow I have found a king And I said to myself looking after him as he walked away I will have him if I die for it Bagoas abducted as a boy and sold as a eunuch has been transported to the heart of the Persian court as courtesan to King Darius But when the Macedon army conquers his homeland Bagoas finds freedom at the hands of their golden young commander whose name is already becoming a legend Alexander Their encounter sparks a passionate devotion that shapes the *Persian boy's* future and deepens into a relationship that will sustain them both through assassination plots political

intrigue and the threat of Alexander's own restless ambition This is a spellbinding tale of power loyalty and loss a vision of history transfigured by love Nowhere else in fiction have Alexander's beauty and charisma blazed with such potency TOM HOLLAND Passionate and captivating SE N HEWITT All my sense of the ancient world its value its style the scent of its wars and passions comes from Mary Renault EMMA DONOGHUE The Alexander Trilogy stands as one of the most important works of fiction in the twentieth century ANTONIA SENIOR THE TIMES *Brill's Companion to the Reception of Alexander the Great*, 2018-09-11 Brill's Companion to the Reception of Alexander the Great offers a considerable range of topics of interest to students and academics alike in the long tradition of this subject's significant impact across a sometimes surprising and comprehensive variety of areas Arguably no other historical figure has cast such a long shadow for so long a time Every civilisation touched by the Macedonian Conqueror along with many more that he never imagined has scrambled to own some part of his legacy This volume canvasses a comprehensive array of these receptions beginning from Alexander's own era and journeying up to the present in order to come to grips with the impact left by this influential but elusive figure

A History of Alexander the Great in World Culture Richard Stoneman, 2022-02-03 Explores how Alexander the Great has influenced literature art and culture in Europe and the Middle East over two millennia **Naughty Girls and Gay Male Romance/Porn: Slash Fiction, Boys' Love Manga, and Other Works by Female "Cross-Voyeurs" in the U.S. Academic Discourses** Carola Katharina Bauer, 2013-05-17 Despite the fact that there actually exists a large number of pornographic and romantic texts about male homosexuality consumed and produced by American women since the 1970s the abnormality of those female cross voyeurs is constantly underlined in U S popular and academic culture As the astonished public reactions in the face of a largely female heterosexual audience of *Brokeback Mountain* 2005 and *Queer as Folk* 2000 2005 have shown a woman's erotic romantic interest in male homosexuality is definitely not as accepted as its male counterpart men consuming lesbian porn In the academic publications on female cross voyeurs the application of double standards with regard to male female cross voyeurism is even more obvious As Karen Hellekson and Kristina Busse note in their Introduction to *Fan Fiction and Fan Communities in the Internet* 2006 slash fiction fan fiction about male homosexual relationships mainly produced and consumed by women has stood in the center of fan fiction studies so far despite being merely a subgenre of it The reason for this seems to be an urge to explain the underlying motivations for the fascination of women with m/m romance or pornography within the academic discourse a trend which differs completely from the extremely under theorized complex of men interested in lesbians It is this obvious influence of conventional gender stereotypes on the perception of these phenomena that provokes me to examine the way in which the works of female cross voyeurism and their consumers producers are conceptualized in the U S scholarly accounts In many ways this thesis explores unknown territories and respectively tries to take a closer look at academic problems that have not been adequately addressed yet **Alexander the Great** John Boardman, 2021-06-15 Alexander's defeat of the Persian Empire in 331 BC

captured the popular imagination inspiring an endless series of stories and representations that emerged shortly after his death and continues today An art historian and archaeologist Boardman draws on his deep knowledge of Alexander and the ancient world to reflect on the most interesting and emblematic depictions of this towering historical figure Some of the stories in this book relate to historical events associated with Alexander's military career and some to the fantasy that has been woven around him and Boardman relates each with his customary verve and erudition From Alexander's biographers in ancient Greece to the illustrated Alexander Romances of the Middle Ages to operas films and even modern cartoons this generously illustrated volume takes readers on a fascinating cultural journey as it delivers a perfect pairing of subject and author

SEX AND ALL THAT Mary Scriver, 2014-02-25 Cultural arrangements for human relationships are heavily coded for sex identification generatively economics disease violence families and war So many new discoveries birth control Viagra in vitro conception mosaic genetics surrogate mothers equal pay for equal work global population mixing plus edgy media influence and the shift from binaries to spectrums that much needs to be rethought

