The Novel of Neronian Rome and Its Multimedial Transformations Monika Woźniak, Maria Wyke, 2020 This volume explores the historical novel *Quo vadis* written by the Polish author Henryk Sienkiewicz examining how Sienkiewicz recreated Neronian Rome so vividly and the reasons why his novel was so avidly consumed and reproduced in new editions translations visual illustrations and adaptations to the stage and screen *Alone in the Company of Others: A Novel* Kelly Huddleston, 2009-10-19 With a cast of eccentrics that rivals *The Royal Tenenbaums* *ALONE IN THE COMPANY OF OTHERS* is about people and their treasured possessions and the distinctive role that each of us plays as part of a group dynamic The book questions where each of us essentially exists within the singular the plural or both *A Sabbatical in Leipzig: Shortlisted for the 2021 Kerry Group Irish Novel of the Year* Adrian Duncan, 2022-11-24 Duncan brings a new way of seeing to the world of prose Irish Times Michael has been away from Ireland for most of his life and lives alone in Bilbao after the death of Catherine his girlfriend Each day he listens to two versions of the same piece of music before walking the same route to visit Richard Serra's enormous installation *The Matter of Time* in the Guggenheim As he walks his thoughts circle around the five year period of mental agitation spent in Leipzig with Catherine This sabbatical caused by the stress of his job and the suicide of a former colleague splits his career as an engineer into two distinct parts Intensely realistic mapped out like Michael's intricate drawings this is a novel of precision and beguiling intelligence *The New Novel in France* Arthur E. Babcock, 1997 Babcock separates the myth from the history of a movement that began in the 1950s and persisted through the 1970s providing a fair and dispassionate account of its chief representatives While Babcock does look at these writers as participants in a movement he does not force a false unity on the group Through an examination of their exemplary novels Babcock gives a balanced view of their common concerns as well as their differences As the nouveau roman reaches its fiftieth year *The New Novel in France* offers the first major historical study of a literary form that continues to capture scholarly interest and to excite intense debate **The Business of the Novel** Simon R Frost, 2015-10-06 This study shows how aesthetics and economics have been combined in a great work of literature Frost examines the history of Middlemarch's composition and publication within the context of Victorian demand then goes on to consider the interpretation reception and consumption of the book *Annie Proulx's Brokeback Mountain and Postcards* Mark Asquith, 2009-09-10 This guide to Annie Proulx's novel *Postcards* and her short story *Brokeback Mountain* features a biography of the author a full length analysis of the texts a summary of their popular and critical reception a discussion of the recent film adaptation of *Brokeback Mountain* and its reception and a great deal more If you are studying either text reading them for your book club or if you simply want to know more you'll find this guide informative intelligent and helpful **The Body Outside the Kremlin A Novel** James L. Monica Cure,2018-12-18 The first full length study of a once revolutionary visual and linguistic medium Literature has died many times this book tells the story of its death by postcard Picturing the Postcard looks to this unlikely source to shed light on our collective modern day obsession with new media The postcard almost unimaginably now produced at the end of the nineteenth century the same anxieties and hopes that many people think are unique to twenty first century social media such as Facebook or Twitter It promised a newly connected social world accessible to all and threatened the breakdown of authentic social relations and even of language Arguing that new media is as much a discursive object as a material one and that it is always in dialogue with the media that came before it Monica Cure reconstructs the postcard s history through journals legal documents and sources from popular culture analyzing the postcard s representation in fiction by well known writers such as E M Forster and Edith Wharton and by more obscure writers like Anne Sedgwick and Herbert Flowerdew Writers deployed uproar over the new medium of the postcard by Anglo American cultural critics to mirror anxieties about the changing nature of the literary marketplace which included the new role of women in public life the appeal of celebrity and the loss of privacy an increasing dependence on new technologies and the rise of mass media Literature kept open the postcard s possibilities and in the process reimagined what literature could be The Tempted Soul: An Amish novel of love,

renewal, and longing for a baby Adina Senft,2020-05-15 Three Amish best friends Three hurting hearts One quilt that binds them together If only she could have a child The cry of Carrie Miller s heart seems to be unheard by anyone except her husband Melvin and her two closest friends Amelia and Emma Even her prayers seem to go unanswered The people in the Amish church just shake their heads and remind her it s God s will But what if it isn t Because Carrie overhears two women talking in the fabric store about IVF a medical option available to other women Englisch women Can this be a sign from God at last Melvin and the bishop don t think so but Carrie can t leave it alone She believes it s God s will that she pursue this treatment even though they can t afford it and despite Melvin s doubts In the end it all comes down to faith Will her faith in God s leading keep her safe Or is her longing to be a mother tempting her away from the Amish beliefs that are all she s ever known There is much to celebrate and much to learn from the Amish community and these characters are so real to me now that I wish they lived next door Christian Fiction Addiction The Tempted Soul is the third novel in the Whinburg Township Amish series Books 1 3 can be read as standalones and have threads of family and friendship tying them together No strong language just a loving kiss and a guaranteed happily ever after If you like books by Hannah Miller Naomi Troyer or Hannah
