Despite its rough and tumble image Chicago has long been identified as a city where books take center stage In fact a volume by A J Liebling gave the Second City its nickname Upton Sinclair s The Jungle arose from the midwestern capital s most infamous industry The great Chicago Fire led to the founding of the Chicago Public Library The city has fostered writers such as Nelson Algren Saul Bellow and Gwendolyn Brooks Chicago s literary magazines The Little Review and Poetry introduced the world to Eliot Hemingway Joyce and Pound The city s robust commercial printing industry supported a flourishing culture of the book With this beautifully produced collection Chicago s rich literary tradition finally gets its due Chicago by the Book profiles 101 landmark publications about Chicago from the past 170 years that have helped define the city and its image Each title carefully selected by the Caxton Club a venerable Chicago bibliophilic organization is the focus of an illustrated essay by a leading scholar writer or bibliophile Arranged chronologically to show the history of both the city and its books the essays can be read in order from Mrs John H Kinzie s 1844 Narrative of the Massacre of Chicago to Sara Paretsky s 2015 crime novel Brush Back Or one can dip in and out savoring reflections on the arts sports crime race relations urban planning politics and even Mrs O Leary s legendary cow The selections do not shy from the underside of the city recognizing that its grit and graft have as much a place in the written imagination as soaring odes and boosterism As Neil Harris observes in his introduction Even when Chicagoans celebrate their hearth and home they do so while acknowledging deep seated flaws At the same time this collection heartily reminds us all of what makes Chicago as Norman Mailer called it the great American city With essays from among others Ira Berkow Thomas Dyja Ann Durkin Keating Alex Kotlowitz Toni Preckwinkle Frank Rich Don Share Carl Smith Regina Taylor Garry Wills and William Julius Wilson and featuring works by Saul Bellow Gwendolyn Brooks Sandra Cisneros Clarence Darrow Erik Larson David Mamet Studs Terkel Ida B Wells Barnett Frank Lloyd Wright and many more **The Pit** Frank Norris,2017-02-02 Norris described The Pit as a fictitious narrative of a deal in the Chicago wheat pit which is the nickname of the trading floor of the Chicago Board of Trade where commodities are traded like stocks

and bonds One man tries to corner the market on wheat to make a fortune More than a business story the novel deals with love and the lack of love in a relationship selfishness power greed the financial power of men and lack of their power to control events that are shaped by nature Quote Think of it the food of hundreds and hundreds of thousands of people just at the mercy of a few men down there on the Board of Trade They make the price They say just how much the peasant shall pay for his loaf of bread If he can't pay the price he simply starves These poor people's lives are completely out of their hands In contrast Norris suggests that ultimately the men down in the Pit don't have power over them either nor over their own lives because above all nature rules *The Pit* Frank Norris, 2021-01-11 At eight o'clock in the inner vestibule of the Auditorium Theatre by the window of the box office Laura Dearborn her younger sister Page and their aunt Aunt Wess were still waiting for the rest of the theatre party to appear A great slow moving press of men and women in evening dress filled the vestibule from one wall to another A confused murmur of talk and the shuffling of many feet arose on all sides while from time to time when the outside and inside doors of the entrance chanced to be open simultaneously a sudden draught of air gushed in damp glacial and edged with the penetrating keenness of a Chicago evening at the end of February The Italian Grand Opera Company gave one of the most popular pieces of its repertoire on that particular night and the Cresslers had invited the two sisters and their aunt to share their box with them It had been arranged that the party should assemble in the Auditorium vestibule at a quarter of eight but by now the quarter was gone and the Cresslers still failed to arrive I don't see murmured Laura anxiously for the last time what can be keeping them Are you sure Page that Mrs Cressler meant here inside She was a tall young girl of about twenty two or three holding herself erect and with fine dignity Even beneath the opera cloak it was easy to infer that her neck and shoulders were beautiful Her almost extreme slenderness was however her characteristic the curves of her figure the contour of her shoulders the swell of hip and breast were all low from head to foot one could discover no pronounced salience Yet there was no trace no suggestion of angularity She was slender as a willow shoot is slender and equally graceful equally erect **Chicago in Story** Clarence A. Andrews, 1982 **The Pit** Frank Norris, 2021-02-18 The Pit was the second novel in Norris's proposed trilogy called The Epic of the Wheat In this story of Chicago Norris moves from the production of wheat to its distribution on world markets from the natural countryside of California to the artificial terrain of futures speculation Continuing his portrayal of the effects of temptation and greed Norris also depicts the decline evident in the space of only one generation from the moral generation of elders who made their money through honest labor to their degenerate offspring who labor only after money and the power it bestows The Pit was Norris's most successful novel in terms of sales and initial reception this may have been aided in part by its publication so soon after his sudden death but it was also a novel that spoke directly to the times Every major American naturalist from Stephen Crane to Jack London and from Rebecca Harding Davis to Edith Wharton acknowledged through their fiction that speculation gambling on the future had become an ironic indicator not only of economic but also of social progress in the United States *The Pit- a Story of*
