The Poet And The Private Eye:

The Poet and the Private Eye Rob Gittins, 2014 New York 1953 A private investigator takes on a tail job his quarry a newly arrived visitor from the UK The private eye has never heard of him but he will The mark is the Welsh poet Dylan Thomas And in three weeks time Mr Thomas will be dead Reprint first published in 2014 Booze and the Private Eye Rita Elizabeth Rippetoe, 2015-01-24 The hard bitten PI with a bottle of bourbon in his desk drawer it s an image as old as the genre of hard boiled detective fiction itself Alcohol has long been an important element of detective fiction but it is no mere prop Rather the treatment of alcohol within the works informs and illustrates the detective s moral code and casts light upon the society s attitudes towards drink This examination of the role of alcohol in hard boiled detective fiction begins with the genre s birth in an era strongly influenced and affected by prohibition and follows both the genre s development and its relation to our changing understanding of and attitudes towards alcohol and alcoholism It discusses the works of Dashiell Hammett Raymond Chandler Mickey Spillane Robert B Parker Lawrence Sanders Marcia Muller Karen Kijewski and Sue Grafton There are bibliographies of both the primary and critical texts and an index of authors and works **Private Eye** Wendy Morton, 2001 Private Eye draws upon the metaphor of the poet as private investigator to uncover a world of wonder hidden beneath the ordinary The precise yet musical use of language brings to life a world of food fantasy family and friendship while penetrating the shadows of loss **Shadowcatcher** Wendy Morton, 2004 These lyric poems like those in her previous books Private Eye and Undercover catch the shadows of life with clear sighted focus and economy she sees into the heart of things where she can catch the light **John Betjeman** Greg Morse, 2012-02-29 John Betjeman was undoubtedly the most popular Poet Laureate since Tennyson This book explores his identity through such Victorianism via the verse of that period but also its architecture religious faith and more importantly religious doubt The Ethics and Poetics of Alterity in Asian American Poetry Xiaojing Zhou, 2006-05 Publisher description **Whodunit?** Rosemary Herbert, 2003-05-08 Who populates the pages of crime and mystery writing Who are the characters we willingly follow into the mystery genre s uneasy imaginative territory And who created those characters in the first place What life experience and expertise informs their work What are the sources of their themes regional accents and even the axes that some grind Why do some wish to give us a good laugh while others seem hell bent on making us shudder Whodunit answers these questions and more Here mystery expert Rosemary Herbert brings together enlightening and entertaining information on hundreds of classic and contemporary characters and authors Some such as P D James Ian Rankin Sherlock Holmes and Kinsey Millhone appear in individual entries Still more keep company in articles about characters we admire such as the Clerical Sleuth and in pieces about those we love to hate including the Femme Fatale and Con Artist There is even an article on a figure that haunts so many great works of mystery The Corpse Drawing on the Edgar Award nominated volume The Oxford Companion to Crime Mystery Writing Herbert adds 101 new entries on the hottest new names in works ranging from

puzzling whodunits to chilling crime novels *The Detective and the Artist* J.K. Van Dover, 2019-02-11 This book focuses on the distinctive role that artists have played in detective fiction as detectives as villains and victims and as bystanders With a few significant exceptions literary detectives have always identified themselves as essentially the deconstructors of the artful crimes of others They may use various methods ratiocinative scientific or hard boiled but they always unravel the threads that the villains have woven into deceptive covers for their crimes The detective does in the end produce a work of art a narrative that explains everything that needs explanation But the detective's moral work is often juxtaposed to the aesthetic work of the painters poets and writers that the detective encounters during an investigation The author surveys this juxtaposition in works by important authors from the early development of the genre Poe Conan Doyle the golden age Bentley Christie Sayers James et al and the hard boiled era Hammett Chandler Macdonald Spicer et al *Private Eyes* Robert Allen Baker, Michael T. Nietzel, 1985 *Private Eyes* is the complete map to what Raymond Chandler called the mean streets the exciting world of the fictional private eye It is intended to entertain current PI fans and to make new ones