The Masks of Mary Renault Caroline Zilboorg, 2013-10-10 Born Eileen Mary Challans in London in 1905 Mary Renault wrote six successful contemporary novels before turning to the historical fiction about ancient Greece for which she is best known While Renault's novels are still highly regarded her life and work have never been completely examined Caroline Zilboorg seeks to remedy this in *The Masks of Mary Renault* by exploring Renault's identity as a gifted writer and a sexual woman in a society in which neither of these identities was clear or easy Although Renault's life was anything but ordinary this fact has often been obscured by her writing The daughter of a doctor she grew up comfortably and attended a boarding school in Bristol She received a degree in English from St Hugh's College in Oxford in 1928 but she chose not to pursue an academic career Instead she decided to attend the Radcliffe Infirmary in Oxford where she trained to be a nurse With the outbreak of the Second World War she was assigned to the Winford Emergency Hospital in Bristol and briefly worked with Dunkirk evacuees She went on to work in the Radcliffe Infirmary's brain surgery ward and was there until 1945 It was during her nurse's training that Renault met Julie Mullard who became her lifelong companion This important lesbian relationship both resolved and posed many problems for Renault not the least of which was how she was to write about issues at once intensely personal and socially challenging In 1939 Renault published her first novel under a pseudonym in order to mask her identity It was a time when she was struggling not only with her vocation nursing and writing but also with her sexual identity in the social and moral context of English life during the war In 1948 Renault left England with Mullard for South Africa and never returned It was in South Africa that she made the shift from her early contemporary novels of manners to the mature historical novels of Hellenic life The classical settings allowed Renault to mask material too explosive to deal with directly while simultaneously giving her an academic freedom to write about subjects vital to her among them war peace career women's roles female and male homosexuality and bisexuality Renault's reception complicates an understanding of her achievement for she has a special

status within the academic community where she is both widely read and little written about Her interest in sexuality and specifically in homosexuality and bisexuality in fluid gender roles and identities warrants a rereading and reevaluation of her work Eloquenty written and extensively researched *The Masks of Mary Renault* will be of special value to anyone interested in women's studies or English literature

The Historical Novel Jerome De Groot, 2009-09-10 The historical novel is not only an immensely popular genre but also one that raises fascinating questions about the nature of key foundational concepts such as fact and fiction history reading and writing This wide ranging guide offers an accessible introduction to both the genre and the critical debates around it

Darius in the Shadow of Alexander Pierre Briant, 2015-01-05 A detailed and incisive analysis of the recorded history surrounding the last king of Achaemenid Persia Darius III The last of Cyrus the Great's dynastic inheritors and the legendary enemy of Alexander the Great Darius III ruled over a Persian Empire that stretched from the Mediterranean to the Indus River Yet despite being the most powerful king of his time Darius remains an obscure figure As Pierre Briant explains in the first book ever devoted to the historical memory of Darius III the little that is known of him comes primarily from Greek and Roman sources which often present him in an unflattering light as a decadent Oriental who lacked the masculine virtues of his Western adversaries Influenced by the Alexander Romance as they are even the medieval Persian sources are not free of harsh prejudices against the king Dara whom they deemed deficient in the traditional kingly virtues Ancient Classical accounts construct a man who is in every respect Alexander's opposite feeble minded militarily inept addicted to pleasure and vain When Darius's wife and children are captured by Alexander's forces at the Battle of Issos Darius is ready to ransom his entire kingdom to save them a devoted husband and father perhaps but a weak king While Darius seems doomed to be a footnote in the chronicle of Alexander's conquests in one respect it is Darius who has the last laugh For after Darius's defeat in 331 BCE Alexander is described by historians as becoming ever more like his vanquished opponent a Darius like sybarite prone to unmanly excess Praise for Darius in the Shadow of Alexander Briant is the world's leading authority on the Persian empire that Alexander conquered one of few living scholars with the linguistic mastery to study both the Greco Roman and Persian sources and hence examine the reign of Darius from European and Asian perspectives In the intensely thorough analysis he conducts here he finds reasons to mistrust both traditions and thereby qualify the charge of cowardice that has shadowed Darius for more than two millennia His insights are penetrating and his mastery of the evidentiary record is unsurpassed Having deftly taken down much of the edifice supplied by the ancient accounts of Darius Briant finally turns architect and shows us how the rebuilding might begin James Romm *The Wall Street Journal* Briant's work as always is a significant contribution to Achaemenid studies a display of historiographical learnedness whose methods can benefit historians across ancient studies Jennifer Finn Bryn Mawr Classical Review

The Routledge Companion to the Reception of Ancient Greek and Roman Gender and Sexuality K. Moore, 2022-08-22 This Companion covers a range of receptions of ancient Greek and Roman gender and sexuality It explores ancient

representations of these concepts as we define them today as well as recent perspectives that have been projected back onto antiquity Beginning in antiquity the chapters examine how the ancient Greeks and Romans regarded concepts of what we would today call gender and sexuality based on the evidence available to us and chart the varied interpretations and receptions of these concepts across time to the present day In exploring how different cultures have received the classical past the volume investigates these cultures different interpretations of Greek and Roman sexualities and what these interpretations can reveal about their own attitudes Through the contributions in this book the reader gains a deeper understanding of this essential part of human existence derived from influential sources From ancient to modern and postmodern perspectives from cinematic productions to TikTok videos receptions of ancient gender and sexuality abound This volume is of interest to students and scholars of ancient history gender and sexuality in the ancient world and ancient societies as well as those working on popular culture and gender studies more broadly The Seduction of the

