The Queen Of Four Kingdoms:

The Queen Of Four Kingdoms HRH Princess Michael of Kent,2013-10-17 At the age of nineteen Yolande of Aragon is sent away from her family her friends and everything she knows to marry the young Duke of Anjou King Charles VI s first cousin Their marriage has been arranged to form an alliance between the previously warring kingdoms of Aragon and Anjou and is politically fraught in a time of great danger and unrest Yet the union between Yolande and Louis becomes not only a great love story but also sets in motion events which will change the course of history As Louis spends more and more time and money fighting in Italy for his claim to the Kingdom of Naples Yolande is left alone with their six children to govern their lands But through her charm fierce intelligence and the clever use of her spies she becomes the saviour of not just her kingdoms but also of France Her Royal Highness Princess Michael of Kent unveils this seldom told story enriched by her own insider s perspective of royal life The Queen of Four Kingdoms is the epic true story of a rich and riveting period of French and English history all witnessed by the captivating and complex heroine Yolande *Queen of Four Kingdoms* H. R. H. Princess Mic Kent,2013-10-17 *The Four Kingdoms* Tania Wiseman,2024-11-07 The Four Kingdoms is a fictional book about four neighboring realms the Kingdom of the Rising Moon the Kingdom of the Setting Sun the Kingdom of the Burning Sands and the Kingdom of the Wretched Forests In these kingdoms dwell creatures of myth battles of revenge and jealousy dragons Pegasi and their riders and families intertwined with one another or are they Magic spells potions and water basins that lead into the spirit realm exist in these kingdoms Elves hatred and love all play a part in this magically induced story Are the twins really twins or are they cursed Is the prince truly cursed or under a spell The Kingdom of the Wretched Forests has magic wood in the trees grown there while the Kingdom of the Burning Sands raises dragons and dragon riders Is the queen really a queen or a witch How will the Kingdom of the Rising Moon deal with the elves from the north or will they even care Will the princess truly fulfill the ancient myth of being the bearer of the next dragon master This tale of fiction is intriguing as magic portals open demons are summoned and cloaks and amulets are used Friends foes archenemies who knows for sure But watch the skies because vampires and griffins with harpies roam around Come Sit a spell and discover all that there is in The Four Kingdoms **The Queen's Tale** DJ Birmingham,2007-12-26 The struggle for the survival of Ireland in the 14th Century An Irish friar scribes the tale of an ancient Irish Queen whose tormented soul is imprisoned in a second century Gaelic brooch The Golden Harp The demonic destruction spread by the evil queens spirit will lead to the death of one of every three individuals in Ireland in the early 14th Century The Queens Tale chronicles the journey of the brooch as it travels from Ireland into England then to Scotland and back again into Ireland leaving a trail of death and destruction Two individuals vie for the right to possess the brooch believing it to be a sacred relic of St Patricks that will protect the one who wears it from all danger John de Bermingham the second son of an Irish baron is first to wear the brooch He is obsessed with winning an earldom and becoming the English kings justiciar of Ireland Despite being betrothed to one of the earl of Ulsters

daughters he rescues and falls in love with an Irish princess deemed unsuitable Three times he will regain possession of the brooch Only a sacred rosary given to him by a mysterious Italian Franciscan friar protects his life Unknown to John he can defeat the ancient evil in the brooch if he is able to pass four preordained tests in his journey of life The first is a test of devotion where he bestows the brooch to an unattainable love The second is a test of obedience where he must give up the brooch to a weak king For the third test he must decline to become a king In the fourth and final test he of Anglo Norman heritage must become more Irish than the native Irish and unselfishly give up his life for the undeserving king The second to control possession of the brooch is Edward II King of England He is weak and easily manipulated by false friends seeking only wealth and power He would rather thatch and dig ditches than be king Married to Isabella of France he prefers the couch of his male lovers to her He gives the brooch to three of his favorites who die violently He leads England into civil war and the loss of Scotland Only after being imprisoned by his queen and her lover and forced to abdicate does he grasp and repent his folly After defeating the English at the battle of Bannockburn the Scottish King Robert the Bruce gives permission to his younger brother Edward to invade and conquer Ireland Edward Bruce leads his army of seasoned Scots into Ireland wearing the Golden Harp Brooch He had taken it from the slain body of Edward IIs favorite nephew at Bannockburn After three years of Bruces terror and defeat of defending armies John de Bermingham steps forward to lead the Anglo Norman militias of Ireland into the final battle against the never defeated Bruce whom the native Irish had crowned High King of all Ireland The historical novel is based on actual historical events and individuals Only the motivations and inner feelings of the main characters are based on the authors imagination Of the twenty four characters in the novel only four are fictional The opening sequence of the novel starts with a monologue given by the novels narrator an Irish Dominican monk from Athenry County Galway Grey Friars Church London 1528 A D An Irish Friar speaks Have I gone mad For the past two days I Seamus Cassidy a lowly Dominican priest have been conversing non stop in Gaelic with the devil I am upset and fearful as to why this evil spirit from the depths of hell has chosen to disclose to me an incredible tale which reveals some of the darkest secrets of the fourteenth century Was the King of England brutally murdered in 1327 Or did the much maligned Edward II escape his intended murders flee into Ireland and then later live hidden for the rest of his natural life in Italy I now possess all the knowledge I need to know to lay
