The Rise Of Is Fulfilling End Times Prophecy:

The Time Is Fulfilled, End-Time Prophecy Has Already Started to Happen Dennis Callen, 2022-06-24 The Time Is Fulfilled End Time Prophecy Has Already Started to Happen Here's What's Coming Next Dennis Callen had a visitation twice by the presence of the Lord a few years ago very early in the morning At that time the Lord revealed the correct and current interpretation of end time prophecy much of which is not the same as is taught today Of all the books brother Callen has written this book was the most unique for him in that he says it was like taking dictation from the Holy Spirit and not just writing it from his own understanding research or opinion This is one book that will bring the reader up to date with current events as the end time prophecy has recently played out and will show you the exact day the tribulation will start for the time is at hand This book is Not a repeat of what has already been written by other writers In fact you will find it to be completely different Five out of five stars scripturally accurate and easy to read and understand Reviewed in the United States on August 10 2019 Most end time prophecy books I have read all say the same things A lot of them are private interpretations which 2 Peter 1 20 says we should stay away from This book uses scripture to interpret scripture I have never read anything like this before It all makes biblical sense to me I can see how the seals have been opened already. The results of the seals are on the television news almost every day The Bible says we are to be simple concerning evil Romans 16 19 So if the book of Revelation is about the tribulation only and all the evil that would take place after we are gone then this would violate Romans 16 19 However the book of Revelation is first about setting the stage for the move of God in the greatest revival the world has ever seen plus the coming wrath of God found in Revelation chapter 16 I don't know of any other book that is as accurate and exciting to read as this book You can tell it has the same feel as reading the Bible Every Christian needs to read this book I highly recommend it The book of revelation is taken verse by verse with a clear easy to understand explanation Of all the books that are out there this is the only one I recommend highly Prophecy Fulfilled Today Uriel Duskin, AI, 2025-02-27 Prophecy Fulfilled Today explores the intriguing relationship between ancient biblical prophecies and modern events It examines how historical records archaeological discoveries and geopolitical developments might align with predictions found in texts like Daniel Ezekiel Isaiah and Revelation The book emphasizes tangible evidence such as the rebirth of Israel after centuries of diaspora viewed not just as a political event but as a possible fulfillment of prophecy Another key area is the analysis of current global events from political turmoil to technological advancements in relation to prophetic timelines The book begins by establishing a clear methodology for comparing biblical texts with historical accounts It progresses by first exploring prophecies related to Israel's scattering and return using archaeological findings and demographic shifts as supporting evidence It then investigates prophecies concerning global conflicts and societal changes evaluating events like wars and economic crises in light of biblical predictions This approach offers readers a framework for interpreting current events through a lens of faith informed analysis encouraging critical thinking about biblical prophecy

and its relevance today The End Times, Again? Martyn Whittock, 2021-10-15 From the Middle Eastern politics of Donald Trump to the UK s 2016 EU Referendum large numbers of Christians are making decisions based on the alleged end times aspects of modern politics Such apocalyptic views often operate beneath the radar of much Christian thought and expression In this book historian Martyn Whittock argues that while the New Testament does indeed teach the second coming of Christ complications occur when Christians seek to confidently identify contemporary events as fulfilments of prophecy Such believers are usually unaware that they stand in a long line of such well intended but failed predictions In this book Whittock explores the history of end times speculations over two thousand years revealing how these often reflect the ideologies and outlooks of contemporary society in their application of Scripture When Christians ignore such past mistakes they are in danger of repeating them Jesus Whittock argues taught a different way 21 Signs of His Coming: Major Biblical **Prophecies Being Fulfilled In Our Generation** David Taylor, 2009 THE ACT OF ABADDON Nathan Green, 2025-08-20 Israel rising the second coming of Jesus Christ Israel becomes the capitol of the world The signs have been given for the establishment of God's Kingdom here on earth In this internationally acclaimed book I have provided the covenant for the Millennial Kingdom that was given to me from the heavens I addressed world leaders church ministries and many more concerning today s end times prophecies and now I give the truth and firsthand knowledge to the rest of the world God showed me the beginning and the end of the world and now I pass it on giving you the story with illustrated prophetic timelines including the breaking of the first four seals of Revelation releasing the four horsemen of the apocalypse propelling us forward into the tribulation and on our way to Armageddon So much courage these Jewish warriors have fought with throughout the centuries leaving the lands of Israel stained with the blood of our ancestors and who is it that has scattered my Jewish people from their homeland dispersing them across the four quarters of the earth My mission from God is to secure and protect that great Nation of Israel and offer salvation to mankind by bringing them into repentance when God gives me the location and key to the bottomless pit This is the Act of Abaddon **End Time Delusions** Steve Wohlberg, 2005-01-28 Will Christians vanish in a rapture Will seven years of apocalyptic terror overtake those left behind Will one future Mr Diabolical the antichrist rise to control the world Will he enter a rebuilt Jewish temple claiming to be God Will Earth's nations attack Israel at Armageddon Best selling books like Left Behind and popular apocalyptic movies predict such things Are they correct No area of Christianity has been subject to more misquided interpretation than end time prophecy Millions of Christians sense we are nearing Jesus Christ's return Yet when it comes to what the majority thinks will happen during Earth's last days and what the Bible actually says will occur the difference is seismic With clarity and biblical accuracy End Time Delusions exposes massive errors now flooding through media and in much of today s sensational prophecy writing This book closely examines tightly meshed yet speculative theories about the rapture seven year tribulation antichrist and the modern Jewish state This book is no novelty Buttressed with solid teachings from many of Christianity s
