The Pinnacle A Memoir:

The Pinnacle H. W. Bingaman, 2013-09 Bingaman returns to his Iowa roots in this collection of anecdotes reminiscences and close calls among fighter pilots and their peers Recounting first his time in England as an American airman in a NATO squadron the narrative covers his time in Oregon the Midwest and Vietnam detailing the operations particularly the idiosyncrasies and frustrations of military programs and the officers that oversaw them In the Cold War shadows cast by Eisenhower and Khrushchev Bingaman changes locations multiple times taking his family with him In Vietnam as the war unfolds he finds himself caught between the dangerous requirements of his occupation and an American bureaucracy with strenuous demands but too little regard for the human costs A careful combination of career savvy and compassion helps Bingaman keep his wits sharp as friends disappear around him and the political situation grows thornier he manages to survive a war he judged to be a complete misfortune and in which the White House wasted arms effort and men Back cover
