County Alabama The daughter of Adolphus Smith b 1911 and Flora Gladys Moon Smith b 1913 She married Luther Allen Cress in 1948 Ancestors lived in Alabama Georgia Virginia South Caroline and elsewhere *The Free State of Jones, Movie Edition* Victoria E. Bynum, 2016-01-25 Between late 1863 and mid 1864 an armed band of Confederate deserters battled Confederate cavalry in the Piney Woods region of Jones County Mississippi Calling themselves the Knight Company after their captain Newton Knight they set up headquarters in the swamps of the Leaf River where they declared their loyalty to the U S government The story of the Jones County rebellion is well known among Mississippians and debate over whether the county actually seceded from the state during the war has smoldered for more than a century Adding further controversy to the legend is the story of Newt Knight s interracial romance with his wartime accomplice Rachel a slave From their relationship there developed a mixed race community that endured long after the Civil War had ended and the ambiguous racial identity of their descendants confounded the rules of segregated Mississippi well into the twentieth century Victoria Bynum traces the origins and legacy of the Jones County uprising from the American Revolution to the modern civil rights movement In bridging the gap between the legendary and the real Free State of Jones she shows how the legend what was told what was embellished and what was left out reveals a great deal about the South s transition from slavery to segregation the racial gender and class politics of the period and the contingent nature of history and memory In a new afterword Bynum updates readers on recent scholarship current issues of race and Southern heritage and the coming movie that make this Civil War story essential reading The Free State of Jones film starring Matthew McConaughey Gugu Mbatha Raw and Keri Russell will be released in May 2016
