The Rule Of Women Surrendering Yourself:

Self-surrender Mary Pryor Hack, 1882 The Power of Sexual Surrender Marie Nyswander Robinson, 2023-11-09 In *The Power of Sexual Surrender* Marie Nyswander Robinson intricately explores the profound dynamics of intimacy and vulnerability within relationships Through a blend of psychological insight and poignant narrative prose Robinson examines how surrendering oneself sexually can serve as a pathway to deeper self discovery and emotional connection Drawing on both contemporary and classical theories of sexuality the text positions sexual surrender not merely as an act of physical intimacy but as a critical component of human experience that fosters growth trust and healing The book resonates within the context of modern discourse on consent and empowerment inviting readers to reconsider conventional definitions of agency and desire Marie Nyswander Robinson a noted clinical psychologist and advocate for sexual health is renowned for her holistic approach to intimacy Her extensive background in psychology and her commitment to understanding human sexuality have informed her writing and research throughout her career Robinson's personal experiences coupled with her professional expertise have equipped her with unique insights into the transformative power of sexual relationships making her a vital voice in contemporary discussions of emotional health and interpersonal dynamics *The Power of Sexual Surrender* is an essential read for anyone seeking to understand the nuanced interplay between sexuality and emotional wellness Robinson's articulate exploration offers valuable perspectives for both individuals and couples aiming to navigate their intimate landscapes with awareness and compassion This book stands as a beacon for those interested in harnessing the power of vulnerability to enrich their relational lives Self-Surrender (prapatti) to God in Shrivaisnavism Srilata Raman, 1962-, 2006 Filling the most glaring gap in Shrivaisnava scholarship this book deals with the history of interpretation of a theological concept of self surrender prapatti in late twelfth and thirteenth century religious texts of the Shrivaisnava community of South India This original study shows that medieval sectarian formation in its theological dimension is a fluid and ambivalent enterprise where conflict and differentiation are presaged on sharing whether of a common canon saint or rituals or two languages Tamil and Sanskrit or of a meta social arena such as the temple **How to Misunderstand Kierkegaard** Stuart Dalton, 2022-09-27 This book is an attempt to write about Kierkegaard's philosophy in the style of Kierkegaard's philosophy energetic playful free spirited surprising and joyous It is a deliberately crumbly book in the sense that it seeks out the fragments scraps and crumbs of philosophical arguments that are generally ignored or swept away like so much rubbish but that are actually the most interesting parts of the meal The Anti Assistant Professor Method that this book follows adopts Kierkegaard's many excellent jokes about assistant professors as a guide to how not to write about Kierkegaard's philosophy specifically Don't cease to be human Don't be a parasite merely feeding off other people's creations and never creating anything new Don't reduce or simplify or systematize Kierkegaard's ideas in order to make life easier for everyone because that was never the point Don't kill Kierkegaard's philosophy by lecturing on it thereby turning it into a

collection of dead ideas for nonhumans rather than subjective truths that need to be lived Following these guidelines the book attempts to extend and amplify some of Kierkegaard's most important ideas in a way that combats the persistent problem of nihilism a disease that even Kierkegaard succumbed to at the end of his life

Surrender (But Don't Give Yourself Away) Spike Gillespie, 2010-02-22 Spike Gillespie tells it like it is Whether she's writing about men mothering or money she cuts to the chase unabashedly recounting the exhilaration and uncertainty she is forever encountering along the odd path that is her life Gillespie approaches her subjects with a keen eye for curious details and a readiness to ask hard questions and give honest even brutal answers Her willingness to put it all down the painful the funny the mundane the embarrassing has won legions of readers for her print and online columns Surrender But Don't Give Yourself Away collects forty six essays which initially appeared in such publications as the Washington Post Austin Chronicle Dallas Morning News Bust Gargoyle and thecommonsplace.org As Gillespie describes them There are odes to my good days and bad to trips I've taken both real and metaphorical to holiness found in unexpected places to men I have not slept with to learning to live sober Too there are miscellaneous ruminations on my alter ego my inner teen the floor mat in my car a dead squirrel in the road Binding these pieces is the thread of hope there are moments the thread slips out of view only to resurface in some unexpected location Sometimes it takes awhile but Gillespie always relocates hope discovering even in her darkest times that life is full of an embarrassment of riches

Women in Roman Law and Society Jane F. Gardner, 2008-03-07 The legal situation of the women of ancient Rome was extremely complex and since there was no sharp distinction between free woman freedwoman and slave the definition of their legal position is often heard Basing her lively analysis on detailed study of literary and epigraphic material Jane F. Gardner explores the provisions of the Roman laws as they related to women Dr Gardner describes the ways in which the laws affected women throughout their lives in families as daughters wives and parents as heiresses and testators as owners and controllers of property and as workers She looks with particular attention at the ways in which the strict letter of the law came to be modified softened circumvented and even changed pointing out that the laws themselves

tell us as much about the economic situation of women and the range of opportunities available to them outside the home

The Self-Donation of God Jack D. Kilcrease, 2013-03-20 In *The Self Donation of God* Jack Kilcrease argues that the speech act of promise is always an act of self donation A person who unilaterally promises to another is bound to take a particular series of actions to fulfill that promise Being that creation is grounded in God's promising speech the divine human relationship is fundamentally one of divine self donation and human receptivity Sin disrupts this relationship and therefore redemption is constituted by a reassertion of divine promise of salvation in the face of the condemnation of the law Gen 3:15 As a new and effective word of grace the promise of a savior begins the process of redemption within which God speaks forth a new narrative of creation In this new narrative God gives himself in an even deeper manner to humanity By donating himself through a promise first to the protological humanity and then to Israel he binds himself to them At the end of this history of self binding God in Christ enters into the condemnation of the law neutralizes it in the cross and brings about a new creation through his omnipotent word of promise actualized in the resurrection

Bolshevik Women Barbara Evans Clements, 1997-08-13 *Bolshevik Women* is a history of the women who joined the Soviet Communist Party before 1921 The book examines the reasons these women became revolutionaries the work they did in the underground before 1917 their participation in the revolution and civil war and their service in the building of the USSR Drawing on a database of more than five hundred individuals as well as on intensive research into the lives of the most prominent female Bolsheviks the study argues that women were important members of the Communist Party at its lower levels during its formative years They were lieutenants printing leaflets speaking to crowds and running party operations in the cities They also created one of the most remarkable efforts to emancipate women from traditional society of the twentieth century This book traces their fascinating lives from the earliest years of the revolutionary movement through to their old age in the time of Khrushchev and Brezhnev
