

WHY IS THE  
RESURRECTION  
OF THE BODY  
IMPORTANT?

# The Resurrection Of The Body

**Matt O'Reilly**

## **The Resurrection Of The Body:**

*The Resurrection of the Body in Western Christianity, 200-1336* Caroline Walker Bynum, 2017-11-21 A classic of medieval studies *The Resurrection of the Body in Western Christianity 200 1336* traces ideas of death and resurrection in early and medieval Christianity Caroline Walker Bynum explores problems of the body and identity in devotional and theological literature suggesting that medieval attitudes toward the body still shape modern notions of the individual This expanded edition includes her 1995 article *Why All the Fuss About the Body A Medievalist s Perspective* which takes a broader perspective on the book s themes It also includes a new introduction that explores the context in which the book and article were written as well as why the Middle Ages matter for how we think about the body and life after death today **The Resurrection of the Body** E W Bullinger, 2017-12-22 Each Easter time Christians celebrate the resurrection from the dead of our Lord Jesus Christ but the Bible has a lot to say about the resurrection of each Christian that is the resurrection of the body In fact it is the hope of each and every believer in Jesus Christ As Paul wrote in Philippians 3 20 21 But our citizenship is in heaven And we eagerly await a Saviour from there the Lord Jesus Christ who by the power that enables him to bring everything under his control will transform our lowly bodies so that they will be like his glorious body That being the case what does the Bible say about The Resurrection of the Body In this book Bullinger answers that question The Power of the Resurrected Body George C. Evans, 2025-01-28 In *The Power of the Resurrected Body* the journey from ancient Jewish beliefs to modern Christian understandings of the afterlife is explored in depth The book delves into the transformative promise of bodily resurrection paralleling Jesus own resurrection Drawing on historical and cultural perspectives it examines the evolving concepts of the body from Hellenistic Judaism to post Enlightenment Christianity The mystery of Jesus physical existence his birth death and the empty tomb serves as a focal point for understanding the nature of the resurrected body Engaging with diverse viewpoints the study highlights the significance of bodily continuity and the unique spiritual and physical dimensions of resurrection This book offers a fresh perspective on the role of the body in the afterlife exploring its preparation and preservation as key to eternal existence The Resurrection Body "according to the Scriptures" Wilbert Webster White, 1923 THE RESURRECTION BODY "According to the Scriptures" Wilbert W White, 2021-02-23 The pivotal relation of the resurrection to the Christian system has been generally acknowledged It is the cardinal fact of Christianity In this book the author delves into the how and why of key points of the Resurrection a precursor to the Christian s resurrection He distinguishes between a resurrection and a resuscitation showing that Lazarus was resuscitated while Jesus was resurrected He counters the error of reincarnation and discusses why this is incompatible with the Scriptures Dealing with skeptics he thoroughly refutes the major theories that deny the resurrection the Theory of Fancy the Theory of Fraud and the Theory of Phantom One of the most significant points he brings out is that that the angel rolled away the stone from the door of the tomb to let the outsiders in not to let Jesus out In that tomb were evidences of the resurrection which it was desirable

the disciples should see The winding sheets spoke as eloquently and convincingly of entrance into new life as the empty shell of the chrysalis speaks of the flight of the butterfly Lazarus brought the wrappings that were wound about him with him when he came from the grave Furthermore he converses the accounts of the Resurrection in each of the gospels and concludes with a homily on the power of the Resurrection and its first fruits for believers Homage is paid by the editor to the author's son a WWI flying ace who was killed in action defending a fellow pilot Certainly his son's heroic death must have been very much on his mind and what comfort meditating on these truths must have brought the author **The**

