Scot Peacock, Terrie M. Rooney

The Road To Chlifa Characters:

Alternating Narratives in Fiction for Young Readers Perry Nodelman, 2017-04-17 This book is about the implications of novels for young readers that tell their stories by alternating between different narrative lines focused on different characters It asks if you make sense of fiction by identifying with one main character how do you handle two or more of them Do novels with alternating narratives diverge from longstanding conventions and represent a significant change in literature for young readers If not how do these novels manage to operate within the parameters of those conventions This book considers answers to these questions by means of a series of close readings that explore the structural educational and ideological implications of a variety of American British Canadian and Australian novels for children and for young adults

Windows and Words Susan-Ann Cooper, Aida Hudson, 2003 Windows and Words is a collection of seventeen essays that confirms and celebrates the artistry of Canadian Children's Literature There are essays that survey a wealth of English language fiction from the internationally acclaimed work of Lucy Maud Montgomery the aboriginal adolescent novel to the increasingly multi cultural character of children's books Others examine book illustration visual literacy and the creative partnership seen in the picture book and its art design With contributions by two Governor General's Award winning authors Janet Lunn and Tim Wynne Jones and a final commentary by Elizabeth Waterson the heart of this collection offers a unique perspective on the artistry of writing for children and claims a rightful place for Canadian children's literature as literature

Young Adult Literature and Adolescent Identity Across Cultures and Classrooms Janet Alsup, 2010-07-02 Taking a critical research oriented perspective this book explores the theoretical empirical and pedagogical connections between reading and teaching young adult literature in middle and secondary classrooms and adolescent identity development

Rooney, 1998-10 Your students and users will find biographical information on approximately 300 modern writers in this volume of Contemporary Authors R Authors in this volume include Diane Arbus Nina Kiriki Hoffman Michael Moore Inter- and Transcultural Learning in the Context of Canadian Young Adult Fiction Grit Alter, 2015 Within the past few years transcultural learning has become one of the key terms in TEFL theory Central concerns in current research include differentiating between inter and transcultural learning navigating processes of understanding otherness and assessing cultural competences Using these aspects this study investigates texts recommended for cultural learning and key components of implementing literature in ELT The results call for a more holistic perception of alterity and argue in favour of transcultural literature as a basis for transcultural learning All of this dissertation is in English Subjects Literary Criticism Education Series Fremdsprachendidaktik in globaler Perspektive Vol 5

Kliatt Young Adult Paperback Book Guide, 2000 *Canadian Book Review Annual*, 1995 **What Do Children and Young Adults Read Next?** Janis Ansell, Pam Spencer Holley, 2002 Lists books by subject and title and recommends what book children and young adults should read next based on their previous likes and dislikes **Translating Canada**

Reingard M. Nischik, Luise von Flotow, 2007 *Translating Canada* examines cultural materials exported by Canada in addition to those selected for acquisition by German publishers, theatres and other culture brokers. It also considers the motivations of particular translators and the reception by German reviewers of works by a wide variety of Canadian writers. **Children's Books in Print** R R Bowker Publishing, Bowker, 1999-12 **Quill & Quire**, 1996 *Children's Literature Association Quarterly*, 2002 Children's Books In Print 1998 Bowker Editorial Staff, R R Bowker Publishing, Bowker, 1998 School Library Media Programs in Action Gail Bush, 2009. As Gail Bush reports, each section of this monograph includes articles that invite the reader to explore his or her own response to the authors' messages. The purpose here is not to set in stone principles and practices to be followed blindly but to present a disposition toward intellectual behaviors that seriously consider our responsibilities and actions as educators in a democratic society. And Ms Bush has pulled articles to do just that from *Knowledge Quest*, AASL's official highly respected journal on school library media programs.