Australian Crime Fiction Stephen Knight, 2018-06-28 Australian crime fiction has grown from the country's origins as an 18th century English prison colony Early stories focused on escaped convicts becoming heroic bush rangers or how the system mistreated those who were wrongfully convicted Later came thrillers about wealthy free settlers and lawless gold seekers and urban crime fiction including Fergus Hume's 1887 international best seller *The Mystery of a Hansom Cab* set in Melbourne The 1980s saw a surge of private eye thrillers popular in a society skeptical of police Twenty first century authors have focused on policemen and increasingly policewomen and finally indigenous crime narratives The author explores in detail this rich but little known national subgenre **Cold War Poetry** Edward Brunner, 2001 Mainstream American poetry of the 1950s has long been dismissed as deliberately indifferent to its cultural circumstances In this penetrating study Edward Brunner breaks the placid surface of the hollow decade to reveal a poetry sharply responsive to issues of its time *Cold War Poetry* considers the fifties poem as part of a dual cultural project as proof of the competency of the newly professionalized poet and as a user friendly way of initiating a newly educated upwardly mobile postwar audience into high culture Brunner revisits Richard Wilbur Randall Jarrell and other acknowledged leaders of the period as well as neglected writers such as Rosalie Moore V R Lang Katherine Hoskins Melvin B Tolson and Hyam Plutzik He also examines the one sided authority of the male dominated book review process the ostracizing of female and minority poets poetic fads such as the ubiquitous sestina and the power of the classroom anthology to establish criteria for reading Attributing the gradual change in poetic style during the 1950s to the slow collapse of the authority of the state Brunner shows how a secretive anxious poetics developed in the shadow of a disabled government He recontextualizes the much maligned domestic verse of the 1950s reading its shift toward the private sphere and the recurrent image of the child as a reflection of the powerlessness of the post nuclear citizen Through a close examination of poetry written about the Bomb he delineates how poets registered

their growing sense of cosmic disorder in coded language resorting to subterfuge to continue their critique in the face of sanctions levied against those who questioned government policies Brilliantly decoding the politics embedded in the poetry of an ostensibly apolitical time Cold War Poetry provides a powerful rereading of a pivotal decade **Crime Fiction** John Scaggs, 2005 Provides a lively introduction to what is both a wide ranging and hugely popular literary genre Accessible and clear this comprehensive overview is the essential guide for all those studying crime fiction **The Selling and Self-Regulation of Contemporary Poetry** J.T. Welsch, 2020-03-31 The Selling and Self Regulation of Contemporary Poetry is the first book length study of the contemporary poetry industry By documenting radical changes over the past decade in the way poems are published sold and consumed it connects the seemingly small world of poetry with the other wider creative industries In reassessing an art form that has been traditionally seen as free from or even resistant to material concerns the book confronts the real pressures and real opportunities faced by poets and publishers in the wake of economic and cultural shifts since 2008 The changing role of anthologies prizes and publishers are considered alongside new technologies new arts policy and re conceptions of poetic labour Ultimately it argues that poetry s continued growth and diversification also leaves individuals with more responsibility than ever for sustaining its communities The Poet in the Code Room John Kimmey, 2019-05-13 A war and spy novel as well as a mystery this is the story of a poet recruited in the spring of 1943 to write poetry for coding and decoding messages in the OSS Jake Finny a college senior in the reserves finds himself dealing with a series of unexplained deaths in the Message Center As he moves from Washington to Algiers to Italy fearing for his life He goes AWOL and seeks those committing these crimes aided by the Italian girl his friend wanted to marry As the pressure on him intensifies he is haunted by the head of Counterintelligence a famous poet whom he can t determine whether he is sympathetic to him or thinks he is implicated in these deaths He has talked to him about the connection between poetry and counterintelligence and only later realizes to his sorrow what an important part the man has played in his life The novel is not only about Jake and his situation but also about the workings of OSS and the conditions in Italy during the war 4 photos A Merriam Press World War II Novel *Marty Frye, Private Eye: The Case of the Busted Video Games & Other Mysteries* Janet Tashjian, 2019-03-12 Book 3 in the Marty Frye young chapter book mystery series by bestselling author illustrator team Janet Tashjian and Laurie Keller In this new collection of mysteries everyone s favorite poet detective is back in action When a prankster tangles all the school jump ropes into knots and gym is canceled Marty pins down the culprit When five machines are mysteriously found broken at the arcade Marty jumps on the case And when Mom s phone goes missing after a trip to the mall Marty races against the clock to track it down before dinner But can he still manage to make up rhymes while he solves new crimes Broken into three short stories with a generous amount of art on each page this is an ideal stepping stone to longer chapter books Young readers will be off in search of a rhyme in no time Christy Ottaviano Books **Easterns, Westerns, and Private Eyes** Marcus Klein, 1994 Marcus Klein makes major

contributions to American studies literary criticism and intellectual and social history In a perfectly crystalline and crystallized way he brilliantly exhibits how the American imagination was rapidly unexpectedly and utterly transformed as we made for the twentieth century Klein demonstrates how immigration popular literature the rise of ethnicity new psychological fears and old fables mixed together to make modern America No one has seen the underside of the American imagination so clearly and originally but once we are allowed to see what Klein does our understanding of our history and its vicissitudes is changed for good Jay Martin University of Southern California *Annual Burns Chronicle and Club Directory* Burns Federation,1892 *Annual Burns Chronicle and Club Directory* ,1892 **Poetry Los Angeles** Laurence Goldstein,2014-03-12 A look at the poetry of one of America s most populous and fascinating cities with poems spanning from 1942 to 2012 **Private Eye** ,1987