**Resurrection of the Dead** Calvin Kingsley, 1855 **Paul and the Resurrected Body** Matt O'Reilly, 2020-03-20 A new reading of Pauline theology ethics and eschatology grounded in social identity theory and sociorhetorical criticism Readers often think of Paul's attitude toward the resurrection of the body in individual terms a single body raised as the climax of an individual's salvation In **Paul and the Resurrected Body Social Identity and Ethical Practice** Matt O'Reilly makes the case that for Paul the social dimension of future bodily resurrection is just as important if not more so Through a close reading of key texts in the letters to the Corinthians Romans and Philippians O'Reilly argues that resurrection is integral to Paul's understanding of Christian social identity In Paul's theological reasoning a believer's hope for the future depends on being identified as part of the people of God who will be resurrected Features A clarification of the eschatological basis for Paul's ethical expectations Exploration of the social significance of Paul's theological reasoning An integration of ancient rhetorical theory with contemporary social identity theory A Homiletic Encyclopaedia of Illustrations in Theology and Morals Robert

Aitkin Bertram, 1889 **DR. WILLIAM SMITH'S DICTIONARY OF THE BIBLE; COMPRISING ITS ANTIQUITIES, BIOGRAPHY, GEOGRAPHY, AND NATURAL HISTORY.** , 1872 **Handbook of Death and Dying** Clifton D.

Bryant, 2003-10 Dying is a social as well as physiological phenomenon Each society characterizes and consequently treats death and dying in its own individual ways ways that differ markedly These particular patterns of death and dying engender modal cultural responses and such institutionalized behavior has familiar economical educational religious and political implications The **Handbook of Death and Dying** takes stock of the vast literature in the field of thanatology arranging and synthesizing what has been an unwieldy body of knowledge into a concise yet comprehensive reference work This two volume handbook will provide direction and momentum to the study of death related behavior for many years to come Key Features More than 100 contributors representing authoritative expertise in a diverse array of disciplines Anthropology Family Studies History Law Medicine Mortuary Science Philosophy Psychology Social work Sociology Theology A distinguished editorial board of leading scholars and researchers in the field More than 100 definitive essays covering almost every dimension of death related behavior Comprehensive and inclusive exploring concepts and social patterns within the larger topical concern Journal article length essays that address topics with appropriate detail Multidisciplinary and cross cultural coverage **Quiver** , 1888 V 12 contains The Archer Christmas 1877 **The Resurrection of the Body** Frederick

Matthias Alexander, Edward Maisel, 1978      **Metropolitan Pulpit and Homiletic Monthly**, 1892      *On the Resurrection, Volume 3* Gary Habermas, 2025-05-15 In the third volume of his magnum opus Gary R Habermas identifies, collects and summarizes hundreds of scholarly treatments related to the resurrection *On the Resurrection Volume 3 Scholarly Perspectives* offers a thorough lay of the land for anyone wanting to pursue an in depth study of Jesus of Nazareth's resurrection

**Christian Theology** Alister E. McGrath, Matthew J. Thomas, 2024-09-13 Offers a lively, concise and easily accessible approach to the development of Christianity's core themes over the centuries As Christianity enters into a new phase of expansion the study of Christian theology continues to play a key role in modern intellectual culture as well as to those wanting to understand the central issues and preoccupations of the Middle Ages the European Reformation or many other periods in human history Since its initial publication more than 30 years ago *Christian Theology An Introduction* has established itself as one of the most respected and widely used theological textbooks Now in its seventh edition this classic textbook remains an unparalleled introduction to the primary concepts, themes and developments of 2 000 years of Christian thought Designed for students with no prior knowledge of the subject *Christian Theology* provides an overview of historical theology, explains central aspects of philosophical theology, describes major debates over Christian theological method and explores key doctrines of systematic theology Theologically neutral chapters offer balanced coverage of Catholic, Orthodox, Protestant and evangelical traditions, positions, perspectives and insights In this new edition renowned theologian Alister E McGrath is joined by educationalist Matthew J Thomas to ensure that *Christian Theology* connects with a range of contemporary teaching contexts Reviewed and improved content is supported by an entirely new series of fifteen lectures on Christian theology written and presented by Professor McGrath *Christian Theology An Introduction Seventh Edition* remains the ideal textbook for university courses in Christian theology, seminary courses across denominations, church discussion groups, adult Sunday schools and those looking for a reliable guide to the study of Christian thought

