Vogue Dianne F. Sadoff,2010 Ranging from cinematic images of Jane Austen s estates to Oscar Wilde s drawing rooms Dianne F Sadoff looks at popular heritage films often featuring Hollywood stars that have been adapted from nineteenth century novels Victorian Vogue argues that heritage films perform different cultural functions at key historical moments in the twentieth century According to Sadoff they are characterized by a double historical consciousness one that is as attentive to the concerns of the time of production as to those of the Victorian period If James Whale s Frankenstein and Tod Browning s Dracula exploited post Depression fear in the 1930s the horror films of the 1950s used the genre to explore homosexual panic 1970s movies elaborated the sexuality only hinted at in the thirties and films of the 1990s indulged the pleasures of consumption Taking a broad view of the relationships among film literature and current events Sadoff contrasts films not merely with their nineteenth century source novels but with crucial historical moments in the twentieth century showing their cultural use in interpreting the present not just the past Cinema, Television and History Laura Mee,Johnny

Walker,2014-10-16 Including essays from established and up and coming scholars Cinema Television and History New Approaches rethinks recontextualises and reviews the relationship between cinema television and history This volume

incorporates a wide range of methods to a variety of topics welcoming both empirical and theoretical approaches as well as studies which merge the two It is a book about how historical events are interpreted and adapted across cinema and television as the basis of a story as much as it is about the endeavours of the practising historian through the exploration of the archive Divided into five parts New meanings new methods Re contextualising cinema and television history Rethinking histories of cinema and television Rethinking history through cinema and television and The impact of new technologies the book is knowingly broad and diverse in terms of the case studies featured within it and the means through which these examples are examined explored and utilised in their respective chapters *The Portrait of a Lady* Henry James, 2015-10-09

Serials to Graphic Novels Catherine J. Golden, 2018-10-01 The Victorian illustrated book came into being flourished and evolved during the long nineteenth century While existing scholarship on Victorian illustrators largely centers on the realist artists of the Sixties this volume examines the entire lifetime of the Victorian illustrated book Catherine Golden offers a new framework for viewing the arc of this vibrant genre arguing that it arose from and continually built on the creative vision of the caricature style illustrators of the 1830s She surveys the fluidity of illustration styles across serial installments British and American periodicals adult and children's literature and more recently graphic novels *Serials to Graphic Novels* examines widely recognized illustrated texts such as *The Pickwick Papers* *Oliver Twist* *Alice in Wonderland* *Peter Rabbit* and *Trilby* Golden explores factors that contributed to the early popularity of the illustrated book the growth of commodity culture a rise in literacy new printing technologies and that ultimately created a mass market for illustrated fiction Golden identifies present day visual adaptations of the works of Austen Dickens and Trollope as well as original Neo Victorian graphic novels like *The League of Extraordinary Gentlemen* and Victorian themed novels like *Batman No 1* as the heirs to the Victorian illustrated book With these adaptations and additions the Victorian canon has been refashioned and repurposed visually for new generations of readers

Serials and Series Buck Rainey, 2010-04-06 While many fans remember *The Lone Ranger* *Ace Drummond* and others fewer focus on the facts that serials had their roots in silent film and that many foreign studios also produced serials though few made it to the United States The 471 serials and 100 series continuing productions without the cliffhanger endings from the United States and 136

serials and 37 series from other countries are included in this comprehensive reference work Each entry includes title country of origin year studio number of episodes running time or number of reels episode titles cast production credits and a plot synopsis **BBC Handbook** British Broadcasting Corporation,1969 *Serials on British Television, 1950-1994* Ellen Baskin,1996 This volume presents the first ever comprehensive anthology of dramatic television serials For the purposes of this book a serial is defined as a drama broadcast in a number of episodes telling one connected story The rise and development of the serial into its current and well loved form has not been chronicled in this way before Up till now it has been extremely difficult to study the British serial in any coherent way many varied and scattered sources would have had to be consulted This book is arranged by decade with each serial listed chronologically by its first episode Each entry gives details of title date and timing which TV company produced it how many episodes of what type eg science fiction thriller the place and era in which it is set who produced directed and wrote the work if appropriate the book title and author on which the serial was based the cast its availability on video and lastly a synopsis of the plot and any interesting or special points about it Detailed indexing allows easy access to information previously difficult to connect and compile Readers will be able to search by title by type and era by producer director and writer and by cast and main character **Spectacular Television** Helen Wheatley,2016-06-20 In terms of visual impact television has often been regarded as inferior to cinema It has been characterised as sound led and consumed by a distracted audience Today it is tempting to see the rise of HD television as ushering in a new era of spectacular television Yet since its earliest days the medium has been epitomised by spectacle and offered its viewers diverse forms of visual pleasure Looking at the early promotion of television and the launch of colour broadcasting **Spectacular Television** traces a history of television as spectacular attraction from its launch to the contemporary age of surround sound digital effects and HD screens In focusing on the spectacle of nature landscape and even our own bodies on television via explorations of popular television dramas documentary series and factual entertainment and ambitious natural history television Helen Wheatley answers the questions what is televisual pleasure and how has television defined its own brand of spectacular aesthetics **Global Jane Austen** L. Raw,R. Dryden,2013-08-20 Despite dying in relative obscurity Jane Austen has become a global force as different readers across time space and media have responded to her work This volume examines the ways in which her novels affect individual psychologies and how Janeites experience her work from visiting her home to public re enactments to films based on her writings **BBC Annual Report and Handbook 1986** British Broadcasting Corporation,1985 **Watch and Ward** Henry James,2023-03-09 The Cambridge Edition of the Complete Fiction of Henry James provides for the first time a scholarly edition of a major writer whose work continues to be read quoted adapted and studied While *Watch and Ward* has long been dismissed as an early apprentice work it marks an important stage in James s development as a fiction writer building upon the stories he wrote during the late 1860s and pointing at the same time to the works he would write during the ensuing decade and which would

secure his reputation including *Daisy Miller* *The American* and *The Portrait of a Lady* Extensive explanatory notes enable modern readers to understand the novel's historical cultural and literary references **Listener and BBC Television Review** ,1990-10 **Adapting Henry James to the Screen** Laurence Raw,2007 Adapting a novel for cinema or television is first and foremost a business enterprise where the screenwriter has to take into account the wishes of conflicting interest groups including producers stars directors and spectators The Largest Theatre in the World Shaun Sutton,1982 The Portrait of a Lady:Classic Original Edition by Henry James(Annotated) Henry James,2021-12-05 *The Portrait of a Lady* is a novel by Henry James first published as a serial in *The Atlantic Monthly* and *Macmillan's Magazine* in 1880-81 and then as a book in 1881 It is one of James's most popular long novels and is regarded by critics as one of his finest
