**The Poison Problem** Felix Leopold Oswald, 2019-07-04      **The Poison Problem, Or, The Cause and Cure of Intemperance** Felix Leopold Oswald, 1887      The Poison Problem, Or, The Cause and Cure of Intemperance Felix L. 1845-1906 Oswald, 2023-07-18 In this influential work of public health advocacy Felix L. Oswald argues that intemperance, excessive drinking, is a major cause of social, economic, and health problems in 19th-century America. Oswald marshals a wide range of statistical, scientific, and moral arguments in support of his case and offers practical advice for individuals and communities seeking to combat the spread of intemperance. The Poison Problem is a fascinating historical document and a reminder that many of the social problems we face today have deep roots in the past. The Poison Problem Felix L. Oswald, 2016-09-09 Excerpt from The Poison Problem Or the Cause and Cure of Intemperance The pious belief that the excess of every social evil tends to insure its abolition seems indeed to have been almost disproved by the history of the alcohol habit When the yoke of despots had made deliverance more desirable than life itself despotism had reached the term of its power When the rule of priests had made the hatred of shams burn hotter than the fire of the stake no Jesuitical intrigues could prevent the triumph of the Protestant revolt But though the evil of intemperance has long been recognized as the blighting curse of modern civilization the sore felt need of relief seems thus far to have revealed no remedy In spite of all our philanthropists have done to stem or deflect the current the gulf the dire poison fountain of social life has overtopped its ancient banks and threatens to submerge the sanatoria of the primitive highlands In countries of Christendom where the ebb of all other industries has enforced a degree of frugality unknown to the revival periods of medieval asceticism the liquor traffic still swells the tide of revenue and disease Remedy after remedy has been proposed tested and changed for another doomed to a similar failure About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