**The Battle for the Resurrection** Norman L. Geisler, 2004-06-21 Since the belief in a purely spiritual resurrection of Christ is prevalent in many cults those involved in countering the rise and growth of cults would benefit greatly from reading this book Dr Walter Martin, author of *The Kingdom of the Cults*, Dr Geisler's book is effectively designed as an antidote to the misery of turning Christ's factual resurrection into an event outside the bounds of ordinary history Dr John Warwick Montgomery, author of *History and Christianity*, Geisler demonstrates not only the danger in the theology of various cults but also the tendency to discount the bodily resurrection of the Lord even among evangelicals It is essential reading for every pastor and student Dr Paige Patterson, author of *Song of Solomon*, The proclamation that Jesus was raised in the same physical body in which he died is just as important today as it was in the first century The book signals such a call to the importance of this doctrine Dr Gary Habermas, Distinguished Professor of Apologetics and Philosophy, Liberty University

**The Mystery of the Resurrection in the Light of Anthroposophy** Sergei O. Prokofieff, 2010 We live today at a time when the full mystery of the Resurrection

body can become manifest to human beings out of the inspirations of Michael This was accomplished by Rudolf Steiner not just in a theoretical sense but also practically and came about through the establishing of a path accessible to all human beings which leads to a union with the forces of the Resurrection body Sergei Prokofieff approaches the deepest mysteries of the Turning Point of Time the Christ event through Rudolf Steiner's spiritual research At its heart stands the question of the restoration of the phantom of the physical body and its transformation into the resurrected body of Christ through the Mystery of Golgotha The author draws a broad and differentiated picture of the tasks and possibilities that the Easter event as well as Ascension and Pentecost present both for the individual and humanity The final chapter considers the mystery of Easter Saturday through which the two polar aspects of the Mystery of Golgotha death and resurrection interconnect also explaining the relationship between the Earth Spirit and the interior of the Earth An appendix tackles the phenomenon of stigmatization from a spiritual scientific perspective

**Debates Over the Resurrection of the Dead** Outi Lehtipuu, 2015

In *Debates over the Resurrection of the Dead* Outi Lehtipuu highlights the striking observation that in many early texts the way that belief in resurrection is formulated is used as a sign of inclusion and exclusion not only in relation to non Christians but vis a vis other Christians Those who teach otherwise have deviated from the truth are not true Christians and do the works of the devil Using insights from the sociological study of deviance Dr Lehtipuu demonstrates that labelling was used as a tool for marking boundaries between those who belonged and those who did not This was extremely important in the fluid conditions where the small Christian minority groups found themselves In a situation where there were no universally accepted structures that defined what constituted the true Christian belief several competing interpretations and their representatives struggled for recognition of their views based on what they believed to be the apostolic tradition The most hotly debated aspect of resurrection was whether it would entail the body of flesh and blood or not When resurrection would take place was closely related to this Controversies died since the scriptural legacy was ambiguous enough to allow different hermeneutical solutions The battle over resurrection was closely related to the question of how scriptures were to be understood as well as to what constituted the human self that would survive death To demonstrate this a wide variety of texts are studied from theological treatises including relevant Nag Hammadi texts to apocryphal acts and martyrologies

Acknowledging the complexity and diversity of the early Christian movement this volume views early Christian discourse as part of the broader ancient discursive world where similar debates were going on among both Jews and the majority population

**Discussion Between ... John L. Shinn, of the Universalist Church and ... Mark H. Forscutt, of the Reorganized Church of Jesus Christ of Latter-Day Saints, Held at Rock Creek, Ills., August 10th-13th, 1875** John L. Shinn, 1876