Mediterranean Robert Aldrich,2002-09-11 Through an explanation of forty figures in European culture The Seduction of the Mediterranean argues that the Mediterranean classical and contemporary was the central theme in homoerotic writing and art from the 1750s to the 1950s Episodes of exile murder drug taking wild homosexual orgies and court cases are woven into an original study of a significant theme in European culture The myth of a homoerotic Mediterranean made a major contribution to general attitudes towards Antiquity the Renaissance and modern Italy and Greece **Persian Boy** Mary Renault,Mary Renault, PSE,1982-01-01 A magnificent new noval revealing a little known facet of the life of Alexander the Great who in his 33 years conquered most of the known world and changed the entire course of history The story is told by Alexander s young companion Bagoas a real historical figure Sophiticated beyond his years schooled in the arts of love Bogoas served as both courtier and courtesan to Alexander A reading experience that will linger long in the memory The Literary Guild Magazine **Out** ,2002-04 Out is a fashion style celebrity and opinion magazine for the modern gay man

Encyclopedia of Homosexuality Wayne R. Dynes,2016-03-22 First published in 1990 The Encyclopedia of Homosexuality brings together a collection of outstanding articles that were at the time of this book s original publication classic pioneering and recent Together the two volumes provide scholarship on male and female homosexuality and bisexuality and reaching beyond questions of physical sexuality they examine the effects of homophilia and homophobia on literature art religion science law philosophy society and history Many of the writings were considered to be controversial and often contradictory at that time and refer to issues and difficulties that still exist today This volume contains entries from M Z **The Alexander Romance in Persia and the East** Richard Stoneman,Kyle Erickson,Ian Richard Netton,2012 Alexander the Great of Macedon was no stranger to controversy in his own time Conqueror of the Greek states of Egypt and of the Persian Empire as well as many of the principalities of the Indus Valley he nevertheless became revered as well as vilified Was he simply a destroyer of the ancient civilizations and religions of these regions or was he a hero of the Persian

dynasties and of Islam The conflicting views that were taken of him in the Middle East in his own time and the centuries that followed are still reflected in the tensions that exist between east and west today The story of Alexander became the subject of legend in the medieval west but was perhaps even more pervasive in the east The Alexander Romance was translated into Syriac in the sixth century and may have become current in Persia as early as the third century AD From these beginnings it reached into the Persian national epic the Shahnameh into Jewish traditions and into the Quran and subsequent Arab romance The papers in this volume all have the aim of deepening our understanding of this complex development If we can understand better why Alexander is such an important figure in both east and west we shall be a little closer to understanding what unites two often antipathetic worlds This volume collects the papers delivered at the conference of the same title held at the University of Exeter from July 26-29 2010 More than half the papers were by invited speakers and were designed to provide a systematic view of the subject the remainder were selected for their ability to carry research forward in an integrated way

Castration and Culture in the Middle Ages Larissa Tracy, 2013 Essays exploring medieval castration as reflected in archaeology law historical record and literary motifs Castration and castrati have always been facets of western culture from myth and legend to law and theology from eunuchs guarding harems to the seventeenth and eighteenth century castrati singers Metaphoric castration pervades a number of medieval literary genres particularly the Old French fabliaux exchanges of power predicated upon the exchange or absence of sexual desire signified by genitalia but the plain literal act of castration and its implications are often overlooked This collection explores this often taboo subject and its implications for cultural mores and custom in Western Europe seeking to demystify and demythologize castration Its subjects include archaeological studies of eunuchs historical accounts of castration in trials of combat the mutilation of political rivals in medieval Wales Anglo Saxon and Frisian legal and literary examples of castration as punishment castration as comedy in the Old French fabliaux the prohibition against genital mutilation in hagiography and early modern anxieties about punitive castration enacted on the Elizabethan stage The introduction reflects on these topics in the context of arguably the most well known victim of castration in the middle ages Abelard

The Punishment of Virtue Sarah Chayes, 2006

The Oxford Guide to British Women Writers Joanne Shattock, 1993 The growing interest today in women's writing has led to a re-evaluation of British literary history emphasizing the vitality of both well known women writers and bringing to light the work of numerous hitherto forgotten figures Assuming no previous knowledge on the part of readers The Oxford Guide to British Women Writers provides in a single volume an accessible and stimulating beginner's guide to the widest range of British women's writing from the earliest times to the present Entries on some 400 writers from Aphra Behn to Jeanette Winterson and Mary

Wollstonecraft to Barbara Cartland offer a brief outline of each woman's life, her major publications, contemporary critical reception, and an evaluation of significant features of her work, together with suggestions for further reading. The range of writers discussed includes novelists, poets, and playwrights, together with mystics, diarists, travel writers, scientists, and translators. The editor has carefully selected a number of non-British writers such as Sylvia Plath, who have had an important influence on the British literary scene. In addition, the Guide features subject entries and cross references to pseudonyms and maiden names, and provides an extensive general bibliography on women's writing. It also features entries on such topics as sub-genres of women's writing, and women's literary magazines and organizations. Concise, informative, and well organized, *The Oxford Guide to British Women Writers* will be an invaluable introduction for all readers and students of women's writing. In addition, the Guide features entries on such topics as sub-genres of women's writing, and women's literary magazines and organizations. With cross references to pseudonyms and maiden names, this clear, concise book will be an invaluable source for all readers, scholars, and students of women's writing.
