## **The Priestess A Novel:**

**The Priestess** Mrs. Lidian Ruth (Moore) Stanley, 1935

**Red-Robed Priestess** Elizabeth Cunningham, 2013-02-05

After a life of passion and adventure that has brought her through slavery to the Resurrection garden through the controversies of the Early Church to a hermit cave in southern Gaul, Maeve the Celtic Mary Magdalen returns to the Holy Isles accompanied by Sarah her daughter with Jesus. Their mission to find Maeve's first born child stolen from her by the druids more than forty years ago. Since then Maeve's homeland has suffered its own trials: Roman invasion and occupation of the Celtic tribes to the east and south are under direct rule and the Romans are determined to rout the resistance of the western tribes, resistance fueled by the druids of Mona. Just before she crosses the channel from Gaul to Britain, Maeve encounters a man she mistakes for Jesus's ghost. This familiar stranger is equally haunted and the two are drawn into a moonstruck liaison that will entwine their lives in an impossible Celtic knot. For unbeknownst to Maeve at the time, he is none other than General Gaius Suetonius Paulinus, the newly appointed Roman Governor of Britain. Maeve keeps this troubling trust a secret even after she finds her long lost daughter Boudica, the fierce and charismatic queen of the Iceni tribe. Druid trained in her youth, Boudica married the Iceni king hoping to rally him to a rebellion for which he has no stomach. Now estranged from her husband, Boudica keeps the old ways sustained by her pride in her descent from her father and Maeve's late great druid, Lovernios. Seeking to circumvent disaster, Maeve travels back and forth from Iceni country to Mona, from the heart of native resistance to a Roman fort on the Western front, steadfast in her conviction. Love is as strong as death.

**The Priestess & the Pen** Sonja Sadosky, 2014-12-08. This important book by debut author Sonja Sadosky shines new light on how three captivating minds shaped the course of history. The fantasy novels of Dion Fortune, Marion Zimmer Bradley, and Diana L. Paxson influenced the image of the priestess in Neopagan and Goddess-centered spirituality throughout the world. *The Priestess the Pen* shows how their work changed the way women are depicted in literature, created space for women to reclaim their power, and energized the women's equality movement. Presenting a reinterpretation of the Goddess as fourfold rather than threefold, *The Priestess the Pen* adds dimension and relevance to the traditional Triple Goddess archetype in a way that has never before been considered with such compelling clarity. This book is poised to become a vital interpretation of the Pagan priestess.

[Spirituality as Ideology in Black Women's Film and Literature](#) Judylyn S. Ryan, 2005. Given the ways in which spirituality functions in the work of such Black women writers and filmmakers as Toni Morrison, Ntozake Shange, Maya Angelou, Julie Dash, and Euzhan Palcy, Judylyn Ryan proposes in this challenging new study that what these women embrace in their narrative construction and characterization is the role and responsibility of the priestess: bearing and distributing life force to sustain the community of people who read and view their work. Central to these women's vision of transformation is what Ryan calls a paradigm of growth and an ethos of interconnectedness which provide interpretive models for examining and teaching a broad range of artistic, cultural, and social texts. The focus on theology

provides a new way of viewing the connections among New World African diaspora religious traditions challenging the widespread and reductive assumption that Afro Christianity shares no philosophical commonalities with Santeria Candomble Voodun and other traditions that are not christological In addition to exploring spirituality as epistemology the book also provides an inter textual reading of Black women s literary and film texts that examines the ways in which these works expose mediate and interpret the cultural social and historical conditions surrounding their production While most discussions of Black women s engagement with and contribution to the discursive space of the culture assume an oppositional or reactive stance Ryan argues that the disposition reflected in the texts she examines tends to be relational and proactive conferring an autonomy that the gravitational pull between opposites lacks This inter textual reading constitutes a multimedia auteur criticism of a collective artistic vision

*The Occult Novels of Dion Fortune* Georgia van Raalte,2025-01-28 This monograph explores the work of Dion Fortune one of the most prolific British occult authors of the interwar period and her claim that her books had an initiatory quality She held that reading her books and meditating on their contents could produce a lasting change in consciousness which in turn could lead to lasting changes in an individual s life This book aims to rehabilitate a figure largely forgotten by both the fields of Literature and of Esotericism and proposes a framework for analysing initiatory fiction and the experience of fictional initiation The study presents a new avenue for research and theoretical perspective on literary texts from the Occult Revival as well as on famed modernist texts and more contemporary occult fiction
